The Pope Moves to Manyberries Alan Donnell, 2023-10-26 The Pope walks out of the Vatican and into the rest of the world He quickly becomes more famous than he ever was and sightings of the Pope are reported across the globe including The Last Ranchman bar in Manyberries a village in the lower righthand corner of Alberta As the Pope sits alone looking like a broken down cowboy in a neon JESUS SAVES T shirt and dunking fries in beer the barroom regulars debate if he's really the pontiff With 97.3 percent of Manyberries population of 75 in agreement that the man in the bar is the Pope the expected boost in tourism fails to materialize Instead there is a series of strange events infidelity murder spontaneous human combustion until the pontiff is found on top of the town's grain elevator with arms outstretched as if he's gathering in the world At the end of Civilization itself as the locals call Manyberries almost anything can and does happen Block Broderick

Crawford III tells this surreal tale of a handful of quirky residents whose lives are turned upside down or right side up by the Pope's presence. Block shares his own story alongside the town's and its motley crew of characters and historic figures from the inventor of the sex box Wilhelm Reich to Ordinarius Professor Kaspar Heisenberg, father of the father of the Heisenberg Uncertainty Principle. Although Block is heartbroken by his sometime girlfriend Genevieve La Guadeloupe, who is found lying on top of the Pope in a field during a summer snowstorm and ponders the foibles of human existence, he continues to search for meaning in an increasingly irrational world. Absurdist yet hopeful, *The Pope Moves to Manyberries* is a spirited satire that will appeal to the guileless and jaded alike.

The Hanging Tree Bryan Gruley, 2010-08-03 WHEN GRACIE McBRIDE the wild girl who had left town eighteen years earlier is found dead in an apparent suicide shortly after her homecoming, it sends shock waves through her native Starvation Lake. Gus Carpenter, executive editor of the Pine County Pilot, sets out to solve the mystery with the help of his old flame and now girlfriend, Pine County sheriff deputy Darlene Esper. As Gus and Darlene investigate, they can't help but question if Gracie's troubled life really ended in suicide or if the suspicious crime scene evidence adds up to murder. But in such a small town, it's impossible to be an impartial investigator. Gracie was Gus's second cousin, Darlene's best friend, and the lover of Gus's oldest pal Soupy Campbell. Yet with all the bad blood between Gus and Gracie over the years, Gus is easily distracted by other problems. His employer is trying to push him out; the locals are annoyed that his stories have halted construction on a new hockey rink; and Darlene's estranged husband has returned to reclaim his wife. When Gus tries to retrace Gracie's steps to discover what happened to her in the eighteen years she was away from Starvation Lake, he's forced to return to Detroit, the scene of his humiliating past. And though he's determined to find out what drove Gracie back home, Gus is unprepared for the terrible secrets he uncovers.

The second book in Bryan Gruley's irresistible Starvation Lake series, *The Hanging Tree*, is a compelling story about family and friendship, sex and violence, and the failure of love to make everything right.

[Some Kind of Remedy](#) Alissa Dwyer, 2012-04 Young and naive Alice Einsam lands in Wisconsin with her mistrusting family and has to go through the hardships of a new high school. Finding love within this wrong setting, as she was warned about by her best friend Bucky Coleowski, she finds herself on a twisted path of love, hate, fighting secrets, confusion, and a conclusion of a murder that was destined to begin with. As the walls around her crumble, she soon realizes too late of the ones who are most important while trapped in the hands of another.
