Managing Major Sports Events Milena M. Parent, Aurélia Ruetsch, 2020-11-29

Managing Major Sports Events Theory and Practice is a complete introduction to the principles and practical skills that underpin the running and hosting of major sports events from initial bid to post event legacy and sustainability. Now in a fully revised and updated new edition, the book draws on the latest research from across multiple disciplines, explores real world situations and emphasises practical problem solving skills. It covers every key area in the event management process including Bidding, leadership and planning, Marketing and human resource management, Venues and ceremonies, Communications and technology including social media, Functional area considerations including sport protocol and event services, Security and risk management, Games time considerations, Event wrap up and evaluation, Legacy and sustainability. This revised edition includes expanded coverage of cutting edge topics such as digital media culture, human resources, the volunteer workforce, readiness, security and managing Games time. Each chapter combines theory, practical decision making exercises and case studies of major sports events from around the world, helping students and practitioners alike to understand and prepare for the reality of executing major events on an international scale. Also new to this edition is an Outlook Trends and Innovations section in each chapter plus tips from leading events professionals.

Managing Major Sports Events Theory and Practice is an essential textbook for any course on sports event management or international sports management and an invaluable resource for all sport management researchers, practitioners and policymakers. Online resources include PowerPoint slides, multiple choice questions, essay questions, stories and decision making exercises.

Routledge Handbook of Sports Event Management Milena Parent, Jean-Loup Chappelet, 2017-07-14

From the Olympic Games to community level competitions, sports events can be complex and pose a particular set of managerial challenges. The Routledge Handbook of Sports Event Management surveys the management of sports events around the world of every size and scale, from small to mega events, including one off and recurring events and single sport and multi sport events. The book adopts a unique stakeholder perspective, structured around the groups and individuals who have an interest in and co-create sports events, including organising committees, promoters, sport organisations, spectators, community groups, sponsors, host governments, the media and NGOs. Each chapter addresses a specific stakeholder, defines that stakeholder and its relationships with sports events, describes the managerial requirements for a successful event, assesses current research and directions for future research and outlines the normative dimensions of stakeholder engagement such as sustainability and legacy. No other book takes such a broad view of sports event management, surveying key theory, current research, best practice and moral and ethical considerations in one volume. With contributions from leading sport and event scholars from around the world, the Routledge Handbook of Sports Event Management is essential reading for any advanced student, researcher or professional with an interest in sport management, sport development, sport

policy or events Sport Policy Across the United Kingdom Mathew Dowling, Spencer Harris, Chris Mackintosh, 2023-03-30 This book provides a comparative analysis of sport and physical activity policies processes and practices across the home nations England Scotland Wales and Northern Ireland of the United Kingdom Drawing upon in depth analysis by internationally recognised experts within the sport policy and management field and applying a novel analytical framework this book offers the first comprehensive intra country comparison of the most significant features of the sporting infrastructure across the home nations With chapters focusing on each of the four nations in detail followed by a comparative chapter that identifies themes regarding the evolution of sport policy across the UK the book examines the differences and similarities across elite community and school sport policy It provides an important insight into how sport policy interacts with national and devolved political structures and with sociocultural factors to drive both elite sporting success and community sport development This book is essential reading for any student researcher policymaker or sport practitioner with an interest in sport policy sport development sport management public policy or politics Understanding Sport Organizations Trevor Slack, Terri Byers, Alex Thurston, 2021 Textbook for graduate and upper undergraduate courses in organizational theory and organizational behavior as it relates to sport and sport recreation management degree programs reference for practicing sport managers around the world **From Loose to Tight Management** Elke Weyer, 2017-10-10 Elke Weyer sheds light on the question why after more than three decades of higher education reforms in some countries it is still not clear whether the reforms have achieved their stated goals i e to create autonomous universities that meet political expectations By back casting real life decision making processes the author reconstructs how different types of actors influenced the academic governance of higher education institutions in the context of these reforms This approach highlights how numerous changes in governance and organisation affect the relationships between actors and how they promote their interests **Key Themes in Youth Sport** Ken Green, 2010-10-04 Key Themes in Youth Sport is a concise easy to read reference style guide to the core concepts in the study of young people s relationship with sport exercise and leisure Designed to help students get to grips with the basics and go on to master the central ideas and debates in contemporary youth sport this book reflects the multi disciplinary interest in youth sport exploring perspectives from Sociology Psychology Physiology Sports Policy Sports Development and Physical Education **The SAGE Handbook of Sport Management** Russell Hoyer, Milena M.
