about the place stopped her in her tracks And then she met him Damon The connection was instant and undeniable Mates For the first time in her life Libby felt the pull of something greater than herself But the bond that tied them together also threatened to tear them apart Damon represented everything Libby had rejected a life of rules structure and responsibility Becoming his Luna meant leaving behind the freedom she had fought so hard to keep Damon for his part was torn He had waited for his mate dreamed of the day he would find her But Libby wasn't the gentle nurturing Luna he had envisioned She was wild unpredictable and carried a darkness he didn't fully understand Yet he couldn't ignore the way his heart ached for her or the way his wolf demanded he protect her at all costs The choice was hers Would Libby abandon her rogue ways and take her place as the Luna of the Dark Moons Pack Or would she reject Damon leaving him and the bond they shared behind to return to her life of solitude
