Abraham Lincoln Commemoration Ceremony United States. Congress. Joint Committee on Arrangements, United States. Congress. Joint Committee on Arrangements on the Commemoration Ceremony in Observance of the 150th Anniversary of the Birth of Abraham Lincoln, 1809-1959, 1959 *Abraham Lincoln* Carl Sandburg, 1954 This biography is drawn from the six volume work on Lincoln and new research uncovered since the original publication *This War Ain't Over* Nina Silber, 2018-11-02 The New Deal era witnessed a surprising surge in popular engagement with the history and memory of the Civil War era From the omnipresent book and film *Gone with the Wind* and the scores of popular theater productions to Aaron Copeland's *A Lincoln Portrait* it was hard to miss America's fascination with the war in the 1930s and 1940s Nina Silber deftly examines the often conflicting and politically contentious ways in which Americans remembered the Civil War era during the years of the Depression the New Deal and World War II In doing so she reveals how the debates and events of that earlier period resonated so profoundly with New Deal rhetoric about state power emerging civil rights activism labor organizing and trade unionism and popular culture in wartime At the heart of this book is an examination of how historical memory offers people a means of understanding and defining themselves in the present Silber reveals how during a moment of enormous national turmoil the events and personages of the Civil War provided a framework for reassessing national identity class conflict and racial and ethnic division The New Deal era may have been the first time Civil War memory loomed so large for the nation as a whole but as the present moment suggests it was hardly the last **The Lincoln of Carl Sandburg** Harcourt Brace & Company, 1940 **The Lincoln of Carl Sandburg** Charles Austin Beard, 1940 *Abraham Lincoln* Roy Basler, Carl Sandburg, 2008-08-04 This volume presents nearly 250 of Lincoln's most important speeches state papers and letters in their entirety Here are not only the masterpieces the Gettysburg Address the Inaugural Addresses the 1858 Republican Convention Speech the Emancipation Proclamation but hundreds of lesser known gems Alfred Kazin has written that Lincoln was not just the greatest writer among our Presidents but the most telling and unforgettable of all American public writer speakers and it's never been cleaner than in this comprehensive edition *The Lincoln of Carl Sandburg* Betty Davis Via, Cecil L'Estrange Ewen, Clarence E. Bennett, Garden Club of America, Harcourt Brace & Company, Herbert Silvette, 1939 *The Presidency and Rhetorical Leadership* Leroy G. Dorsey, 2002 Successful presidential leadership depends upon words as well as deeds In this multifaceted look at rhetorical leadership twelve leading scholars in three different disciplines provide in depth studies of how words have served or disserved American presidents At the heart of rhetorical leadership lies the classical concept of prudence practical wisdom that combines good sense with good character From their disparate treatments of a range of presidencies an underlying agreement emerges among the historians political scientists and communication scholars included in the volume To be effective they find presidents must be able to articulate the common good in a particular situation and they must be credible on the basis of their own character Who they

are and what they can do are thus twin pillars of successful rhetorical leadership Leroy G Dorsey introduces these themes and David Zarefsky picks them up in looking at the historical development of rhetorical leadership within the office of the presidency Each succeeding chapter then examines the rhetorical leadership of a particular president often within the context of a specific incident or challenge that marked his term in office Chapters dealing with George Washington John Adams Thomas Jefferson Theodore Roosevelt Woodrow Wilson Franklin Roosevelt Dwight Eisenhower Ronald Reagan and Bill Clinton offer the specifics for a clearer understanding of how rhetoric serves leadership in the American presidency This book provides an indispensable addition to the literature on the presidency and in leadership studies **The Lincoln of**
