

Jeep

From the early prototypes produced in the 1940s to today's Liberty, Jeep has been known for its ruggedness and durability. *Jeep* chronicles the history of this American icon and highlights the CJ-era vehicles. The subject of offroading is explored, including information on the events

dedicated to the sport, and the offroading potential of different models. There are also sections to help you choose between the CJ-5 or the CJ-7, or between the Wrangler YJ and TJ models. With over 80 color photographs, this book will give any Jeep lover fodder for the fire inside.
