Its Time For Thanksgiving:

A Time to Love Billie Cantrell McNabb Maguire, 2011-11-01 It was an age of innocence and sometimes ignorance I want to memorialize what a wonderful era it was in which to be a child and to grow old It began as a chronological biography but that was not the way life is lived Stuff happens and reappears appears and disappears changes and remains the same Thus my memories and emotions became a haphazard collection of short sketches and stories Early on the decision was made to mainly include the good stuff We begin this saga with my grandmother Jenny s story the matriarch of the clan Jenny Cantrell was born October 29 1858 in a farmhouse near Red Sulphur Springs She is one half of a set of twin daughters born to James and Elizabeth Ratliff Mrs Cantrell grew up on a farm in Mercer County near Littleburg One year a young Charlestonian James M Cantrell came to Mercer County to take an interest in the mines They fell in love and at 16 years of age Jenny Ratliff became his bride

And so It Is! Albert F. Schmid, 2012-05-02 And So It Is presents a collection of sermons memories and short stories written by Albert Schmid displaced midwesterner and recently ordained minister of the First Baptist Church of East Greenwich Rhode Island The central theme of Pastor Schmid s first book is to remind us that God is love a fact that we certainly need to acknowledge This inspiring volume is a repository of memories a cornucopia of short stories poems sermons and devotionals that remind us that we are Christ s ambassadors and God expects each of us to live and act as though He is making His appeal through us And how do we do that Remember the best sermons are lived not preached Because he visits nursing homes and shut ins as part of his ministry several of the stories he shares here are from the devotionals he uses during those visits Whether talking about the meaning of Advent or recounting the story of Jabez Pastor Schmid inspires with his sermons and stories He makes them personal and anyone may be enriched by his interpretations of these timeless stories and Christian traditions And So It Is seeks to teach as well as inspire all who discover the treasures included within

A Feast of Gratitude Pasquale De Marco, 2025-07-11 In a world where gratitude is often forgotten this heartwarming story reminds us of the true meaning of Thanksgiving Join Lily as she discovers the magic of gratitude and learns to appreciate the simple things in life Lily is a young girl who has always taken everything for granted She never stops to appreciate the food on her table the roof over her head or the love of her family But when her grandmother falls ill Lily is forced to see the world in a new light As she spends time with her grandmother Lily learns about the importance of gratitude She learns that gratitude is not just about saying thank you but about truly appreciating the people and things in our lives She learns that gratitude can change our perspective on life and make us happier and more content With her grandmother's guidance Lily begins to practice gratitude in her own life She starts by keeping a gratitude journal where she writes down three things she is grateful for each day She also starts to express her gratitude to the people in her life both big and small At first it is difficult for Lily to change her ways She is so used to taking things for granted that it is hard for her to see the good in her life But over time she begins to see the world in a new light She starts to appreciate the beauty of nature the kindness of her friends and family and the simple pleasures of life As Lily learns to be more grateful she becomes a happier and more content person She is no longer focused on the things she doesn't have Instead she is grateful for the things she does have And she is determined to make the most of every moment This heartwarming story is a reminder that gratitude is the key to a happy and fulfilling life When we are grateful we appreciate the people and things in our lives more We are more content with what we have and we are more

 food has been part of motion pictures since the silent era for the most part it has been treated with about as much respect as
 movie extras it s always been there on the screen but seldom noticed For the most part filmmakers have settled on three
 basic ways to treat food as a prop in which the food is usually obscured from sight or ignored by the actors as a transition
 device to compress time and help advance the plot as a symbol or metaphor or in some other meaningful way to make a
 dramatic point or to reveal an aspect of an actor s character mood or thought process This hugely expanded and revised
 edition details 400 food scenes in addition to the 400 films reviewed for the first edition and an introduction tracing the
