This book addresses a central question in the study of Jewish mysticism in the medieval and early modern periods why are there no known female mystics in medieval Judaism unlike contemporaneous movements in Christianity and Islam Sharon Faye Koren demonstrates that the male rejection of female mystical aspirations is based in deeply rooted attitudes toward corporeality and ritual purity In particular medieval Jewish male mystics increasingly emphasized that the changing states of the female body between ritual purity and impurity disqualified women from the quest for mystical connection with God Offering a provocative look at premodern rabbinical views of the female body and their ramifications for women s spiritual development Koren compares Jewish views with medieval Christian and Muslim views of both female menstruation and the possibility of female mystical experience **The Tree of the Shadows** ,2017-08-26 The Tree of the Shadow is a self initiatory guide for those interested in the darker side of the Qabalah The second issue is dedicated to Gamaliel The Obscene One the Qliphotic Tunnels Shalihu Raflihu and Qulielu But also rites to invoke and evoke the Qliphotic Rulers Lilith The Queen of the Night Samael The Dark Prince Cain The Dark Initiator The idea of this chapbook is shown and share in a theoretical and practical way different rituals meditations invocation and other ceremonies for those who want to attune his mind and spirit with the adversarial side of the Tree All that I have written here is part of my personal experience something unique and inspired by the Denizen of the Dark Tree Amour et Sagesse.
