This is a book for the Don't Knows for the people so confused by the God No God controversy that they have mostly stopped caring. With the odds at fifty-fifty, what difference does it make how we place our bets? What happens if we choose the wrong option, whichever it is? PLOUGH YOUR MIND Dr Anuruti Rai,2022-01-10

We have known about the powers of the human mind forever, but what makes it impossible to make full use of them? The hardest battle to win in the journey of self transformation is against your pre-programmed mind. Plough your mind: takes you through a journey of self exploration paralleling a simple example of ploughing the field which is bound to etch your mind to break your old distracting self image and start afresh to understand your being and mind. In these pages you will learn about the limitless tiny world encased in your head, limited in the real world by three balancing factors from nature: TIME, ENERGY and CONSCIOUSNESS. It is by creating a delicate balance among these three that you can revolutionize the functioning of your mind machinery by challenging the only person holding you back: YOU.

Dr Anuruti Rai is a medical Professor who has contributed extensively to the world of literature with publications appearing in many International Medical Journals. She is the founder of Dentamed, a leading behavior research, education, mental health, human behaviour and life improvement. Do you trust the voice in your head? Our brains are remarkable. They subconsciously translate the events around us into meaningful storylines that inform what we think and how we live. The problem is the stories our minds feed us as facts aren't always true. Worse, these stories turn into false beliefs about others, the world, and ourselves that keep us from our true potential. These limiting beliefs confront us all. But what if you could harness your brain's operating system to tell a new story? Not just any story. A true story that empowers you to overcome limitations and surpass your goals. Drawing upon the latest insights in performance psychology, neuroscience, and cognitive science, as well as case studies from their own clients, New York Times bestselling author Michael Hyatt and Megan Hyatt Miller outline a framework anyone can follow to test their own assumptions and start living better, truer stories that shape superior outcomes in business and life. Ultrahuman Steve Madison,2020-10-12

The Ultrahuman is coming. The Ultrahuman is a member of a higher community. The Ultrahuman is our destiny. The Ultrahuman is the ordinary human's designated replacement. Everything is about to change. The greatest and final paradigm shift is coming. The Ultrahuman is the being associated with this final phase when humanity starts to understand its own divinity. The medieval eschatologist Joachim of Fiore spoke of three great Ages: 1 The Age of the Father, the Old Testament; 2 The Age of the Son, the New Testament; 3 The Age of the Holy Spirit, the Highest Testament. In this final phase, the Noosphere will merge with the Omega Point. The Ultrahuman is the being for the Third and Final Age. Are you ready to fulfill your destiny? It's time to take the next
