Jacobs Ladder On Angels:

Jacob's Ladder Sergius Bulgakov, 2010-11-16 Few of Sergius Bulgakov's professional writings achieve the lyrical heights of Jacob's Ladder In it he discusses the doctrine of angels and their importance for contemporary humanity He includes reflections on the meaning of love the sexes death and the Christian hope of resurrection meditating on the Wisdom of God in the creation This work completes the word picture of divinized and Sophianic creation begun in *The Burning Bush* and *The Friend of the Bridegroom* which together constitute what scholars call Bulgakov's major or first trilogy **Jacob's Ladder**

Sergii Bulgakov, 2014 Few of the great Russian author Sergius Bulgakov's writings achieve the lyrical heights of Jacob's Ladder In this book originally published in 1929 Bulgakov explores the doctrine of angels and their importance for contemporary humanity He frames his work with meditations on the meaning of love not as a sentimental indulgence but as a way of understanding the deep tender self sacrificing personal knowledge that is both at the heart of a Trinitarian God and in the midst of relationships between human beings and their guardian angels These discussions on the creation function nature appearances and incorporeality of angels lead also to reflections on the incarnation and human nature especially the role of the sexes death and the Christian hope of resurrection Jacob's Ladder completes the development of Divine Sophia on the Wisdom of God in creation begun in *The Burning Bush* and *The Friend of the Bridegroom* which together constitute Bulgakov's first dogmatic trilogy *Ascending Jacob's Ladder* Ronald H. [With a Dedicatory Epistle by Edmund Calamy.]* Thomas TAYLOR (D.D., Fellow of Christ's College, Cambridge.), 1653 **Like Angels on Jacob's Ladder** Harvey J. Hames, 2012-02-01 This book explores the career of Abraham Abulafia ca 1240-1291 self proclaimed Messiah and founder of the school of ecstatic Kabbalah Active in southern Italy and Sicily where Franciscans had adopted the apocalyptic teachings of Joachim of Fiore Abulafia believed the end of days was approaching and saw himself as chosen by God to reveal the Divine truth He appropriated Joachite ideas fusing them with his own revelations to create an apocalyptic and messianic scenario that he was certain would attract his Jewish contemporaries and hoped would also convince Christians From his focus on the centrality of the Tetragrammaton the four letter ineffable Divine name to the date of the

expected redemption in 1290 and the coming together of Jews and Gentiles in the inclusiveness of the new age Abulafia's engagement with the apocalyptic teachings of some of his Franciscan contemporaries enriched his own worldview Though his messianic claims were a result of his revelatory experiences and hermeneutical reading of the Torah they were to no small extent dependent on his historical circumstances and acculturation Tarshish Bruce Patterson,2012-07-19 Not for the timid not for the weak fishers of men only need apply Must be able to carry a contiguous line of thought For directions to Tarshish follow the sign of the infinitive *Commentary on Midrash Rabba in the Sixteenth Century* Benjamin Williams,2016-09-08 Printed editions of midrashim rabbinic expositions of the Bible flooded the market for Hebrew books in the sixteenth century First published by Iberian immigrants to the Ottoman Empire they were later reprinted in large numbers at the famous Hebrew presses of Venice This study seeks to shed light on who read these new books and how they did so by turning to the many commentaries on midrash written during the sixteenth century These innovative works reveal how their authors studied rabbinic Bible interpretation and how they anticipated their readers would do so Benjamin Williams focuses particularly on the work of Abraham ben Asher of Safed the Or ha Sekhel Venice 1567 an elucidation of midrash Genesis Rabba which contains both the author's own interpretations and also the commentary he mistakenly attributed to the most celebrated medieval commentator Rashi Williams examines what is known of Abraham ben Asher's life his place among the Jewish scholars of Safed and the publication of his book in Venice By analysing selected passages of his commentary this study assesses how he shed light on rabbinic interpretation of Genesis and guided readers to correct interpretations of the words of the sages A consideration of why Abraham ben Asher published a commentary attributed to Rashi shows that he sought to lend authority to his programme of studying midrash by including interpretations ascribed to the most famous commentator alongside his own By analysing the production and reception of the Or ha Sekhel therefore this work illuminates the popularity of midrash in the early modern period and the origins of a practice which is now well established the study of rabbinic Bible interpretation with the guidance of commentaries *Enochim* David Kendal Jones,2014-09-29 David is a Chartered Surveyor who was born raised and still lives on The North Wales Coast He is married to Dawn and has two grown up children For many years David has been a Governor at a local Primary School and always enjoys his interaction with the children David is an active member of a local Church which he has attended since being a teenager and where now he is an Elder and Lay Preacher For years David ran the teenagers Bible Class and thrived on the awkward and searching questions young people ask From these lively discussions developed some of the ideas that lit the spark for Enochim ENOCHIM Anna and Jamie were soon to celebrate their twelfth birthday and looked forward to getting the usual presents However the early birthday present they received was to be attacked in their own home by two mysterious strangers which left them distraught and their mum fighting for her life Little did the twins know that this tragedy was the start of an adventure which would lead them to discover their heritage as Enochim and take them on a journey to The Crystal

Sea and beyond to The Third Dimension On their road to discovery the twins would meet other Enochim and beings not of our world many who were to help them but others who were out to do them harm The road they were now travelling would teach them many new and old truths and would lead them to witness the greatest battle the universe and history had ever seen But as well as these universal truths Jamie and Anna would also discover the truth about their dead grandfather and the wolf he had to battle The story of Jamie and Anna is the story of The Enochim and even now The half has not yet been told

Beyond Reasonable Doubt Louis Jacobs,1999-03-01 In this sequel to *We Have Reason to Believe* Louis Jacobs examines afresh all the issues involved He does so objectively but with passion meeting the objections put forward over the past forty years by critics from the various trends within the Jewish world both Orthodox and Reform and inviting a new generation of readers to follow the argument and make up their own minds More than forty years have passed since Louis Jacobs first published the still controversial book *We Have Reason to Believe* the work which led to his being outlawed by the Orthodox Jewish establishment In this new book he examines afresh all the issues involved meeting all the objections put forward from the various trends within the Jewish world so that readers can make up their own minds **Denise Levertov** Audrey T.

Rodgers,1993 Through careful analysis of Levertov's social verse she demonstrates that there is a consistency and pattern in what the artist herself has termed the poems of engagement Denise Levertov began her career in England as a lyric poet in the Romantic mode but even then was touched by the reductive nature of war revealed in her first published poem *Listening to Distant Guns* During the mid 1960s Levertov's social conscience notably her strong antiwar sentiment was reawakened by the Vietnam War This reawakening resulted in several volumes of poetry that mirrored her concerns with the war and political activism at home and her perplexity at the nature of human beings often great and compassionate but at times cruel and insensitive There exists a common thread in Levertov's pilgrimage from her beginning as a lyric poet to her status as an artist definitively in the world she has always responded to everything within the compass of her experience *Works Not*

The Lithic Imagination from More to Milton Tiffany Jo Werth, 2024-07-08 The *Lithic Imagination from More to Milton* explores how stones, rocks, and the broader mineral realm play a vital role in early modern England's religious and cultural systems, a role that in turn informs the period's poetic and visual imagination. The scale of the human lifespan and the gyre-like turns of England's long Reformation provide a conceptual framework for the various stony textual and visual archives this book studies. The texts and images participate in specifically English histories: literary, artistic, political, religious, although Continental influences are frequently in dialogue. The religious orbit encompasses the Christian rivalry with Jewish culture, touches on Christianity's tension with Islam, but most intently centers on the antagonism between Catholic and variants of Protestant and Reformed belief. The volume features canonical writers such as Shakespeare, Spenser, Donne, Wroth, Herbert, Milton, and Pulter, but puts them in company with lesser-known religious polemicists, alchemists, anatomists, painters, mothers, and stonemasons. Accordingly, the multimedia archive includes drama, lyric, and prose, as well as biblical illustrations, tapestries, church furniture, paintings, anatomical drawings, and statues. The lithic too is capaciously construed as a continuum of rocky as well as mineral forms, ranging from bodily encrustations like the kidney and bezoar stone to salt, iron, limestone, marble, flint, and silicon. The assemblage of materials bears witness to aspirational, imperial fantasies and looming colonial conquests; it engages in both syncretism and supersession, upholds and subverts gender hierarchies, limns the race-making category of hue with desire and supports and sometimes thwarts elitist ideologies of an elect, chosen people. All come together via the storied pathways of stone, as densely material and as a foundation for the abstract imaginary along the *scala naturae*. Across the lithic, human, fold, stone promises, fascinates, betrays. As alpha and omega, stone can herald salvation or it can threaten with damnation.

The world knew him not Deaghlán Fionn, **Water from Stone** Jeffrey Greene, 2008-04-16 Award-winning author Jeffrey Greene provides a portrait by turns lyrical and provocative of J. David Bamberger's unlikely transformation from first a vacuum cleaner salesman, then to co-founder and CEO of Church & Chicken, to an internationally recognized conservationist. In fact, Greene tells two integrally related stories: the evolution of one man's business sense applying profit incentives to land restoration and nature conservancy and the creation of a Texas Hill Country preserve where he effectively demonstrates his own principles. Growing up in rural Ohio during the Great Depression and World War II, Bamberger learned at an early age to shun waste, grow food productively, and admire the Amish for living in harmony with the land. His mother taught him to love the natural world and gave him a book that would set the course for his life: *Pleasant Valley* by Louis Bromfield, a visionary American advocate for land restoration. Inspired by his new role model, Bamberger would say, "If I ever make money, I want to do what Bromfield did." After finding that financial success, Bamberger bought what he describes as the sorriest piece of land in Blanco County and entered upon his decades-long effort to restore the ecological balance of 5,500 acres that had been virtually destroyed by more than a century of misuse. Naming

his preserve Selah from the Old Testament term meaning pause and reflect Bamberger dedicates himself and his resources to protecting species and educating school children conservation groups government officials and everyone else who will listen to his central message delivered with evangelical zeal We must take care of the earth and anyone can help Today David and his wife Margaret have received many awards and he has been featured in The New Yorker in Audubon and on CNN and network news But until now no one has fully told the story of how a man with vision transformed a place and in doing so transformed himself
