

A black and white photograph of a stone path leading through a park. The path is made of large, rectangular stones and leads towards a background of trees and a stone wall. On either side of the path are park benches with curved metal frames. The trees are mostly bare, suggesting a late autumn or winter setting. The overall mood is quiet and contemplative.

## **Like Life Lorrie Moore:**

*Like Life* Lorrie Moore, 2012-03-07 From the national bestselling author of *Birds of America* comes a brilliant collection. The Philadelphia Inquirer of eight exquisite stories of men and women stumbling through their daily existence. In *Like Life* Lorrie Moore's men and women unsettled and adrift and often frightened can't quite understand how they arrived at their present situations. Harry has been reworking a play for years in his apartment near Times Square in New York. Jane is biding her time at a cheese shop in a Midwest mall. Dennis unhappily divorced buries himself in self-help books about healthful food and healthy relationships. One prefers to speak on the phone rather than face his friends; another lets the answering machine do all the talking. But whether rejected, afraid to commit, bored, disillusioned, or just misunderstood, even the most hard-bitten are not without some abiding trust in love. *Like Life* Lorrie Moore, 2010 In this brilliant collection of stories, Lorrie Moore addresses herself to a contemporary emotional dilemma: the widening gulf between men and women and the simultaneous yearning for and fear of closeness. *A Study Guide for Lorrie Moore's "You're Ugly, Too"* Gale, Cengage Learning,

*Understanding Lorrie Moore* Alison Kelly, 2009 The first book-length critical approach to the fiction of the award-winning author of *Birds of America*. *Understanding Lorrie Moore* is a comprehensive companion to the works of this wickedly humorous writer whose fiction shows a deep sensitivity to the dynamics of contemporary gender relations and an abiding interest in portraying and critiquing the American national character. The recipient of the 1998 O. Henry Award and the 2004 Rea Award for the Short Story, Lorrie Moore is best known for her short fiction. Alison Kelly shows that Moore's virtuosic prose, wry humor, and sense of irony are tools for registering how Americans face the discomfort of their daily lives as individuals and as a nation. Kelly traces Moore's emergence as a writer in the 1980s and her artistic development up to the present day, illuminating the distinctive narrative methods, aesthetics, and thematic preoccupations of Moore's major works. Kelly follows Moore's recurrent characters, situations, metaphors, and motifs in order to promote understanding of the texts and appreciation for their wordplay, wit, and imagery. Viewing her subject as a subtly political writer, Kelly discusses Moore's major themes, techniques, and stylistics as evidence that her characters' private pains are symptomatic of a wider national malaise. *The Collected Stories of Lorrie Moore* Lorrie Moore, 2008 A wonderful new collection from one of the most acclaimed and influential writers of her generation. *Birds of America* Lorrie Moore, 1999-09-23 A National Book Critics Circle Award Finalist, A New York Times Editors' Choice, A Publishers Weekly Best Book of the Year, *Birds of America* is a stunning collection of twelve stories by Lorrie Moore, one of our finest authors at work today. With her characteristic wit and piercing intelligence, she unfolds a series of portraits of the lost and unsettled of America, and with a trademark humor that fuels each story with pathos and understanding. *A Reader's Companion to the Short Story in English* Erin Fallon, R.C. Feddersen, James Kurtzleben, Maurice A. Lee, Susan Rochette-Crawley, 2013-10-31 Although the short story has existed in various forms for centuries, it has particularly flourished during the last hundred years. *Reader's Companion to the Short*

Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world. Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works. Each entry is written by an expert contributor and includes biography, a review of existing criticism, a lengthier analysis of specific works, and a selected bibliography of primary and secondary sources. The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory.

*The ^APleasures of Babel* Jay Clayton, 1993-12-02. *The Pleasures of Babel* acquaints the layperson and the expert alike with the creative and intellectual achievements of America's multicultural society. Arguing that the present is a great period of writing, Jay Clayton relates novels from the seventies, eighties, and nineties to the latest developments in literary theory. He offers a lucid, cutting-edge look at the often stormy relationship between contemporary literature and criticism. Avoiding theoretical jargon, Clayton systematically sets out to make sense of the critical movements of the last two decades: deconstruction, psychoanalysis, minority writing, multiculturalism, and feminism. In the course of clarifying the accomplishments of Barthes, Kristeva, Lyotard, Said, and others, the author discusses some of America's most prominent writers of fiction: Saul Bellow, Sandra Cisneros, E. L. Doctorow, Toni Morrison, and many others. The result successfully weds a layperson's guide to recent criticism with a scholarly application of that criticism to the very works it concerns. In light of the current debates being waged over the canon and multiculturalism, *The Pleasures of Babel* should prove an indispensable tool for those engaged in the practice of literary criticism, as well as anyone concerned with the way in which narrative interacts with society.

*Kiss The Sunset Pig* Laurie Gough, 2006-05-09. In this lyrical, poetic, and charmingly funny book, Laurie Gough drives from Ontario to California, reflecting on a life spent travelling in search of new experiences and familiar sensations. Heading towards a half-remembered cave on the Pacific coast where her younger, more adventurous self once stayed, she recalls adventures in Sumatra, the Yukon, and many places in between, and wonders what compels her to keep moving through life while everyone else has found a place to belong.
