Liquid Surveillance Zygmunt Bauman, David Lyon, 2013-04-03 Today the smallest details of our daily lives are tracked and traced more closely than ever before and those who are monitored often cooperate willingly with the monitors From London and New York to New Delhi Shanghai and Rio de Janeiro video cameras are a familiar and accepted sight in public places Air travel now commonly involves devices such as body scanners and biometric checks that have proliferated in the wake of 9 11 And every day Google and credit card issuers note the details of our habits concerns and preferences quietly prompting customized marketing strategies with our active all too often zealous cooperation In today's liquid modern world the paths of daily life are mobile and flexible Crossing national borders is a commonplace activity and immersion in social media increasingly ubiquitous Today's citizens workers consumers and travellers are always on the move but often lacking certainty and lasting bonds But in this world where spaces may not be fixed and time is boundless our perpetual motion does not go unnoticed Surveillance spreads in hitherto unimaginable ways responding to and reproducing the slippery nature of modern life seeping into areas where it once had only marginal sway In this book the surveillance analysis of David Lyon meets the liquid modern world so insightfully dissected by Zygmunt Bauman Is a dismal future of moment by moment monitoring closing in or are there still spaces of freedom and hope How do we realize our responsibility for the human beings before us often lost in discussions of data and categorization Dealing with questions of power technology and morality this book is a brilliant analysis of what it means to be watched and watching today

Conversations with Zygmunt Bauman Zygmunt Bauman, Keith Tester, 2001-08-31 In this book Zygmunt Bauman and Keith Tester engage in five accessible conversations which uncover and explore the assumptions and commitments underpinning Bauman's ground breaking social thought The conversations show how those commitments have influenced Bauman's analyses of modernity postmodernity and liquid modernity The book ranges widely from autobiographical reflection through to pointers for the understanding and future of Bauman's social thought The conversations illustrate the moral substance of Bauman's refusal to accept that the world cannot be made different They show why social thought is a human necessity

Liquid Modernity Zygmunt Bauman, 2013-07-10 In this new book Bauman examines how we have moved away from a heavy and solid hardware focused modernity to a light and liquid software based modernity This passage he argues has brought profound change to all aspects of the human condition The new remoteness and unreachability of global systemic structure coupled with the unstructured and under defined fluid state of the immediate setting of life politics and human togetherness call for the rethinking of the concepts and cognitive frames used to narrate human individual experience and their joint history This book is dedicated to this task Bauman selects five of the basic concepts which have served to make sense of shared human life emancipation individuality time space work and community and traces their successive incarnations and changes of meaning Liquid Modernity concludes the analysis undertaken in Bauman's two previous books Globalization The Human Consequences and

In Search of Politics Together these volumes form a brilliant analysis of the changing conditions of social and political life by one of the most original thinkers writing today Liquid Times Zygmunt Bauman,2007 Zygmunt Bauman's writings on liquid modernity have altered the way we think about the contemporary world In this book he explores the sources of the endemic uncertainty which shapes our lives in so doing he provides the reader with a brief introduction to his original account developed at greater length in his previous books **Born Liquid** Zygmunt Bauman,Thomas Leoncini,2018-11-19 Born Liquid is the last work by the great sociologist and social theorist Zygmunt Bauman whose brilliant analyses of liquid modernity changed the way we think about our world today At the time of his death Bauman was working on this short book a conversation with the Italian journalist Thomas Leoncini exactly sixty years his junior In these exchanges with Leoncini Bauman considers for the first time the world of those born after the early 1980s the individuals who were born liquid and feel at home in a society of constant flux As always taking his cue from contemporary issues and debates Bauman examines this world by discussing what are often regarded as its most ephemeral features The transformation of the body tattoos cosmetic surgery hipsters aggression bullying the Internet online dating gender transitions and changing sexual preferences are all analysed with characteristic brilliance in this concise and topical book which will be of particular interest to young people natives of the liquid modern world as well as to Bauman's many readers of all generations
