Lighting Way Ascension Thoughts Journey:

The path back to the essence: from Hades to the inner light Ari El Luzi, 2025-07-16 This book is an invitation a call to those who dare to look within beyond the superficialities and illusions that inhabit the fallen mind In it I propose a journey through the cycles of the soul ancient and eternal paths that lead to the deepest essence of being Where chaos and Hades will undoubtedly be part of the journey It s not an easy path Each stage reveals challenges trials and sacrifices that seem to tear at our constructed identity the mask we wear to survive in the world needs to be destroyed But it is precisely in this painful process that the seed of true transformation lies the encounter with the light that promises not escape but revelation the decision to remain even when the pain seems unbearable The mysteries revealed here are not mere theories or philosophies but protocols of a lived experience a method that demands courage and humility detachment and surrender It is the call to awakened consciousness to the rebirth of the soul that chooses the narrow path rejecting vanities and aligning itself with its original purpose If you are willing to pass through the narrow gates face the inner underworld and recognize the true guidance within this book will be your faithful companion May it illuminate your path and strengthen your discipleship with the living Truth Welcome to the journey

The Secrets of the Manuscript of Enoch Like Cattle Reginaldo Terron , 2024-09-02 The Consequences of Arrogance in Social Interactions A Spiritual Analysis That Addresses Many Conflicts and Problems Faced by a Constituted Society I consider this

book one of the best I have ever written This is natural as experiences accumulate and we grow in awareness I am increasingly convinced of the truths that the old prophet presents in his manuscript I can analyze and draw a parallel between the past and the present between the past and the future I have observed how history repeats itself in a recurring cycle making it timeless Perversity has always existed within the heart of society with a dominant elite exerting power over the masses rendering them submissive I am not a sociologist nor am I well versed in this field of knowledge However I have no doubt that Enoch s manuscript provides us with much information about the phenomena that guide the construction of a society and its evils And when we look behind the scenes of the society in which we live not only in the present but also within a historical context we can clearly see that this phenomenon repeats itself a society contaminated by arrogance
