If you listen closely you can hear the strains of alabados in the background blended with *Europa* by Carlos Santana. Dr Theresa Martinez, Associate Professor of Sociology at the University of Utah *Rock'n'Roll's Strangest Moments* Mike Evans, 2014-03-28 Rock music since its pre history in blues country music and 40s and early 50s pop through to the well publicised excesses of touring bands of today has left a legacy of thousands of weird and wonderful stories in its wake. We've all read about the Who's Keith Moon driving a Rolls Royce into a hotel swimming pool but far more bizarre tales of on the road mayhem have never been widely told. Likewise Svengali like managers have manipulated starstruck musicians since rock began though hanging your well known client from a third floor window was a less usual way of ensuring their loyalty. And just where was the stalled hotel lift in which all four Beatles according to legend were turned on to marijuana? There are the unsung heroes of rock, pioneering eccentrics who helped make the music what it is and ended up as mere footnotes in the history books. Men such as UK producer Joe Meek who created seminal classics from a bed sit above a cleaners on the Holloway Road and the New York DJ who originally coined the phrase rock n roll and died in alcoholic poverty. Not to mention the stories behind the stars when Debbie Harry was a Playboy Bunny. Paul Simon wrote *Homeward Bound* on Widnes railway station in Lancashire and the Gallagher brothers so they claim were petty thieves **The Encyclopedia of Dead Rock Stars** Jeremy Simmonds, 2012 First published by the Penguin Group London as Number one in Heaven the heroes who died for rock n roll **Bonnie Raitt** Mark Bego, 2002-12-26 This is the in depth biography of Bonnie Raitt the Grammy Award winning musician whose career rocketed up in the 1970s stalled in the 1980s and resurged in the 1990s. Bego reveals how the Quaker daughter of Broadway

musical star John Raitt and an accomplished pianist Marjorie became acquainted with the emerging folk and protest music that swept the country during her adolescence he charts her swift transformation from a serious student at Radcliffe to full time blues singer her dependence on alcohol and subsequent recovery her marriage to actor Michael O Keefe and the huge mainstream success of her watershed album Nick of Time Furthermore Bego details her collaborations with the rhythm and blues greats her recent activism with the Rhythm and Blues Foundation and her ongoing struggles with an often chauvinistic music industry
