Lydia Counts Down To Sunday School:

Lydia Counts Down to Sunday School Alice Evans Craig,2008-12 The story of a little girl who loves going to Sunday School and counts each day of the week until she returns At the end of each day she always remembers to pray **Lydia's Life** Ida Nelle Daily Hollaway,2006-03 **Lydia Hosto Niebuhr** John Clifford Helt,2024-05-09 This biography is about an immigrant's daughter who remained in the shadows of her father husband sons and daughter But it is also about the theological tradition German Evangelical Pietism that shaped her and that she helped to shape That tradition is also hidden or buried for its tendency to embarrass modern sensitivities As such it remains deeply misunderstood Grounded in the history of the Prussian Union and the pietism of the free mission houses of Germany it is evangelical in a way that is unrecognizable and bears little resemblance to the evangelicalism of the twenty first century In its pietism it exudes an irenic approach to theological and doctrinal differences in a way that is altogether misunderstood It is focused on peacemaking and deeds of loving and just action in the world rather than theological precision The sad history of this tradition is that like the story of Lydia both have been buried in the religious landscape of twentieth century American Protestantism It is time that the story of Lydia Hosto Niebuhr be emancipated from a church history that has minimized the story of many of its most important giants simply because they were born at a time when their stories were less valued than the men they supported and the sons they birthed and nurtured in the church The biography of Lydia Hosto Niebuhr corrects and recalls what has been buried and hidden and in doing so offers an alternative to the polarization of the political and religious fields of the United States *The Sunday-school World* ,1887 **Primitive Methodist World and Sunday School Worker** ,1898 *Sunday School Times* ,1882 **2018 Spring Quarter Evangelical Sunday School Lesson Commentary** Lance Colkmire,2017-07-03 2017 Spring Quarter Sunday School Lessons *Arkansas Methodist* ,1917 *The Sunday School Advocate* ,1844 **The Boys' and girls' companion [formerly The Sunday scholar's companion].** ,1883 *The Northridge Wheelers* D. Earl Gregg,2025-06-17 In the heart of 1920s Northridge a small town where neighbors gather on porches and children play freely in the streets the Wheeler family is carving out a simple but joyful life With hard work laughter and deep rooted friendships they weather the early days of the Great Depression relying on each other and the kindness of their tight knit community But their world shatters when tragedy strikes the sudden and unexplained death of their only baby daughter At a time when medical science has no answers for Sudden Infant Death Syndrome SIDS the Wheelers are left with only questions grief and a crisis of their faith This deeply moving historical novel follows the family's journey through unbearable sorrow spiritual doubt and ultimately healing With vivid characters and heartfelt moments The Northridge Wheelers invites readers into a bygone era where love and loss live side by side and where even the deepest wounds can be touched by grace If you've ever wondered how ordinary people find extraordinary strength in the face of unthinkable loss this story will stay with you long after the final page *Stepping Stones* ,1923 *The Sunday-school*
