Jennifer Toth,2007-09-11 On an icy night five years ago Johnnie Jordan just fourteen years old brutally murdered his elderly foster care mother leaving the state of Ohio shocked and outraged He could not tell police why he did it or even how it made him feel all he knew was that something inside him made him kill At the time few people predicted the swift emergence of a class of young so called super predators criminals like Johnnie who injure and kill without conscience personified to the nation by the Littleton Colorado tragedy in 1999 In What Happened to Johnnie Jordan acclaimed journalist Jennifer Toth author of *The Mole People* and *Orphans of the Living* once again takes a look at the people in our society whom we so often discard and altogether ignore As Toth investigates Johnnie s crime and life she unravels the mysteries of a child murderer unable to identify his emotions even after they converge in acts of fury and rage In the course of her research Johnnie grows dangerously into a young man who will probably kill again he says though I don t want to Yet he also demonstrates great kindness and caring when treated as more than just a case number when treated as a human Through Johnnie s harrowing story Toth examines how some children manage to overcome tragic beginnings while others turn their pain anger and loss on innocents More than a beautifully written narrative of youth gone wrong this is the story of a child welfare system so corrupted by bureaucracy and overwhelmed with cases that many children entrusted to its care receive none at all It is also the story of a Midwestern town struggling with blame and anger unable to reconcile the damage done by so young an offender From Johnnie s early years on the streets to his controversial

trial and ultimate conviction What Happened to Johnnie Jordan is a seminal work on youth violence and how we as a society can work to curtail it Ultimately Toth ponders one of the most difficult and important questions on youth violence If we can t control the way children are raised how can we prevent them from destroying other lives as well The Revised Statutes of the State of Ohio Ohio,1895 *Host Bibliographic Record for Boundwith Item Barcode 30112118314308 and Others* ,1892
