Abortion and Buddhism in Japan

# Liquid Life Abortion And Buddhism In Japan

**Joy Hendry, Emma E. Cook**

## **Liquid Life Abortion And Buddhism In Japan:**

**Liquid Life** William R. LaFleur, 2020-11-10 Why would a country strongly influenced by Buddhism's reverence for life allow legalized widely used abortion? Equally puzzling to many Westerners is the Japanese practice of mizuko rites in which the parents of aborted fetuses pray for the well being of these rejected lives. In this provocative investigation William LaFleur examines abortion as a window on the culture and ethics of Japan. At the same time he contributes to the Western debate on abortion exploring how the Japanese resolve their conflicting emotions privately and avoid the pro life pro choice politics that sharply divide Americans on the issue.

**Nanzan Guide to Japanese Religions** Paul L. Swanson, Clark Chilson, 2005-10-31 For updates online visit the Nanzan Guide site at Nanzan Library of Asian Religion and Culture. The Nanzan Guide to Japanese Religions combines for the first time in any language state of the field theoretical and critical discussions with concrete resources students and scholars need to conduct research on Japanese religions. Even seasoned scholars typically approach their research in an unsystematic manner becoming familiar with a particular area of inquiry while remaining largely unaware of what exists in the rest of the field. This inefficient method hinders particularly less experienced researchers and circumscribes their lines of inquiry. The Nanzan Guide provides both beginners and specialists with a reference that will serve as a basic introduction to Japanese religions and allow them to conduct research more proficiently and in greater depth. Overlapping and thought provoking chapters written by leading specialists offer a variety of perspectives on the complicated and multifaceted field of Japanese religions. The essays are divided into four sections: religious traditions; Japanese religions in general; Shinto; Buddhism; folk religion; new religions; Christianity; the history of Japanese religions; ancient classical; medieval; early modern; modern; contemporary; major themes; symbolism; ritual and the arts; literature and scripture; state and religion; geography and environment; intellectual history; gender and practical essays; finding references and using libraries; working with archive collections; conducting fieldwork. A chronology of religion in Japanese history is also provided.

**Marketing the Menacing Fetus in Japan** Helen Hardacre, 2023-09-01 Helen Hardacre provides new insights into the spiritual and cultural dimensions of abortion debates around the world in this careful examination of mizuko kuyo, a Japanese religious ritual for aborted fetuses. Popularized during the 1970s when religious entrepreneurs published frightening accounts of fetal wrath and spirit attacks, mizuko kuyo offers ritual atonement for women who sometimes decades previously chose to have abortions. As she explores the complex issues that surround this practice, Hardacre takes into account the history of Japanese attitudes toward abortion, the development of abortion rituals, the marketing of religion, and the nature of power relations in intercourse, contraception, and abortion. Although abortion in Japan is accepted and legal and was commonly used as birth control in the early postwar period, entrepreneurs used images from fetal photography to mount a surprisingly successful tabloid campaign to promote mizuko kuyo. Enthusiastically adopted by some religionists as an economic strategy, it was soundly rejected by others on doctrinal, humanistic, and feminist grounds. In

four field studies in different parts of the country Helen Hardacre observed contemporary examples of mizuko kuyo as it is practiced in Buddhism Shinto and the new religions She also analyzed historical texts and contemporary personal accounts of abortion by women and their male partners and conducted interviews with practitioners to explore how a commercialized ritual form like mizuko kuyo can be marketed through popular culture and manipulated by the same forces at work in the selling of any commodity Her conclusions reflect upon the deep current of misogyny and sexism running through these rites and through fetocentric discourse in general Helen Hardacre provides new insights into the spiritual and cultural dimensions of abortion debates around the world in this careful examination of mizuko kuyo a Japanese religious ritual for aborted fetuses Popularized during the 1970s when reli

Religions of Japan in Practice George J. Tanabe Jr., 2020-06-30

This anthology reflects a range of Japanese religions in their complex sometimes conflicting diversity In the tradition of the Princeton Readings in Religions series the collection presents documents legends and miracle tales hagiographies ritual prayers and ceremonies sermons reform treatises doctrinal tracts historical and ethnographic writings most of which have been translated for the first time here that serve to illuminate the mosaic of Japanese religions in practice George Tanabe provides a lucid introduction to the patterned confusion of Japan's religious practices He has ordered the anthology's forty-five readings under the categories of Ethical Practices Ritual Practices and Institutional Practices moving beyond the traditional classifications of chronology religious traditions Shinto Confucianism Buddhism etc and sects and illuminating the actual orientation of people who engage in religious practices Within the anthology's three broad categories subdivisions address the topics of social values clerical and lay precepts gods spirits rituals of realization faith court and emperor sectarian founders wizards and heroes orthopraxis and orthodoxy and special places Dating from the eighth through the twentieth centuries the documents are revealed to be open to various and evolving interpretations their meanings dependent not only on how they are placed in context but also on how individual researchers read them Each text is preceded by an introductory explanation of the text's essence written by its translator Instructors and students will find these explications useful starting points for their encounters with the varied worlds of practice within which the texts interact with readers and changing contexts Religions of Japan in Practice is a compendium of relationships between great minds and ordinary people abstruse theories and mundane acts natural and supernatural powers altruism and self interest disappointment and hope quiescence and war It is an indispensable sourcebook for scholars students and general readers seeking engagement with the fertile ordered disorder of religious practice in Japan

Cultural Politics and Asian Values Michael D. Barr, 2012-11-12

Cultural Politics and Asian Values looks at the political cultural and religious background of East and Southeast Asian societies and those of the West with a view to seeing how they are affecting contemporary national and international politics democratization the international human rights discourse NGOs and globalization The book surveys the political history and pre history of the Asian values debate taking it up to the era of Megawati Sukarnoputri Chen Shui bian and Kim Dae jung In

chapters on Confucianism Buddhism Islam Christianity and liberalism Barr explores the histories and conceptual essences of the world religions involved in or affected by the debate      *Narratives of Sorrow and Dignity* Bardwell L. Smith,2013-07-11  
 Bardwell L Smith offers a fresh perspective on mizuko kuyo the Japanese ceremony performed to bring solace to those who have experienced miscarriage stillbirth or abortion Showing how old and new forms of myth symbol doctrine praxis and organization combine and overlap in contemporary mizuko kuyo Smith provides critical insight from many angles the sociology of the family the power of the medical profession the economics of temples the import of ancestral connections the need for healing in both private and communal ways and perhaps above all the place of women in modern Japanese religion At the heart of Smith s research is the issue of how human beings experience the death of a life that has been and remains precious to them While universal these losses are also personal and unique The role of society in helping people to heal from these experiences varies widely and has changed enormously in recent decades In examples of grieving for these kinds of losses one finds narratives not only of deep sorrow but of remarkable dignity      **Biolust, Brain Death, and the Battle Over Organ Transplants** William R. LaFleur,2022-11-03 William LaFleur 1936 2010 an eminent scholar of Japanese studies left behind a substantial number of influential publications as well as several unpublished works The most significant of these examines debates concerning the practice of organ transplantation in Japan and the United States and is published here for the first time This provocative book challenges the North American medical and bioethical consensus that considers the transplantation of organs from brain dead donors as an unalloyed good It joins a growing chorus of voices that question the assumption that brain death can be equated facilely with death It provides a deep investigation of debates in Japan introducing numerous Japanese bioethicists whose work has never been treated in English It also provides a history of similar debates in the United States problematizing the commonly held view that the American public was quick and eager to accept the redefinition of death A work of intellectual and social history this book also directly engages with questions that grow ever more relevant as the technologies we develop to extend life continue to advance While the benefits of these technologies are obvious their costs are often more difficult to articulate Calling attention to the risks associated with our current biotech trajectory LaFleur stakes out a highly original position that does not fall neatly onto either side of contemporary US ideological divides      **The Cambridge Textbook of Bioethics** Peter A. Singer,A. M. Viens,2008-01-31  
 Medicine and health care generate many bioethical problems and dilemmas that are of great academic professional and public interest This comprehensive resource is designed as a succinct yet authoritative text and reference for clinicians bioethicists and advanced students seeking a better understanding of ethics problems in the clinical setting Each chapter illustrates an ethical problem that might be encountered in everyday practice defines the concepts at issue examines their implications from the perspectives of ethics law and policy and then provides a practical resolution There are 10 key sections presenting the most vital topics and clinically relevant areas of modern bioethics International interdisciplinary authorship

and cross cultural orientation ensure suitability for a worldwide audience This book will assist all clinicians in making well reasoned and defensible decisions by developing their awareness of ethical considerations and teaching the analytical skills to deal with them effectively

**The Oxford Handbook of Buddhist Ethics** Daniel Cozort, James Mark Shields, 2018-03-08 Many forms of Buddhism divergent in philosophy and style emerged as Buddhism filtered out of India into other parts of Asia Nonetheless all of them embodied an ethical core that is remarkably consistent Articulated by the historical Buddha in his first sermon this moral core is founded on the concept of karma that intentions and actions have future consequences for an individual and is summarized as Right Speech Right Action and Right Livelihood three of the elements of the Eightfold Path Although they were later elaborated and interpreted in a multitude of ways none of these core principles were ever abandoned The Oxford Handbook of Buddhist Ethics provides a comprehensive overview of the field of Buddhist ethics in the twenty first century The Handbook discusses the foundations of Buddhist ethics focusing on karma and the precepts looking at abstinence from harming others stealing and intoxication It considers ethics in the different Buddhist traditions and the similarities they share and compares Buddhist ethics to Western ethics and the psychology of moral judgments The volume also investigates Buddhism and society analysing economics environmental ethics and Just War ethics The final section focuses on contemporary issues surrounding Buddhist ethics including gender sexuality animal rights and euthanasia This groundbreaking collection offers an indispensable reference work for students and scholars of Buddhist ethics and comparative moral philosophy

**Bibliography on East Asian Religion and Philosophy**, 2001 This comprehensive research bibliography compiles annotates indexes and cross references resources in the principal Western languages which focus on China Japan and Korea in the areas of philosophy and religious studies supporting resources in theology history culture and related social sciences A notable additional feature is the inclusion of extensive Internet based resources such as a wide variety of web sites discussion lists electronic texts virtual libraries online journals and related material

Cook, 2025-10-06 In this welcome new sixth edition of the bestselling textbook Understanding Japanese Society Joy Hendry and Emma E Cook take the reader into the heart of Japanese life Providing a clear and accessible introduction to Japanese ways of thinking which does not require any previous knowledge of the country this book explores Japanese society through the worlds of home work play health religion and ritual covering a full range of life experiences from childhood to old age Fully updated revised and expanded with a brand new chapter on health and ageing the sixth edition contains new material on Experiences of the COVID 19 pandemic Changes in the family and LGBTQ experiences Increased interest in rural areas the problems and opportunities of empty houses Use of technology and AI in different areas of life Discussion of new kinds of criminal activity and an increase in elderly offenders Each chapter in this new edition also includes an exciting insert from scholars in the field based on new and emerging research This book will be invaluable to all students studying Japan It will also enlighten tourists travellers and business

people wishing to gain an understanding of Japanese people      Modern Japan Louis G. Perez, R. W. Purdy, 2024-05-30  
Organized by theme this comprehensive encyclopedia examines all aspects of life in Japan from geography and government to food and etiquette and much more Japan or the Land of the Rising Sun is home to more than 126 million people nearly 10 million of whom live in Tokyo alone How did this tiny island nation become such a powerhouse in the 21st century and where will it go from here Modern Japan examines history and contemporary life through thematic entries organized into chapters covering such topics as geography history government and politics economy religion and thought social classes and ethnicity gender marriage and sexuality education language etiquette literature and drama art and architecture music and dance food leisure and sports and media and popular culture Each chapter contains an overview of the topic and alphabetized entries on examples of each theme A chronology covers from prehistoric times to the present and special appendices offer profiles of a typical day in the life of representative members of Japanese society key facts and figures about Japan and a holiday chart This volume is ideal for students researching Japan as well as general readers interested in learning more about the country

**Holy Anime!** Patrick Drazen, 2017-07-31 Christianity has been in Japan for five centuries but embraced by less than one percent of the population It's a complicated relationship given the sudden appearance in Japan of Renaissance Catholicism which was utterly unlike the historic faiths of Shinto and Buddhism Japan had to invent a word for religion since Japan did not share the west's reliance on faith in a personal God Japan's views of this outsider religion resemble America's view of the outsider Islamic faith Understanding this through the book *Orientalism* by Edward Said Patrick Drazen samples depictions of Christianity in the popular Japanese media of comics and cartoons The book begins with the work of postwar comics master Tezuka Osamu with results that range from the comic to the revisionist to the blasphemous and obscene      *Sacred Kōyasan* Philip L. Nicoloff, 2007-11-08 For more than one thousand years the vast Buddhist monastery and temple complex on remote Mount Kōya has been one of Japan's most important religious centers Saint Kōb Daishi also known as Kōkai founder of the esoteric Shingon school and one of the great figures of world Buddhism consecrated the mountain for holy purposes in the early 800s Buried on Kōyasan Kōb Daishi is said to be still alive selflessly advocating for the salvation of all sentient beings Located south of Osaka Kōyasan has attracted visitors from every station of Japanese life and in recent years more than a million tourists and pilgrims visit annually In *Sacred Kōyasan* the first book length study in English of this holy Buddhist mountain Philip L. Nicoloff invites readers to accompany him on a pilgrimage Together with the author the pilgrim reader ascends the mountain stays at a temple monastery and explores Kōyasan's main buildings sacred statues and famous forest cemetery Author and reader participate in the full annual cycle of rituals and ceremonies and explore the life and legend of Kōb Daishi and the history of the mountain Written for both the scholarly and general reader *Sacred Kōyasan* will appeal to potential travelers dedicated armchair travelers and all readers interested in Buddhism and Japanese culture      **Japanese Feminist Debates** Ayako Kano, 2016-06-30 Recent years have seen a surge of interest in Japanese feminism and gender

history This new volume brings to light Japan's feminist public sphere a discursive space in which academic, journalistic and political voices have long met and sparred over issues that remain controversial to the present day: prostitution, pornography, reproductive rights, the balance between motherhood and paid work, relationships between individual, family and state. Japanese Feminist Debates: A Century of Contention on Sex, Love and Labor contributes to this discussion in a number of unique ways. The book is organized around intellectually and politically charged debates including important recent developments in state feminism and the conservative backlash against it spearheaded by the current prime minister, Abe Shinzō. Focusing on essential questions that have yet to be resolved, Ayako Kano traces the emergence and development of these controversies in relation to social, cultural, intellectual and political history. Her focus on the Japanese intellectual public sphere allows her to show how disputes taking place therein interacted with both popular culture and policy making. Kano argues that these feminist debates explain an important paradox: why Japan is such a highly developed modern nation yet ranks dismally low in gender equality. Part of the answer lies in the contested definitions of gender equality and women's liberation and this book traces these contentions over the course of modern Japanese history. It also situates these debates in relation to modern Japanese social policy and comparative discussions about welfare regimes. By covering an entire century, Japanese Feminist Debates is able to trace the origins and development of feminist consciousness from the late nineteenth century to the present day. Based on over a decade of research, this wide-ranging, lively up-to-date book will both spark discussion among specialists grappling with long-enduring subjects of intellectual debate and animate undergraduate and graduate classrooms on modern Japanese women's history and gender studies.

**Society and the State in Interwar Japan** Elise K. Tipton, 2002-09-11 The social history of Japan between the First and Second World Wars is a neglected area of study. The contributors to this volume consider factors such as nationalism, class, gender and race. They also explore the ideas and activities of a number of new social and political groups such as the urban white-collar class including middle-class working women, socialists, industrial workers and emigrants. The book questions the myth of Japanese homogeneity and gives an emphasis to the diversity, cross-currents and socio-political tensions that characterised the 1920s and 1930s.

**Japanese Civilization** S. N. Eisenstadt, 1996 One of the world's leading social theorists provides a monumental synthesis of Japanese history, religion, culture and social organization. Equipped with a thorough command of the subject, S. N. Eisenstadt focuses on the non-ideological character of Japanese civilization as well as its infinite capacity to recreate community through an ongoing past.

**The Postwar Development of Japanese Studies in the United States** Helen Hardacre, 2023-07-17 The present volume documents the postwar history of United States scholarship on Japan. A careful selection of North American scholars under the general editorship of Helen Hardacre, Reischauer Institute Professor of Japanese Religions and Society at Harvard University, shows that a range of factors have directed Japanese studies in the United States since 1945. Among these factors are social and political change in Japan and the United States, shifts in

dominant scholarly concerns about Japan and changing evaluations of area studies The work consists of twelve essays in a wide variety of fields history art religion literature anthropology political science and law Each essay chronicles postwar scholarship in its particular discipline and provides a useful bibliography to serve further reference The general aim of the volume is to put current debates in historical perspective and to help assess the field's achievements It identifies areas requiring more work and charts directions for the future

**The Postwar Developments of Japanese Studies in the United States** Helen Hardacre, 1998 This volume of twelve essays with useful bibliographies in the fields of history art religion literature anthropology political science and law documents the history of United States scholarship on Japan since 1945

**Buddhist Ethics** Damien Keown, 2020-06-25 With over 520 million followers Buddhism is now the world's fourth largest religion Over the last seventy years or so there has been a growing interest in Buddhism and it continues to capture the imagination of many in the West who see it as either an alternative or a supplement to their own religious beliefs For complex cultural and historical reasons ethics has not received as much attention in traditional Buddhist thought as it has in the West In this Very Short Introduction Damien Keown explores how Buddhism approaches a range of moral issues of our age including our relationship with our environment our treatment of animals and our stance on abortion on sexuality and gender on violence and war This new edition also includes a discussion of the ethical challenges posed by cutting edge developments in science and biomedical technologies including neuroscience artificial intelligence transhumanism and gene editing

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

## Reviewing **Liquid Life Abortion And Buddhism In Japan**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. ### **Liquid Life Abortion And Buddhism In Japan Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Liquid Life Abortion And Buddhism In Japan PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Liquid Life Abortion And Buddhism In Japan PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Liquid Life Abortion And Buddhism In Japan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Liquid Life Abortion And Buddhism In Japan Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Liquid Life Abortion And Buddhism In Japan is one of the best book in our library for free trial. We provide copy of Liquid Life Abortion And Buddhism In Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Liquid Life Abortion And Buddhism In Japan. Where to download Liquid Life Abortion And Buddhism In Japan online for free? Are you looking for Liquid Life Abortion And Buddhism In Japan PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and

many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Liquid Life Abortion And Buddhism In Japan. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Liquid Life Abortion And Buddhism In Japan are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Liquid Life Abortion And Buddhism In Japan. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Liquid Life Abortion And Buddhism In Japan To get started finding Liquid Life Abortion And Buddhism In Japan, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Liquid Life Abortion And Buddhism In Japan So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Liquid Life Abortion And Buddhism In Japan. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Liquid Life Abortion And Buddhism In Japan, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Liquid Life Abortion And Buddhism In Japan is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Liquid Life Abortion And Buddhism In Japan is universally compatible with any devices to read.
