Nagarjuna's Precious Garland Nāgārjuna,Sara L. McClintock,2024-03-05 Discover the eloquence and insight of the philosopher Nagarjuna held by tradition to be a second Buddha in this concise instruction for a king that is considered a masterpiece of Buddhist literature In this profound work of five hundred verses we encounter a presentation of Buddhism that integrates both the worldly and the transcendent The clear and sagacious advice laid out on every page serves as a road map to one s highest goal whether that goal is a better life here called the Dharma of ascendance or the ultimate one of spiritual freedom the Dharma of the highest good The verses written for an unnamed ruler touch on questions of statecraft but their broader themes speak to us today because they tackle the difficulty of integrating one s spiritual journey with the social and political demands of daily life Nagarjuna was an Indian Buddhist teacher probably of the second century CE who was renowned for his astute articulation of the philosophy of the Middle Way Madhyamaka His thoroughgoing critique of all forms of essentialism became a touchstone for Mahayana Buddhism in India Tibet and throughout East Asia and his importance for the development of the Mahayana tradition can scarcely be exaggerated The translators here first rendered Nagarjuna s letter for the Dalai Lama s teachings on the work in Los Angeles in 1997 While that commemorative edition was translated from the Tibetan the present volume prioritizes the surviving Sanskrit verses along with the only known Indian commentary by the eleventh century scholar Ajitamitra This is the first complete translation in English of the Precious Garland that takes the Indian text and commentary as its primary authorities In addition the translators provide rigorous working editions of the Sanskrit and Tibetan verses they translate This elegant and precise rendering of Nagarjuna s work is certain to become the touchstone translation of this celebrated Buddhist text *Federal Register* ,1996-07-16 **Body and Cosmos** Toke Lindegaard Knudsen,Jacob Schmidt-Madsen,Sara Speyer,2020-10-26 Body and Cosmos is a collection of articles published on the occasion of the 70th birthday of Professor Emeritus Kenneth G Zysk The articles revolve thematically around the early Indian medical and astral sciences which have been at the center of Professor Zysk s long and esteemed career within the discipline of Indology The volume is divided into three parts The first part is devoted to the medical sciences the second part to the astral sciences and the third part to cross cultural interactions between India and the
