Landini

PREFACE

This manual includes all specifications, mechanical, hydraulic and electrical diagrams as well as descriptions of operation and adjustments of 60 Series tractors. The manual is not necessarily comprehensive of all information, as it has to be completed by theoretical and practical explanations given by trainers during training courses. This information is therefore exclusively aimed to persons attending courses at Landini Training Center.

NOTE:

Descriptions and specifications contained in this manual are not committing. Landini reserves the right to change organs and accessories owing to technical or commercial requirements without each time updating this manual.
