Like Father Like Sons Meditations On God As Our Father:

Like Father, Like Sons Joel E. Reed, Jim Essian, 2013-05 WAS YOUR FATHER GENEROUS GENTLE GRACIOUS Your Heavenly Father is The problem is that we see the Father through our earthly father We are all given lenses at some point in our childhood and we still wear them even as we begin to parent our own children The lenses gray our understanding of the Father Who is He What does He think of me Does He accept me Is He proud of me What does He want from me Herein lies the beauty of the gospel In Christ our lenses are removed so we can clearly see the Father and in Christ the Father puts on lenses and sees us through His perfect Son This means that in the Gospel we can see what the Father is like God the Father not only exemplifies fatherhood but He empowers us in the Gospel to father like Him If we can see the Father we can image the father to our children So what is the Father like Let s remove the lenses and see Morning Whispers Book Two: Daily Journal and Meditations from the New Testament , *The Daily Round. Kelly,2024-12-31 One of the areas of sustained interest for Reverend Professor Anthony Kelly CSsR has been the mystery of the Trinity the divine mystery constituted as Father Son and Spirit Indeed his whole life as theologian teacher priest and preacher and even as poet has been spent in the quest firstly to know the mystery in which we live and move and have our being and to penetrate it ever more deeply and secondly to communicate it ever The essays in this collection demonstrate the wide range of genre in which Kelly writes from the highly academic and scholarly addressing the subtle refinements and sophisticated argumentation of theological scholarship such as the essay on Trinitarian Connections in this collection through more contemplative and meditative reflections to the very practical as in the challenges of preaching on Trinity Sunday As is very evident in these essays Kelly systematically but gently expatiates on the meaning of the mysteries of faith skilfully interweaving references from the biblical witness classic creedal statements of faith doctrinal statements and insights from the tradition including the mystics They show him to be a consummate systematician robustly orthodox but restlessly imaginative ever bent on expressing the mysteries of Christian faith evocatively meaningfully and persuasively In a telling comment Kelly writes If faith is to remain alive to the living God if it is to serve the Word and communicate in the Spirit our language needs to be restlessly imaginative
