Hirschhorn,2010-03-18 The Export Control and Embargo Handbook Third Edition is a thorough and informative text covering the principal U S export control and embargo regimes Eric L Hirschhorn a renowned expert in the field provides analysis of regulations sanctions embargoes statutes and civil and criminal penalties This third edition reflects all recent legislative and regulative changes      **United States Export Controls** John R. Liebman,Roszel Cathcart Thomsen,James E. Bartlett,2011-11-22 There should be no question in the mind of any exporter about the government's intention to enforce applicable legislation and regulations The penalties imposed by export laws and regulations are severe Violations often lead to heavy fines and in serious cases to debarment from contracting with the U S Government and possibly imprisonment Additionally the privilege of exporting can be withdrawn from firms or individuals who have violated the regulations either for specified periods or indefinitely Ample resources are devoted by the government to the detection and prosecution of violators The Departments of Defense Commerce Homeland Security Justice and the several intelligence agencies cooperate in this endeavor Knowing and willful violations receive of course the heaviest sanctions but unintentional violations are by no means exempt from penalties Parties to an

export transaction are expected to know and comply with the regulations United States Export Controls Sixth Edition provides a reference to which exporters and those who work closely with them can refer in their daily business operations in order to comply with the myriad export rules and regulations. Thorough knowledge of the regulations is essential in finding practical solutions to export licensing problems related to specific transactions in formulating export marketing plans to minimize the impact of controls and in the organizing company resources to deal correctly and efficiently with both the legal requirements and the day to day operational demands of the export control regulations.
