Italian Fascism And Developmental:

Italian Fascism and Developmental Dictatorship A. James Gregor, 2014-07-14 Political scientists generally have been disposed to treat Italian Fascism if not generic fascism as an idiosyncratic episode in the special history of Europe James Gregor contends to the contrary that Italian Fascism has much in common with an inclusive class of developmental revolutionary regimes Originally published in 1980 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Italian Fascism and Developmental Dictatorship* Anthony James Gregor, 1979 Political scientists generally have been disposed to treat Italian Fascism if not generic fascism as an idiosyncratic episode in the special history of Europe James Gregor contends to the contrary that Italian Fascism has much in common with an inclusive class of developmental revolutionary regimes Originally published in 1980 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Italian Fascism Alexander J. De Grand, 2000-01-01 For the third edition De Grand has substantially revised the discussion of culture and ideology the conclusion and the bibliography BOOK JACKET

Interpretations of Fascism A. James Gregor, 2017-07-05 This volume constitutes a survey of social science efforts to explain the fascist phenomenon Attempts to adequately interpret fascism have involved an inordinate number of social researchers and historians for an inordinate amount of time over the past half century For all that we still find ourselves without a compelling account of the entire complex sequence Fascism constitutes a significant concern for students of contemporary politics To develop an intellectually defensible explanation of the nature origins and development of Italian Fascism and German Nazism remains a responsibility still outstanding *Interpretations of Fascism* provides a review of the efforts that have been made to date to interpret and explain the phenomenon It addresses itself specifically to those efforts undertaken to provide a social science explanation of Mussolini's Fascism Dealing with the special application of social science methods to a specific problem the book provides a special angle to examine this ubiquitous system in a comparable context The book should be useful for college courses in political theory comparative politics democracy and dictatorship economic and political change and modern European history The new edition is graced by a provocative lengthy new essay reviewing the literature from 1973 through 1996 As such it is an up to date examination of fascism in our times Professor

Gregor is careful to emphasize that fascist movements can thrive in confines far beyond Italy and Germany. It has found fertile soil from Russia to Africa. In short, Gregor argues that this makes fascism a movement that extends through political space no less than historical time. The documentation of the book is now very rich with a bibliographic review that can serve experts and generalists alike. Stanley G. Payne credits Gregor with clearing away useless obfuscatory theoretical debris, claiming that Gregor's book serves the study of fascist politics very well indeed. And Giuseppe Prezzolini introduced the Italian language edition by noting that *Interpretations of Fascism* is rich in information and scientifically precise in style, a reflection of an intelligence that operates beyond passions. **Agrarian Elites and Italian Fascism** Anthony L.

Cardoza, 2014-07-14 Treating the tumultuous period from 1901 to the late 1920s, this book describes social and political conflict in the cradle of agrarian fascism. Originally published in 1983, *The Princeton Legacy Library* uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Bibliography of European Economic and Social History Derek Howard Aldcroft, Richard Rodger, 1993 This bibliographical guide contains 10 000 references to the economic and social history of 30 European countries during the period 1700-1939. More than 3000 periodicals have been consulted to obtain references as well as books, edited collections and conference proceedings. The information is listed in categories such as industry, agriculture, finance, migration, labour, conditions, urban communities and organizations. Full publication details are included so that references may be located easily. **Historical Sociology and Eastern European Development** Arne Kjekshus, 2009-06-16 An innovator in

theoretical approaches in the social sciences, Stein Rokkan developed general models, developmental models and conceptual maps that specified the main variables and important relationships in European political history. In *Historical Sociology*, Arne Kjekshus tests these general hypotheses against specific historical and regional contexts. He uses the case of Eastern Europe after the downfall of the Berlin Wall to extend the geography of the model's range and introduces possibilities for theoretical modification through an analysis of sequential interactions. Covering a period from the Middle Ages through the 1990s and addressing phenomena overlooked by Rokkan such as statebuilding and nationalism, this book demonstrates that Rokkan's models continue to be relevant to modern political science and sociology. Kjekshus's study is a valuable contribution to Rokkanian approaches and the understanding of Eastern European development within the historical and geographic context of Europe as a whole. The Developmental State Meredith Woo-Cumings, 2019-06-30 Developmental state: the government motivated by desire for economic advancement intervenes in industrial affairs. The notion of the developmental state has come under attack in recent years. Critics charge that Japan's success in putting this notion into

practice has not been replicated elsewhere that the concept threatens the purity of freemarket economics and that its shortcomings have led to financial turmoil in Asia In this informative and thought provoking book a team of distinguished scholars revisits this notion to assess its continuing utility and establish a common vocabulary for debates on these issues Drawing on new political and economic theories and emphasizing recent events the authors examine the East Asian experience to show how the developmental state involves a combination of political bureaucratic and moneyed influences that shape economic life in the region Taking as its point of departure Chalmers Johnson s account of the Japanese developmental state the book explores the interplay of forces that have determined the structure of opportunity in the region The authors critically address the argument for centralized political involvement in industrial development with a new contribution by Johnson describe the historical impact of colonialism and the Cold War consider new ideas in economics and compare the experiences of East Asian countries with those of France Brazil Mexico and India **The Nationalist**

Dilemma Marvin Suesse,2023-05-11 Nationalists think about the economy Marvin Suesse argues and this thinking matters once nationalists hold political power Many nationalists seek to limit global exchange but others prioritise economic development The potential conflict between these two goals shapes nationalist policy making Drawing on historical case studies from thirty countries from the American Revolution to the rise of China this book paints a broad panorama of economic nationalism over the past 250 years It explains why such thinking has become influential despite the internal contradictions and chequered record of many nationalist policy makers At the root of economic nationalism s appeal is its ability to capitalise upon economic inequality both domestic and international These inequalities are reinforced by political factors such as empire building ethnic conflicts and financial crises This has given rise to powerful nationalist movements that have decisively shaped the global exchange of goods people and capital **Historical Dictionary of Modern Italy**

Mark Gilbert,Robert K. Nilsson,2007-09-19 Italy is a country that exercises a hold on the imagination of people all over the world Its long history has left an inexhaustible treasure chest of cultural achievement The historic cities of Rome Florence and Venice are among the most sought after destinations in the world for tourists and art lovers and Italy s natural beauty and cuisine are rightly renowned Italy s history and politics are also a source of endless fascination Modern Italy has consistently been a political laboratory for the rest of Europe In the 19th century Italian patriotism was of crucial importance in the struggle against the absolute governments reintroduced after the Congress of Vienna 1814 15 After the fall of Fascism during World War II Italy became a model of rapid economic development though its politics has never been less than contentious and its democracy has remained a troubled one The second edition of Historical Dictionary of Modern Italy is an attempt to introduce the key personalities events social developments and cultural achievements of Italy since the beginning of the 19th century when Italy first began to emerge as something more than a geographical entity and national feeling began to grow This is done through a chronology a list of acronyms and abbreviations an introductory essay a map a

bibliography and some 400 cross referenced dictionary entries on prominent individuals basic institutions crucial events history politics economics society and culture *The A to Z of Modern Italy* Mark Gilbert,Robert K. Nilsson,2010-04-20 Italy is a country that exercises a hold on the imagination of people all over the world Its long history has left an inexhaustible treasure chest of cultural achievement The historic cities of Rome Florence and Venice are among the most sought after destinations in the world for tourists and art lovers and Italy s natural beauty and cuisine are rightly renowned Italy s history and politics are also a source of endless fascination Modern Italy has consistently been a political laboratory for the rest of Europe In the 19th century Italian patriotism was of crucial importance in the struggle against the absolute governments reintroduced after the Congress of Vienna 1814 15 After the fall of Fascism during World War II Italy became a model of rapid economic development though its politics has never been less than contentious and its democracy has remained a troubled one The A to Z of Modern Italy is an attempt to introduce the key personalities events social developments and cultural achievements of Italy since the beginning of the 19th century when Italy first began to emerge as something more than a geographical entity and national feeling began to grow This is done through a chronology a list of acronyms and abbreviations an introductory essay a map a bibliography and some 400 cross referenced dictionary entries on prominent individuals basic institutions crucial events history politics economics society and culture *The Routledge Companion to Fascism and the Far Right* Peter Davies,Derek Lynch,2005-08-16 The Routledge Companion to Fascism and the Far Right is an engaging and accessible guide to the origins of fascism the main facets of the ideology and the reality of fascist government around the world In a clear and simple manner this book illustrates the main features of the subject using chronologies maps glossaries and biographies of key individuals As well as the key examples of Hitler s Germany and Mussolini s Italy this book also draws on extreme right wing movements in Latin America Eastern Europe and the Far East In a series of original essays the authors explain the complex topics including the roots of fascism fascist ideology fascism in government and opposition nation and race in fascism fascism and society fascism and economics fascism and diplomacy

The Belgian Congo as a Developmental State Emizet François Kisangani,2022-08-31 This book challenges assumptions that poor post colonial economic performance is always a direct product of colonialism by reconsidering the Belgian Congo 1908 1959 as a developmental state The book demonstrates that despite the colonial system s economic exploitation and extraction brutality excessive taxation and inequities the Belgian Congo achieved successes in developing the economy in a short period of time The Belgian Congo was able to achieve this by investing its higher rates of fiscal revenue in political stability physical infrastructure education and healthcare By reconsidering the Belgian colonial state as a developmental state this book encourages scholars to adopt a more nuanced analysis of African history Considering state capacity and state autonomy as key features of a developmental state the book demonstrates that colonial state managers in the Belgian Congo were able to supply these public goods that sustained economic growth for decades Whilst by no means

glorifying colonialism or the atrocities that were conducted during the Belgian occupation the book nonetheless outlines how different forms of capitalism were deployed to further economic development in the country In contrast predatory state managers of the Congo Free State 1885 1908 and post colonial kleptocrats 1960 2018 have squandered Congo's natural resources with disastrous economic and social consequences Contrasting the Belgian Congo with colonies of settlement and other colonies of extraction this book encourages researchers and students to reconsider the dominant narratives within colonial history development and African Studies

Japan in the Fascist Era E. Reynolds, 2004-07-15 In contrast to Eurocentric works on comparative fascism that set Japan apart from Germany and Italy this book emphasizes parallels between Japan and its Axis Allies Romantic nationalist ideologies attracted a strong following in all three nations as they emerged as modern states in the late 1800s In both Germany and Japan these were from the beginning strongly racial in nature Spurred by grievances against the status quo powers all three took up aggressive policies in the 1930s producing a short lived fascist era Japan's prominent role demands a broader perspective and consideration of fascism as more than a purely European phenomenon

Vietnam's Development Strategies Pietro Masina, 2006-09-27 This book presents a critical review of the Vietnamese reform process and analyses the most crucial issues in the post Asian crisis debate arguing that a wider debate is needed in order for national policy makers to make well informed decisions

International Development Governance Ahmed Shafiqul Huque, Habib Zafarullah, 2017-09-25 The establishment of good governance is a major challenge for the developing world along with the need to sustain the progress resulting from developmental efforts Although there are numerous studies on the development and governance of emerging nations few volumes make a serious effort to bring together these two critical concepts International Development Governance combines the two concepts development and governance by examining the issues and problems faced by nations in their attempts to establish sustainable governance This textbook also initiates discussions on the concept of development governance in an international context The book fills the gap in existing literature by drawing upon the experience and expertise of scholars from a broad spectrum of knowledge Their views explain the issues and problems with reference to a number of tools that could establish development governance and sustain it The text offers in depth examinations of developmental sectors resulting in a textbook that will inspire future public officials policy makers and consultants to contribute to the betterment of life for citizens of developing countries

Marxism and the Making of China J. Gregor, 2014-02-19 An assessment of the influence of the Marxism of Karl Marx and Friedrich Engels on revolutionary developments in China The work covers the period from the first appearance of the Chinese Communist Party under Mao Zedong until its full transformation by Deng Xiaoping into a nationalist developmental single party developmental dictatorship

Development Aid and Sustainable Economic Growth in Africa Simone Raudino, 2016-11-25 This book offers an original analysis of the long term impact of western and Chinese economic and development cooperation policies in Africa It argues that western Official Development Assistance

ODA has failed to create viable and autonomous economies in beneficiary countries not only because of corruption inefficiencies and cultural differences but because it was never meant to do so Raudino demonstrates rather that it was always designed to provide relief measures and nurture political relations rather than create genuinely industrialized and self reliant economies Similarly by analyzing the nature of Chinese economic investments in Africa the author shows that China s governmental policies hardly represent a revolutionary departure from the cooperation standards set by the West In making these observations he also taps into the broader question of why wealth continues to be generated unequally across the world Based on extensive fieldwork quantitative economic analysis and historical qualitative research this thought provoking work will appeal to students and scholars of politics economics and development studies as well as to those involved more directly in the aid process

The Chinese Blue Shirt Society Maria Hsia Chang,1985 Fascism: The nature of fascism Roger Griffin,Matthew Feldman,2004

The nature of fascism has been hotly contested by scholars since the term was first coined by Mussolini in 1919 However for the first time since Italian fascism appeared there is now a significant degree of consensus amongst scholars about how to approach the generic term namely as a revolutionary form of ultra nationalism Seen from this perspective all forms of fascism have three common features anticonservatism a myth of ethnic or national renewal and a conception of a nation in crisis This collection includes articles that show this new consensus which is inevitably contested as well as making available material which relates to aspects of fascism independently of any sort of consensus and also covering fascism of the inter and post war periods This is a comprehensive selection of texts reflecting both the extreme multi faceted nature of fascism as a phenomenon and the extraordinary divergence of interpretations of fascism

Italian Fascism And Developmental Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Italian Fascism And Developmental PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Italian Fascism And Developmental PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Italian Fascism And Developmental free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Italian Fascism And Developmental Books

1. Where can I buy Italian Fascism And Developmental books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
