Luthers Works Vol 28 Selected Pauline Epistles Luthers Works Concordia:

Luther's Works - Volume 28 Martin Luther, 1968-05-10 Overview This volume offers three short commentaries on Pauline Epistles that were written with a particular purpose and called for by a specific need The commentary on 1 Corinthians 7 must have been a study item for Luther himself for in it he gives himself the opportunity to come to grips with the whole matter of celibacy versus marriage The second item is an extended series of sermons on 1 Corinthians 15 the great chapter on the resurrection These sermons were delivered by Luther in a time of great physical weakness and there can be little doubt that the consciousness of personal weakness contributed much toward the desire to study and proclaim the message of 1 Corinthians 15 in depth To this we add Luther's lectures on 1 Timothy one of those shorter series of lectures undertaken when most of the University of Wittenberg had moved to Jena to escape the plague Yet the subject here is not sickness or death but the office of a bishop or pastor and how to administer it in faithfulness to the Gospel About the Series Luther's Works The American Edition published by Concordia and Fortress Press between 1955 and 1986 comprises fifty five volumes These are a selection representing only about a third of Luther's works in the Latin and German of the standard Weimar Edition not including the German Bible **The Publishers' Trade List Annual**, 1974 Paul and Secular Singleness in 1 Corinthians 7 Barry N. Danylak, 2024-04-04 Paul's discussion of marriage and singleness in 1 Corinthians 7 has long presented exegetical challenges beginning with the chapter's opening statement It is good for a man not to touch a woman Interpreters continue to debate whether the ascetic language of the statement reflects the views of Paul or the Corinthians They also debate the motivations for the rise of an ascetic movement in Corinth In this ground breaking study Barry N Danylak offers a fresh solution to these conundra Using evidence from Egyptian census papyri he demonstrates the prevalence of secular singleness in Roman urban environments He also draws on classic Greek marriage debates to argue that the Corinthians disposition likely reflected an Epicurean perspective of secular singleness and that Paul himself was responsible for the touch language as a rhetorical adaptation in his response to the Corinthians question Combining fresh evidence with attentive analysis Danylak's study thus proposes a viable resolution to these long standing exegetical challenges **Circles of Thorns** Justin Lewis-Anthony, 2008-11-13 Unlike Bosch's better known fantastical proto surrealist paintings Christ Mocked is small still and sombre and yet with a little effort of knowledge and interpretation it reveals a depth of understanding of both the Passion and of human nature that speaks as much to the twenty first century as it did to the sixteenth By exploring the political scientific psychological and devotional world of early modern Europe and applying those insights to our own time the author shows how Bosch used his sophisticated artistic skills to convey a similarly sophisticated understanding of humanity In Christ Mocked a painting 500 years old but passionately modern Christ's Passion is so portrayed as to make us reassess the cosmic significance of Christ's death and its profound implications for what we think it means to be human **Eternal Submission** Jonathan J. Routley, 2019-04-23 Christians currently agree that Jesus

was submissive to God the Father during his incarnation and time on earth leading to the cross The issue at hand is whether or not Jesus the Son is eternally submissive or subordinate to the Father in terms of their relations On one side of the debate are those who say that the Son is only subordinate in authority during his earthly ministry but is coequal both ontologically and relationally with the Father eternally On the other side are those who claim that the Son's obedience and submission during his earthly ministry demonstrate an eternal voluntary submission to the Father so that the Son is always subordinate relationally while remaining fully equal with the Father ontologically This book examines the eternal submission of the Son from both biblical and theological perspectives The author surveys some of the recent trinitarian debate and engages with critics of eternal submission before setting out to provide biblical and theological support for the doctrine The implications of this debate for theology proper and gender relationships in the church and home are also addressed Whether you are new to the topic or a seasoned reader of the theological debate this book will be a helpful resource **The Pastoral Epistles (ITC)**

Gerald L. Bray, 2019-07-25 This commentary offers a verse by verse theological interpretation of the First and Second epistles to Timothy and Titus Bray reads the letters as authoritative scripture moving beyond questions of whether they are pseudonymous and of whether or not they are post apostolic instead looking closely at how they have been understood in the life of the Church Bray engages with the history of commentary surrounding these letters ranging from the Fathers to contemporary theology and exegesis He reads the epistles as the authoritative word from God to his people and through his engagement with the history of interpretation shows the constant thread of witness and confession that unites believers across the ages In so doing Bray shows why the Pastoral Epistles have survived the passage of time and have retained the canonical authority that they have always enjoyed **The Letters and Legacy of Paul** Margaret Aymer, Cynthia Briggs Kittredge, David A. Sanchez, 2016-10-10 This commentary on the letters and legacy of Paul excerpted from the Fortress

Tudor Autobiography Meredith Anne Skura, 2010-02-15 Histories of autobiography in England often assume the genre hardly existed before 1600 But *Tudor Autobiography* investigates eleven sixteenth century English writers who used sermons a saint's biography courtly and popular verse a traveler's report a history book a husbandry book and a supposedly fictional adventure novel to share the secrets of the heart and tell their life stories In the past such texts have not been called autobiographies because they do not reveal much of the inwardness of their subject a requisite of most modern autobiographies But according to Meredith Anne Skura writers reveal themselves not only by what they say but by how they say it Borrowing methods from affective linguistics narratology and psychoanalysis Skura shows that a writer's thoughts and feelings can be traced in his or her language Rejecting the search for the early modern self in life writing *Tudor Autobiography* instead asks what authors said about themselves who wrote about themselves how and why The result is a fascinating glimpse into a range of lived and imagined experience that challenges assumptions about life and autobiography in the early modern period

God's Apocalyptic Insurrection Richard D. Crane, 2024-10-15 What if our inherited theologies of salvation are distorted by a sinful history that includes white supremacy slavery and colonial conquest What if we perpetuate this distortion by continuing to imagine salvation as a legal transaction by which we are saved by God from divine punishment If salvation merely rectifies the individual's standing before God justice and human flourishing are viewed as

peripheral to the gospel This book begins with a bit of deconstruction But the real need is construction or perhaps the discovery of another soteriological imagination To be saved is to be drawn into union with Jesus Messiah the bringer of the now and future reign of God where all things are rectified Jesus s life death and resurrected body are the space where a disordered creation is put right Jesus is God s apocalyptic insurrection against every power that dehumanizes harms and destroys human persons We are saved by the triune God by God s gracious acceptance that cannot be earned But we are saved for participation in the invasion of God s reign of justice healing and transformation Salvation has everything to do with caring for refugees resisting systemic racial and other injustices food for the hungry and valuing human persons as Christ incognito
