It Happened To Me A Teens Guide To Overcoming Sexual Abuse Workbook:

It Happened to Me William Lee Carter, Wm. Lee Carter, 2002 A workbook to help sexually abused teenagers deal with their emotions *It Happened to Me* William Lee Carter, 2002-01-01 Most sexual trauma survivors find the early adult years crucial for recovery During this time they have the best combination of motivation capacity for insight and support to begin the process of healing Written by a psychologist who works with sexually abused teens *It Happened to Me* helps young adults reflect on what happened examine its impact on their lives and begin to develop healthy relationships *Trauma Recovery Workbook for Teens* Deborah Vinall, 2025-06-17 Help teens recover from trauma and look forward to the future The 2022 Best Book Award winner in Young Adult Nonfiction AmericanBookFest com Experiencing trauma and grief especially at a young age can make it a challenge to feel excited about everything that life has to offer The *Trauma Recovery Workbook for Teens* shows kids ages 12 to 16 that healing is possible offering a trauma treatment toolbox that encourages them to identify their emotions embrace resiliency and find a renewed sense of hope and happiness The truth about trauma This trauma workbook for teens clearly explains different types of trauma from political upheaval to childhood trauma and sexual abuse so teens can understand where their feelings come from Strategies for healing Let teens take action with activities for trauma and recovery like meditation spotting potential triggers tracking their thoughts and more Feeling seen Teens will find comfort and reassurance through stories and questions inspired by other teens who have also experienced trauma This trauma informed mental health book gives teens an effective way to work through the past and strengthen their sense of self

Surviving and Moving On Kim McGregor, 2014-01-21 This book is essential reading for any survivor of child sexual abuse female or male Many survivors of sexual abuse have not always been believed or supported through their developmental years They have had to cope on their own dealing with the aftermath of the abuse in whatever ways they could This book offers ideas and techniques for understanding and healing which adult survivors in particular may find useful It tends to be written with women in mind but much of the information and many of the exercises may be useful for male survivors as well This book will also be useful for the partners families and friends giving support and encouragement to survivors who are healing themselves from the effects of abuse Many survivors want those around them to understand what they've survived and its effects on their life Part 1 provides information about child sexual abuse what it is why children remain silent about it some of the effects abuse can have on a survivor's life and how these can be minimised and who the offenders are Part 2 is for survivors helping them to understand and to cope with their unique experience of child sexual abuse Part 3 is specifically for supporters and caregivers of survivors **Handbook of Social Work in Child and Adolescent Sexual Abuse** Carolyn Hilarski, John S. Wodarski, Marvin D. Feit, 2012-01-26 The enlightening collection of new approaches to understanding sexual abuse When sexual abuse occurs helping those directly affected can be a difficult and convoluted task The *Handbook of Social Work in Child Adolescent Sexual Abuse* is a comprehensive guide that provides the latest information on assessment

management prevention and policy Through insightful and accessible discussions this collection of essays encompasses the full spectrum of child and adolescent sexual abuse to shed needed light on an affecting issue This innovative text is the up to date source for unique and compassionate ways of supporting and treating survivors The increased attention given to child sexual abuse in recent years has revealed how little we know about this tragedy The Handbook of Social Work in Child Adolescent Sexual Abuse is the practical compendium that covers the already existing information regarding violence against children and delves into practical methods for treating those immediately affected by it From its historical place in society to contemporary issues of prevention that have only recently come to light contributors examine essential details in depth and provide concise empirical directions for short and long term support Also included is the important and newly available assessment and treatment information focusing on ethnicity gender and comorbid influences as they relate to family member treatment Among the topics discussed in the Handbook of Social Work in Child Adolescent Sexual Abuse are historical views of and responses to sexual abuse risk and protective factors life stage consequences theories of family dysfunction comorbidity and attachment intrafamilial abuse the non family offender current empirical assessment methods approaches to treatment in children approaches to treatment in adolescents neurological effects of abuse treatment for the non offending caregiver the role of the internet and other media policy and practice implications the prevalence and consequences of abuse new methods of abuse prevention and child protection the etiology of sexual offending in an attachment framework and much more The Handbook of Social Work in Child Adolescent Sexual Abuse is an essential resource for educators medical practitioners psychologists psychiatrists social workers counselors family therapists and students researchers and academics in the field of social work
