Orr, 2002-08 Everyone knows that women have always been the gatekeepers of sex in our society The Last Horizon presents the history psychological descriptions and sociological mores of this phenomenon from a perspective never before analyzed Introduce yourself to the controversial psychosocial theory of The Class System Consider yourself classified For women This book will help you weed out the jerks jackasses gays and narcissists from the more desirable men you can see on your horizon Just use The Man Test to order one up to your specifications Your prescription man is waiting for you to find him For men Get a better understanding of the difficult modern culture in which you are expected to survive with little help from the current state of American leadership Learn what women really want in a man and how to speak and understand the exotic language of the modern American woman The Last Horizon offers you a new way to face the rest of your life The Class System offers a description of American society that you have encountered every day of your life but the explanation has remained invisible to your eyes until now You are being offered a detailed analysis of those elements of your personality and

those of everyone around you These issues may have been affecting every decision you have made throughout your life Now you have the opportunity to better understand those choices
