ACTS Retreat Manual ACTS Missions,2020-06-12 The intent of the ACTS Retreat Manual is to provide all priests deacons and lay ACTS Retreat Team leaders and members with the necessary information to facilitate the ACTS Retreat process in a way that grounds the experience in the invitation to encounter Jesus Christ and be His disciple      *Cursillo* Brian V. Janssen,2010-01-01 Since its inception in Roman Catholic Spain in the 1940s the Cursillo movement has been a steadily growing phenomenon and has spread into many Protestant churches worldwide under various names The weekend initiation is often a deeply felt experience that boasts of many conversions and recommitments Yet in this comprehensive analysis of Cursillo the author finds theological concerns questions about the propriety of the methods and complications such as disaffection from the local church transfer of loyalty to the Cursillo community and a significant drop out rate raising implications for similar spiritual movements Interviews with former Cursillo participants confirmed many of these conclusions but also raised a challenge to the church many Cursillo participants do not perceive vital faith in their local church The author suggests that the Cursillo attempts to imitate the work of the church in an extraordinary form and that this might initiate some of the unhelpful results The church would be better served by seeking to revitalize its ordinary ministries of Word and sacrament prayer community and Sabbath observance      **Teen ACTS Retreat Manual** ACTS
