Women who Kept the Lights Mary Louise Clifford, J. Candace Clifford, 2003-06 Hundreds of American women have kept the lamps burning in lighthouses since Hannah Thomas tended Gurnet Point Light in Plymouth Massachusetts while her husband was away fighting in the War for Independence Women Who Kept the Lights details the careers of 32 intrepid women who were official keepers of light stations on the Atlantic Gulf and Pacific Coasts on Lake Champlain and the Great Lakes staying at their posts for periods ranging from a few years to half a century Most of these women served in the nineteenth century when the keeper lit a number of lamps in the tower at dusk replenished their fuel or replaced them at midnight and every morning polished the lamps and lanterns to keep their lights shining brightly Several of these stalwart women were commended for their courage in remaining at their posts through severe storms and hurricanes A few went to the rescue of seamen when ships capsized or were wrecked Their varied stories paint a multifaceted picture of a unique profession in our maritime history Courage Like Kate Anna Crowley Redding, 2022-08-16 An inspiring and beautifully illustrated picture book biography based on the life of Kate Moore a twelve year old lighthouse keeper in the 19th century who saved the lives of twenty three sailors With an evocative text and stunning illustrations travel back to the stormy rocky shores of 19th century Connecticut and meet an unforgettable heroine at a time when girls were considered anything but Fayerweather Island had seen blustery blizzards and rip roaring tides but it had never seen a pint sized hurricane until Kate

Moore claimed that tiny island as her own Little Kate was supposed to be the lighthouse keeper's daughter but she thought of herself as Papa's assistant The thirty three spiraling lighthouse stairs finally took a toll on Papa's body and so twelve year old Kate stepped up Over the years she kept the flame lit to guide ships to safety listened for cries for help and time and again pulled men to safety twenty three of them in all At the age of forty seven Kate received word she had been named the official lighthouse keeper of Fayerweather Island This girl power picture book introduces a small heroine who with her can do attitude and incredible spirit is sure to inspire Ida Lewis' First Rescue Cullen Gwin, 2016-04-07 It was a cold day in October 1858 It had been warm for many days Then it turned cool There was a breeze blowing across the water Eighteen year old Ida Lewis stared out across the sea She loved living on Lime Rock Her father was the keeper of the Lime Rock Lighthouse Now Ida did the keeper's jobs She climbed the stairs each night She took care of the lamps in the tower She also kept watch out to sea As she was making supper she looked out the window There were lots of waves on the sea They were getting higher Suddenly Ida saw something in the water It was a small sailboat There were three boys sitting in the boat Another boy was up on the mast of the boat The boat was rocking back and forth If it turned in the water it would be in trouble The waves would hit it on the side That would knock it over If the mast swung too far to the side water would get in the boat It could turn over It could sink A moment later it happened The boat turned on its side The boys were thrown into the water Find out how Ida saves the boys from the boat in this exciting 15 minute book Ages 7 and up Reading level 2 5 This book is part of our Heroes in History series These 15 minute books focus on a specific moment in a historic person s life Aimed at second graders they provide the perfect introduction to famous Americans in an exciting fun to read way LearningIsland com believes in the value of children practicing reading for 15 minutes every day Our 15 Minute Books give children lots of fun exciting choices to read from classic stories to mysteries to books of knowledge Many books are appropriate for hi lo readers Open the world of reading to a child by having them read for 15 minutes a day Fixed White <u>Light</u> Suellen Wedmore, 2022-09-01 In the last half of the nineteenth century more than one hundred women worked as primary keepers of American lighthouses Twice as many were assistant keepers and many more worked without pay or recognition in their husband s or their father s names this at a time when it was widely believed that the ideal woman was submissive and homebound The poems in A Fixed White Light enter the lives of six of these courageous and mostly forgotten women giving readers the opportunity to experience their heroism as well as their trials in a time when they were often met with skepticism and discrimination Women of the Lights Candace Fleming, 1996 Chronicles the lives of women who lived and worked in lighthouses braving seas and storms rescuing people from icy waters and lovingly caring for their lights

**Guiding Lights** Shona Riddell,2020-10-01 Women have a long history of keeping the lights burning from tending ancient altar flames or bonfires to modern day lighthouse keeping Yet most of their stories are little known Guiding Lights includes true stories from around the world chronicling the lives of the extraordinary women who mind the world s storm battered

towers From Hannah Sutton and her partner Grant the two caretakers living alone on Tasmania s wild Maatsuyker Island to Karen Zacharuk the keeper in charge of Cape Beale on Canada s Vancouver Island where bears cougars and wolves roam the lives of lighthouse women are not for the faint of heart Stunning photographs from throughout history accompany accounts of the dramatic torching of Puysegur Point one of NZ s most inhospitable lighthouses haunted lighthouses in across the US and their tragic tales lighthouse accidents and emergencies around the world and two of the world s most legendary lighthouse women Ida Lewis US and Grace Darling UK who risked their lives to save others The book also explores our dual perception of lighthouses are they comforting and romantic beacons symbolizing hope and trust or storm lashed and forbidding towers with echoes of lonely mad keepers Whatever our perception stories of women s courage and dedication in minding the lights then and now continue to capture our imagination and inspire The Lighthouse Keeper's Daughter Anonymous, Amanda Epstein, 1985 The Lighthouse Keeper's Daughter Arielle North Olson, 1987 When her father s return to a Maine lighthouse is delayed by a severe storm Miranda must keep the light going despite brutal weather and her own illness Portrait of Ida Lewis, 1882
