Its Not The Same Without You Coming Home To The Catholic Church:

It's Not the Same Without You Mitch Finley, 2014-01-01 In a heartfelt invitation to lapsed or estranged Catholics Mitch Finley takes a realistic look at the reasons people feel alienated and proposes ways to overcome the anger bitterness and resentment so that they may return Sixty million people in the United States claim a Catholic identity The next largest group approximately nine million is made up of people who are fallen away Catholics Mitch Finley addresses this audience as well as parents struggling with the almost inevitable teenage rebellion against religion Finley examines a wide variety of reasons Catholics choose to leave the Church treating each one in a fair minded way He recounts dozens of true stories about people who left and returned a few about those who have yet to return and candidly acknowledges that many perhaps most active Catholics experience periods of estrangement Asking forgiveness on behalf of the Church for the ways lapsed Catholics may have been hurt by the institution or its official representatives he also reminds readers that forgiveness needs to go both ways Encouraging Catholics to begin a new relationship with their religion Finley suggests ways to become part of a parish once more He also discusses the Church s obligations to those who have left highlighting successful outreach programs In guiding readers along the path from alienation to reconciliation Finley shows that there are good reasons for coming home again Oil on the Wounds Father Livio Melina, Carl Anderson, 2013-03-14 Although it is not always recognized the damage

left by a divorce or an abortion can be devastating These actions have not only physical consequences but psychological and spiritual ones as well No individual or family comes out of either experience unharmed Recently the Pontifical John Paul II Institute s International Congress comprised of the world s foremost experts in each field was held to discuss the suffering of people who have been affected by these acts and the ways in which their lingering pain should be approached and relieved The findings of this symposium compiled by leading authorities Carl Anderson and Father Livio Melina form the basis of Oil on the Wounds A Response to the Aftermath of Divorce and Abortion The book is divided into two sections The first section deals with the aftermath of divorce its long term effects on the social lives of children and the ways in which the Church can offer compassion and counsel to those affected The second section addresses the issue of abortion the pain that results from ending a pregnancy and what the Church s role should be in the alleviation of that pain The text relies on sociological and psychological perspectives to illuminate these wounds and suggests both practical and spiritual methods of healing Inspired by the biblical story of the Good Samaritan this volume asks us to recognize the profound torment left in the wake of divorce and abortion It urges us to act accordingly in the face of these ordeals to shoulder the burden of the tormented in an attempt to one day alleviate their suffering by the grace of God Ultimately this collection of essays is meant to create a dialogue promote recognition of those psychologically and spiritually harmed by divorce or abortion and explore our duty to listen to these victims and like the Good Samaritan bandage their wounds This book is for laymen professionals and clergy who seek to understand the issues not only from a religious point of view but also from a human perspective Prayers of the Faithful
