them now Howbeit when he the Spirit of truth is come he will guide you into all truth John 16 12 13 This book of my teachings has been formed from the lessons of love and charity and dictated to you through human understanding Since ancient times I have entrusted to you my teachings through my envoys my emissaries my interpreters and you have used it to create myths and traditions But you will not fulfill your purpose unless you meditate and study this lesson with respect and love Truly I say to you that he who meditates and analyzes the teachings of my Book with a true desire to elevate his knowledge will acquire the light for his spirit and he will feel Me nearer to him *The Tabernacle and the Church* Abraham DeAlmeida,2023-01-01 The temple built by Moses in the desert is the most extraordinary of all the Old Testament ritual types As a prefiguration of the facts of the New Covenant DeAlmeida finds as antitypes not only Jesus and the Christian but also the church as a whole since Christ did not enter a sanctuary made with human hands a replica of the true one but heaven that he may now appear before the face of God on our behalf The author in a simple and enlightening way presents in this work abundant references to the divisions of the tabernacle its rich furniture the materials used in its construction the four colors indicating the four gospels the different offerings the numbers applied to the pieces the sacrifices and so forth These typological riches associated with the great annual feasts and the Levitical priesthood constitute precious and practical lessons on how to live the true Christian faith today The strong presence in this book of the number five which indicates divine grace shows us that in the tabernacle the glory of the church shines This book purports to be original as it focuses on the subject from a spiritual point of view *The Path of Christianity* John Anthony McGuckin,2017-05-16 John McGuckin a world renowned expert on ancient Christianity has synthesized a lifetime of work to produce the most comprehensive and accessible history of the first millennium of the Christian church This readable account explores the history in chronological order and then examines the same period thematically looking at issues like women war and the Bible Sanctuary Belinda C.H.
