The Lilac Fairy Book Andrew Lang, 1968-01-01 What cases are you engaged in at present Are you stopping many teeth just now What people have you converted lately Do ladies put these questions to the men lawyers dentists clergymen and so forth who happen to sit next them at dinner parties I do not know whether ladies thus indicate their interest in the occupations of their casual neighbours at the hospitable board But if they do not know me or do not know me well they generally ask Are you writing anything now as if they should ask a painter Are you painting anything now or a lawyer Have you any cases at present Sometimes they are more definite and inquire What are you writing now as if I must be writing something which indeed is the case though I dislike being reminded of it It is an awkward question because the fair being does not care a bawbee what I am writing nor would she be much enlightened if I replied Madam I am engaged on a treatise intended to prove that Normal is prior to Conceptional Totemism though that answer would be as true in fact as obscure in significance The best plan seems to be to answer that I have entirely abandoned mere literature and am contemplating a book on The Causes of Early Blight in the Potato a melancholy circumstance which threatens to deprive us of our chief esculent root The inquirer would never be undeceived One nymph who like the rest could not keep off the horrid topic of my occupation said You never write anything but fairy books do you A French gentleman too an educationist and expert in portraits of Queen Mary once sent me a newspaper article in which he had written that I was exclusively devoted to the composition of fairy books and nothing else He then came to England visited me and found that I knew rather more about portraits of Queen Mary than he did In truth I never did write any fairy books in my life except Prince Prigio Prince Ricardo and Tales from a Fairy Court that of the aforesaid Prigio I take this opportunity of recommending these fairy books poor things but my own to parents and guardians who may never have heard of them They are rich in romantic adventure and the Princes always marry the right Princesses and live happy ever afterwards while the wicked witches stepmothers tutors and governesses are never cruelly punished but retire to the country on ample pensions I hate cruelty I never put a wicked stepmother in a barrel and send her tobogganing down a hill It is true that Prince Ricardo did kill the Yellow Dwarf but that was in fair fight sword in hand and the dwarf peace to his ashes died in harness The object of these confessions is not only that of advertising my own fairy books which are not out of print if your bookseller says so the truth is not in him but of giving credit where credit is due The fairy books have been almost wholly the work of Mrs Lang who has translated and adapted them from the French German Portuguese Italian Spanish Catalan and other languages My part has been that of Adam according to Mark Twain in the Garden of Eden Eve worked Adam superintended I also superintend I find out where the stories are and advise and in short superintend I do not write the stories out of my own head The reputation of having written all the fairy books an European reputation in nurseries and the United States of America is the burden of an honour unto which I was not born It weighs upon and is killing me as the general fash of being the wife of the Lord of Burleigh

Burleigh House by Stamford Town was too much for the village maiden espoused by that peer *The Lilac Fairy Book* Andrew Lang, 2013-03-25 I take this opportunity of recommending these fairy books poor things but my own to parents and guardians who may never have heard of them They are rich in romantic adventure and the Princes always marry the right Princesses and live happy ever afterwards while the wicked witches stepmothers tutors and governesses are never cruelly punished but retire to the country on ample pensions I hate cruelty I never put a wicked stepmother in a barrel and send her tobogganing down a hill It is true that Prince Ricardo did kill the Yellow Dwarf but that was in fair fight sword in hand and the dwarf peace to his ashes died in harness **The Lilac Fairy Book** Andrew Lang, 1940-06-01 Over two million Shakespeare Shorts sold Discover the world of Shakespeare with this collection of brilliant stories perfect for readers of all ages King Henry V is new to the throne and declares war on France England's old enemy to prove his military strength As the country prepares for battle will the young king accomplish the unthinkable victory on French soil against an army that outnumbers his troops ten to one A dramatic retelling of one of Shakespeare's most famous history plays *The Lilac Fairy Book (Children Classic Books)* Andrew Lang, 2017-05-29 About The Lilac Fairy Book by Andrew Lang It is almost impossible to envision what childhood would be like without the enchanting world of fairyland Old witches in cloaks of gold giants that turn into dwarfs tears that become birds monsters and magicians ogres and fairies these are the companions who thrill boys and girls of all lands and times as Andrew Lang's phenomenally successful collections of stories have proved From the day they were first printed the Lang fairy tale books of many colors have entertained thousands of youngsters as they have also brought pleasure to parents who have read these classics to their children The Lilac Fairy Book by Andrew Lang delves into the oral traditions of Rhodesia Uganda and the American Indian the traditions of the Punjab and of Jutland for its stories But it is not important that the lad climbing the tree to a cloud kingdom is an Indian brave rather than Jack or that the giant killer Mak ma is African The events are familiar favorites with children the world over All the tales are narrated in clear lively prose Not only are Lang's collections generally considered to contain the best English versions of the standard fairy tales they are also the richest and widest in range His position as one of England's foremost folklorists as well as a first rate editor make his collections unmatched in the English language *The Lilac Fairy Book - Classic Book* Andrew Lang, 2017-07 About The Lilac Fairy Book by Andrew Lang It is almost impossible to envision what childhood would be like without the enchanting world of fairyland Old witches in cloaks of gold giants that turn into dwarfs tears that become birds monsters and magicians ogres and fairies these are the companions who thrill boys and girls of all lands and times as Andrew Lang's phenomenally successful collections of stories have proved From the day they were first printed the Lang fairy tale books of many colors have entertained thousands of youngsters as they have also brought pleasure to parents who have read these classics to their children The Lilac Fairy Book by Andrew Lang delves into the oral traditions of Rhodesia Uganda and the American Indian the traditions of the Punjab and of Jutland for its stories But it is not important that the lad climbing the tree
