The background is a sunset over the ocean, with a bright orange and yellow glow on the horizon and a dark blue sky above. The text is overlaid on the image in a white, sans-serif font.

Ain't Nothing Like Being Married to an Old, Elderly Man Melody Davidson, 2011-05-26 Aint nothing like being married to an elderly man Written for single and married women Mental and physical abused women Women of all races and background It is a resource for knowledge of the Do and Donts of a relationship and or marriage Used as a reference book it offers my readers facts and information This book is a hard core no hold barred Although this womens book can be enjoyed by anyone including single and married men it was specifically written for adult woman that seeks a relationship with elderly men As you probably know more than 50 million women in and out of the United States have dealt with a marriage for all the wrong reasons These women too often accept the abuse simply because of a lack of knowledge Having low self esteem women fail to realize they are Queens Women deserve to be respected Although other books such as Women Beatings through the Eyes of the Abuser have tried to provide information the book usually lack a womans point of view What abuse woman really wants to get information from the abuser himself And none of the books uses the hard core approach an approach that has revolutionized the way I see women as part of my own family
