Lullabye Memories Madness And Midnight Snacks:

Lullabye Howard Freeman, 2007-05-17 Balancing his bipolar disorder adoption divorce father's suicide and sobriety with changing diapers and learning to use a chain saw as part of suburban life the author ponders in humorous and touching essays many of today's small challenges alongside the big questions of life and meaning Growing up on New York City's Upper East Side the author traces his past from attending private school to living on the southern country side of Atlanta to his return following the collapse of his marriage job and health and includes reflections on a life lived in view of a God who loves his children Here you'll meet Ron the cocaine addict the female co-worker at Burger King who despises back supporters and a toothless mental hospital patient who sees superheroes among other notables who made lasting impressions along the way Life is filled with wonderful people Here are some of them **Bi-Polar Depression Unplugged**

Susan Bernard, 2011-06-01 Description This autobiography is a highly honest and personal account of one woman's life and experience of bi-polar but at the same time this book has been researched in detail and will be of informative value to anyone with an interest in bipolar and in particular its depressive aspects About the Author Susan graduated cum laude with a Bachelor of Arts degree in history from UCLA She has worked as an author editor and researcher during an illustrious career which has included work with Nobel Peace Prize nominees She is a wife and mother Memories of Madness Khushwant Singh, 2002-09-11 Independence for India in 1947 came with a price division on the basis of religion In the communal riots that followed hundreds of thousands were killed and millions rendered homeless And the tragic legacy of Partition haunts the subcontinent even today Memories of Madness brings together works by three leading writers who witnessed the insanity of those months Train to Pakistan Khushwant Singh's debut novel tells the story of a village in Punjab Mano Majra where Muslims and Sikhs have co-existed peacefully till one night in 1947 when a ghost train arrives from across the new border bearing corpses of butchered refugees As mistrust grows into hate and the people of Mano Majra lose their humanity it is left to an outcast a Sikh dacoit in love with a Muslim girl to avert another carnage Bhisham Sahni's Tamas is a harrowing portrait of a small frontier town in the grip of communal frenzy Based on the author's own experience of riots in Rawalpindi this celebrated novel describes the murder and mayhem triggered off by the discovery of a pig's carcass outside a mosque The matchless stories of Saadat Hasan Manto the greatest short story writer in the Urdu language round off this collection In addition to his most famous story Toba Tek Singh the selection includes ten other sketches and stories in which Manto turns his unflinching gaze on history's criminals victims and unlikely heroes As moving as they are disturbing the stories in this volume are of immense relevance in these times for they constitute a chilling reminder of the consequences of communal politics Revolutionary Memory Cary Nelson, 2013-10-11 Revolutionary Memory is the most important book yet to be published about the vital tradition of leftwing American Poetry As Cary Nelson shows it is not only our image of the past but also our sense of the present and future that changes when we recover these revolutionary memories Making a forceful case

for political poetry as poetry Nelson brings to bear his extraordinary knowledge of American poets radical movements and social struggles in order to bring out an undervalued strength in a literature often left at the canon's edge Focused in part of the red decade of the 1930s Revolutionary Memory revitalizes biographical criticism for writers on the margin and shows us for the first time how progressive poets fused their work into a powerful chorus of political voices Richly detailed and beautifully illustrated with period engravings and woodcuts Revolutionary Memory brings that chorus dramatically to life and set a cultural agenda for future work
