Lincoln's Body Guard, the Union Light Guard of Ohio Robert Wesley McBride, 1911 Lincoln S Body Guard The Union Light Guard of Ohio With Some Personal Recollections of Abraham Lincoln by Robert Wesley McBride first published in 1911 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it *The Black Heavens* Brian R. Dirck, 2019-02-06 Winner Lincoln Group of New York Award of Achievement 2019 From multiple personal tragedies to the terrible carnage of the Civil War death might be alongside emancipation of the slaves and restoration of the Union as one of the great central truths of Abraham Lincoln s life Yet what little has been written specifically about Lincoln and death is insufficient sentimentalized or devoid of the rich historical literature about death and mourning during the nineteenth century *The Black Heavens* Abraham Lincoln and Death is the first in depth account of how the sixteenth president responded to the riddles of mortality undertook personal mourning and coped with the extraordinary burden of sending hundreds of thousands of soldiers to be killed on battlefields Going beyond the characterization of Lincoln as a melancholy tragic figure Brian R Dirck investigates Lincoln s frequent encounters with bereavement and sets his response to death and mourning within the social cultural and political context of his times At a young age Lincoln saw the grim reality of lives cut short when he lost his mother and sister Later he was deeply affected by the deaths of two of his sons three year old Eddy in 1850 and eleven year old Willie in 1862 as well as the combat deaths of close friends early in the war Despite his own losses Lincoln learned how to approach death in an emotionally detached manner a survival skill he needed to cope with the reality of his presidency Dirck shows how Lincoln gradually turned to his particular understanding of God s will in his attempts to articulate the meaning of the atrocities of war to the American public as showcased in his allusions to religious ideas in the Gettysburg Address and the Second Inaugural Lincoln formed a unique approach to death both intellectual and emotional typical and yet atypical of his times In showing how Lincoln understood and responded to death both privately and publicly Dirck paints a compelling portrait of a commander in chief who buried two sons and gave the orders that sent an unprecedented number of Americans to their deaths *Lincoln's Body Guard The Union Light Guard of Ohio with Some Personal Recollections of Abraham Lincoln* Edward J. McBride, 1911 **Lincoln's White House** James B. Conroy, 2016-10-15 Co winner of the 2017 Gilder Lehrman Lincoln Prize *Lincoln s White House* is the first book devoted to capturing the look feel and smell of the executive mansion from Lincoln s inauguration in 1861 to his assassination in 1865 James Conroy brings to life the people who knew it from servants to cabinet secretaries We see the constant stream of visitors from ordinary citizens to visiting dignitaries and
