

Before Columbus, the Americas were inhabited by vast populations of Indigenous peoples who had lived there for millennia, migrating from Asia via the Bering Land Bridge starting around 38,000 years ago. There were also documented voyages by Norse explorers around 1000 AD, who established a settlement in North America, and evidence of other pre-Columbian voyages, potentially from Africa. [🔗](#)

Italian Americans Making America Great:

What Makes America Great? Lon Cantor, 2003-06 Unlike dry history books *What Makes America Great* is written in a breezy personal style It makes history come alive with humanizing stories about the men and women who made America great Chapter 1 provides objective proof of America's greatness using a lot of statistics Chapters 2 and 3 cover the early history of America and explain why we revolted Chapter 4 explains our victory over England in the American Revolution a tremendous upset Few Americans know how the colonists achieved this astounding feat Some modern debunkers like to say that our founding fathers acted out of selfishness rather than principle Chapter 5 shows the idealism of our founders and details the sacrifices made by the signers of the Declaration of Independence Our founding fathers were faced with the exciting but daunting task of creating an entirely new kind of country Well educated men they based the United States on principles developed by the world's greatest philosophers Chapter 6 starts with Moses and goes through Locke and Voltaire Each philosopher's ideas are related to American ideals The Declaration and the Constitution are the two greatest publications mankind has ever known But they weren't created out of thin air Chapter 7 discusses the precedents our forefathers studied before drafting these two great documents In Chapter 8 each American war is discussed in the light of whether it was just or unjust Chapter 9 covers the role of immigrants in shaping America It shows the challenges obstacles and contribution of each immigrant group No country is perfect not even America Chapter 10 discusses the five areas in which America has done wrong Indians slaves women prejudice and education Chapter 11 is a glimpse into the future of America
