In the Realm of the Senses Johannah Fahey,Howard Prosser,Matthew Shaw,2015-04-08 This book charts new territory both theoretically and methodologically Drawing on MacDougall s notion of social aesthetics it explores the sensory dimensions of privilege through a global ethnography of elite schools The various contributors to the volume draw on a range of theoretical perspectives from Lefebvre Benjamin Bourdieu Appadurai Kress and van Leeuwen to both broaden and critique MacDougall s original concept They argue that within these elite schools there is a relationship between their complex sensory and aesthetic environments and the construction of privilege within and beyond the school gates Understanding the importance of the visual to ethnography the social aesthetics of these elite schools are captured through the inclusion of a series of visual essays that complement the written accounts of the aesthetics of privilege The collection also includes a series of vignettes that further explore the sensory dimension of these aesthetics touch taste though metaphorically understood sight and sound These varying formats illustrate the aesthetic nature of social relations and the various ways in which class permeates the senses The images from across the different schools and their surroundings immerse the reader in these worlds and provide poignant ethnographic data of the forces of globalisation within the context of elite schooling

Slipping the Line Amelia Curran,2023-08-30 This book brings a new spatial analysis to gang territories through the concept of the gang assemblage the variety of actors contexts and practices that create and maintain these spaces This conceptualization helps overcome the tendency of gang literature to succumb to the gang territorial trap the tendency to assume gang territories are fixed and static containers of gang life Drawing on multi sited qualitative fieldwork in central Canada interviews with gang and non gang affiliated residents police and administrators show gang territories being made material through a wide variety of daily embodied practices Recognizing the role of multiple actors encourages a relational ethics of accountability between bodies practices and place that challenges the often naturalized connections between race space and crime Understanding gang

space as enacted through embodied material practices provides an alternative way to think through trace and disrupt these associations

**Urban Social Geography** Paul Knox, Steven Pinch, 2014-09-15 The 6th edition of this highly respected text builds upon the successful structure engaging writing style and clear presentation of previous editions Examining urban social geography from a theoretical and historical perspective it also explores how it has developed into the modern day Taking account of recent critical work whilst simultaneously presenting well established approaches to the subject it ensures students are well informed about all the issues The result is a topical book that is clear and accessible for students
