ZIONISM and the New World Order David Klooz, 2019-12-29 Some people when reading this book may be tempted to label this effort with the suitcase word conspiracy theory Unfortunately this book shows the real almost unbelievable practice of a conspiracy which extends in its current form for over several centuries It is based solely on a compilation of extremely well hidden historical data based on a researched bibliography covering several centuries as well as careful supposition as many key people have been eliminated Additionally some critical data is still being illegally withheld by conspirators In this case the word conspiracy translates to the following explicitly coordinated action by a small group acting for morally or legally reprehensible purposes without the knowledge of the greatest number There are several key elements that are necessary for such a large scale conspiracy practice to be effective over a long period of time One of the elements is that it is possible to carry out a strategy distributed over a large number of individuals using a well established socio religious matrix The question of maintaining a lasting secret when the number of people involved increases is not a key point The study of the

multiple denunciations of Sabbatean Frankism whatever the level of the person who receives this accusation shows that the more terrible the secret really is the more incredible it seems and the less credible or effective the revelation is This disbelief can last for centuries While the actions of the conspirators have public effects it is possible to protect these actions permanently from decryption by other agents particularly if the staging of the actions has been preceded by an enactment of subversion penetration and corruption The result is that the main agents who would normally have an interest in revealing the intentions of the conspirators actually become their passive or active co conspirators Another element is the use of the term conspiracy theory This is a simple rhetorical device whose current negative connotation serves to disqualify the opponent without debate This manipulation technique only works with poorly educated minds Unfortunately even educated minds can be brainwashed by continual deep state propaganda It was instrumentalized by the American Deep State CIA in the 1960s particularly with reference to the assassination of President John F Kennedy and the rising disbelief in the fake Warren Report narrative of one man shooting a magic bullet The use of this term conspiracy is most often associated with the terms Jewish conspiracy or Freemason conspiracy In the first instance we show that this is not the case the Sabbatean Frankists are not real Jews since they have been excommunicated several times by traditional rabbinical authorities In fact recent research shows that the Khazars were in fact never converted to Judaism However the public doesn't understand this as they claim to be Jewish In the second instance counter initiation had infiltrated these groups as it has done over the decades for almost all the secret societies that had an influence such as the Golden Dawn or the Order of the Brothers of Saint until it was able to reverse the organization's essential purpose Freemasons currently represent only pawns that are not fully aware of their manipulation and the real revolutionary objectives pursued or in the best of cases they are neutralized without influence Their major purpose now is to promote revolution In other words they are an active change agent for revolution with no particular goal in mind except chaos It is always interesting to look in detail at the biographies of those who use this term to kill the debate This book is an attempt to look at some of the major watershed moments in the last two centuries to see if this approach unearths any information that reflects my basic premise Hopefully this book will encourage others to do additional research and use their own critical thinking abilities for the lucid vigilance that is the hallmark of real citizen debates and to increase our knowledge of the subversion that is destroying our civilization from within Whether they call themselves Sabbatean Frankists Zionists Khazarian mafia or the Cult of the All Seeing Eye they are the psychopaths ruling the world and planning the way to their New World Order centered in Israel     *Kennedy's Last Stand* Michael E. Salla, 2013 Just before beginning his first term on January 20 1993 President Elect Clinton made a very strange request to close family friend and lawyer Webster Hubbell If I put you over there in justice I want you to find the answer to two questions for me One who killed JFK And two are there UFOs According to Hubbell Clinton was dead serious The key to unlocking the mystery of President Kennedy's assassination and a possible UFO connection lie in events that occurred 18

years earlier in post war Germany In 1945 John F Kennedy was a guest of Navy Secretary James Forrestal where he personally witnessed technological secrets that have still not been disclosed to the world These secrets stemmed from extraterrestrial technologies that Nazi Germany had acquired and were attempting to use in their weapons programs In searching for answers to who killed President Kennedy we need to start with the death of his mentor James Forrestal in 1949 Forrestal became the first Secretary of Defense in 1947 a position he held until March 1949 Forrestal was a visionary who thought Americans had a right to know about the existence of extraterrestrial life and technologies Forrestal was sacked by President Truman because he was revealing the truth to various officials including Kennedy who was a Congressman at the time Forrestal s ideals and vision inspired Kennedy and laid the seed for what would happen 12 years later After winning the 1960 Presidential election Kennedy learned a shocking truth from President Eisenhower The control group set up to run highly classified extraterrestrial technologies the Majestic 12 Group had become a rogue government agency Eisenhower warned Kennedy that MJ 12 had to be reined in It posed a direct threat to American liberties and democratic processes Kennedy followed Eisenhower s advice and set out to realize James Forrestal s vision The same forces that orchestrated Forrestal s death opposed Kennedy s efforts at every turn When Kennedy was on the verge of succeeding by forcing the CIA to share classified UFO information with other government agencies on November 12 1963 he was assassinated ten days later Kennedy s Last Stand is the story of how an American President tried to realize his friend and mentor s vision of a world where humanity openly knows about extraterrestrial life and of the government officials responsible for denying that vision

[The Assassination of JFK](#) Robert A. Wagner, 2017-03-07 The Assassination of JFK Perspectives Half a Century Later is the result of a reconciliation of widely divergent views of the assassination and who was responsible For more than fifty years the JFK assassination has ignited impassioned argument from those who believe the Warren Commission s conclusion that one man Lee Harvey Oswald acted alone in killing President John F Kennedy and those who believe that the assassination was spearheaded by the KGB Castro the mob anti Castro revolutionaries the military complex the CIA or even Kennedy s successor Lyndon Baines Johnson to name only a few The conspiracy theories are almost too numerous to list and even include the fervent belief that Kennedy s body was stolen prior to autopsy on the very evening of the assassination for the purpose of doctoring the body to frame Oswald Bob Wagner digs into the enormous record of the assassination created by two government investigations and thousands of books and articles written by investigators researchers and historians Bob describes the divergent views as being akin to two groups dividing the pieces of a jigsaw puzzle in half and attempting to produce complete pictures with their incomplete pieces Once all the puzzle pieces are organized and properly fi t together however as Bob s painstaking work shows a real picture emerges and the truth comes into focus Bob thoroughly reviews the head spinning morass of fact conjecture and conspiracy theories regarding the assassination of JFK and makes them understandable to those knowing little about the assassination much less all of the conspiracy theories that abound The Assassination of JFK Perspectives Half a Century Later presents the clearest case against Arlen Specter s infamous single bullet theory while also demonstrating why it is clear that Lee Harvey Oswald fi red the only shots in Dealy Plaza on November 22 1963 Visit [JFKassassinationperspectives.com](#) for more information and to comment

**The Final Report on Operation Majestic 12** Stanton Friedman, 2005-12-15 It should be no surprise that the various highly classified Operation Majestic 12 or Majic 12 or MJ 12 documents have been attacked since their existence was first made public Equally unsurprising is the fact that a number of phony or hoax or fraudulent MJ 12 documents have been released as well But if the original documents such as the Eisenhower Briefing Document of November 18 1952 the Truman Forrestal Memo of Sept 24 1947 and the Cutler Twining Memo of July 14 1954 found in July 1985 in Box 189 of Entry 267 of Record Group 341 at the National Archives by Jaime Shandera and William Moore are genuine then the consequences are enormous aliens are visiting Earth the government has

recovered at least one crashed saucer and several alien bodies and a very significant group of outstanding American scientists and military leaders has collected reviewed evaluated and kept secret all kinds of information about the visitors Under such a scenario mankind is NOT alone and the government has covered up the biggest story of the millennium and perhaps history in general Ten years after the 1984 receipt of a roll of exposed 35mm film by Jaime Shandera at his Burbank California home and his efforts with William Moore and Stanton Friedman to evaluate them a new roll of film showed up in the mailbox of aviation and science writer and longtime ufologist Don Berliner This contained many pages of SOM 1 01 Majestic 12 Group SPECIAL OPERATIONS MANUAL Extraterrestrial Entities and Technology Recovery and Disposal Ufologists and UFO buffs alike owe it to themselves to look seriously at the material gathered here by Friedman and decide for themselves whether or not we need to continue pushing for Disclosure and the truth

**Deep Politics and the Death of JFK** Peter Dale Scott, 1993-10-27 Peter Dale Scott s meticulously documented investigation uncovers the secrets surrounding John F Kennedy s assassination Offering a wholly new perspective that JFK s death was not just an isolated case but rather a symptom of hidden processes Scott examines the deep politics of early 1960s American international and domestic policies Scott offers a disturbing analysis of the events surrounding Kennedy s death and of the structural defects within the American government that allowed such a crime to occur and to go unpunished In nuanced readings of both previously examined and newly available materials he finds ample reason to doubt the prevailing interpretations of the assassination He questions the lone assassin theory and the investigations undertaken by the House Committee on Assassinations and unearths new connections between Oswald Ruby and corporate and law enforcement forces Revisiting the controversy popularized in Oliver Stone s movie JFK Scott probes the link between Kennedy s assassination and the escalation of the U S commitment in Vietnam that followed two days later He contends that Kennedy s plans to withdraw troops from Vietnam offensive to a powerful anti Kennedy military and political coalition were secretly annulled when Johnson came to power The split between JFK and his Joint Chiefs of Staff and the collaboration between Army Intelligence and the Dallas Police in 1963 are two of the several missing pieces Scott adds to the puzzle of who killed Kennedy and why Scott presses for a new investigation of the Kennedy assassination not as an external conspiracy but as a power shift within the subterranean world of American politics **Deep Politics and the Death of JFK** shatters our notions of one of the central events of the twentieth century *JFK and the Unspeakable* James W. Douglass, 2008 This is an examination of the Kennedy assassination and its meaning today for the struggle for peace The book lays out the journey that led Kennedy to

his determination to break with the logic of the Cold War and lead the world in an entirely different direction and how this meant he was considered a virtual traitor by some      **JFK and UFO** Kenn Thomas,2011-05-31 Explores the little known aspect of modern parapolitical history that interconnects the lingering mysteries of America s most notorious assassination and its weird ufological subculture JFK UFO examines the denizens of the bizarre semi spook underground reflecting a stranger and more true history than that offered by the mainstream Research includes Ray Palmer and the original moon hoax the Nazi connection and what Kenneth Arnold came to believe about UFOs      *Burying the Lead* Mal Jay Hyman,2019-03-01 The Cold War ushered in a time of secrecy and willing media cooperation to keep those secrets But even after winning that war the vault of secrets remains firmly locked especially surrounding John F Kennedy s murder Even for those who fundamentally oppose the current presidential administration notions of a national security state and fake news must be examined to maintain a functional democracy This book explains the rapid decline in confidence in government that started after the assassination of JFK The mainstream media failed to go beyond repeating the official story and by 1991 they along with academe and the government had stopped investigating altogether It was filmmaker Oliver Stone whose film fueled public outrage and led to the JFK Act to declassify all of the remaining documents Almost four million pages of documents were then released that even Congress had not yet seen The JFK Act stated that all files must be released by October 2017 yet thousands are still withheld on the grounds of national security This volume examines the tight alliances that have allowed this cover up for more than 50 years President Kennedy declared in October 1963 that men who create power make an indispensable contribution to a nation s greatness but the men who question power make a contribution just as indispensable especially when they are disinterested for they determine whether we use power or power uses us
