**Palliative Care** Roderick Duncan MacLeod,Lieve Van den Block,2025-02-25 This second edition provides the most up to date information on all aspects of palliative care including recent developments including COVID 19 global policies service provision symptom management professional aspects organization of services palliative care for specific populations palliative care emergencies ethical issues in palliative care research in palliative care public health approaches and financial aspects of care This new Textbook of Palliative Care remains a unique comprehensive clinically relevant and state of the art

book aimed at advancing palliative care as a science a clinical practice and as an art Palliative care has been part of healthcare for over fifty years but it still needs to explained to many Healthcare education and training has been slow to recognize the vital importance of ensuring that all practitioners have a good understanding of what is involved in the care of people with serious or advanced illnesses and their families However the science of palliative care is advancing and this new edition will contribute to a better understanding This new edition offers 86 updated or new chapters out of 108 written by experts in their given fields providing up to date information on a wide range of topics of relevance to those providing care towards the end of life no matter what the disease may be We present a global perspective on contemporary and classic issues in palliative care with authors from a wide range of disciplines involved in this essential aspect of care The Textbook includes sections addressing aspects such as symptom management and care provision organization of care in different settings care in specific disease groups palliative care emergencies ethics public health approaches and research in palliative care This new Textbook will be of value to practitioners in all disciplines and professions where the care of people approaching death is important specialists as well as non specialists in any setting where people with serious advanced illnesses are residing It is also an important resource for researchers policy and decision makers at national or regional levels Neither the science nor the art of palliative care will stand still so the Editors and contributors from all over the world aim to keep this Textbook updated so that the reader can find new evidence and approaches to care

*Between Worlds* Yasna Bozhkova, 2022-07-07 This book provides a new critical reappraisal of the work of modernist writer and artist Mina Loy Primarily known for her daring and difficult poems Loy was also the author of a dazzling variety of other literary and visual artworks in different genres and media My reading demonstrates the richness and complexity of her work beyond the more often explored path from Futurism to Dada to Surrealism emphasizing the importance of her perpetual travel between disparate aesthetics Engaging in a close analysis of her poetry essays manifestoes and novel *Insel* I unearth a multiplicity of hidden literary and pictorial intertexts in her works Tracing the origins of Loy s often puzzling imagery I examine the complex strategies of collage condensation distortion and displacement through which she conflates multiple allusions in enigmatic constellations I challenge T S Eliot s claim that Loy lacks an *uvre* claiming that there is an aesthetic project or at least a paradoxical unity in her famously fragmented work I show how her writings critically engage with the turbulence of avant garde innovation of her time pinpointing the essential ephemerality of the avant gardes and their tendency to become dogmatic ideologies Through a perpetual shift of the aesthetic paradigm Loy s work creates dialogic exchanges between different experimental aesthetic programs Thus the book positions Loy not only as an important artist but also as a major theorist of modernist and avant garde aesthetics

After Winter John Edgar Tidwell, Steven C Tracy, 2009-02-02 John Edgar Tidwell and Steven C Tracy have brought together for the first time a book length collection of critical and theoretical writings about Sterling A Brown that recovers and reasserts his continuing importance for a contemporary audience
