Listening To Love Responding To The Startling Voice Of God:

Listening to Love Jan Meyers, 2011-05-04 Love Is Calling How Will You Answer One of our greatest desires is to know we are loved by our Creator Yet the depth of our apprehension is often equally strong If I listen we wonder what will God say If I open myself up to blessings what will God require in return As we trace this line of thinking the God of all goodness becomes in our minds the God of our worst fears Embrace a Love That s Worth the Risk God is far greater than our most expectant dreams While he does often ask everything of us he actually wants everything for us He doesn t want blind loyalty or bored religious compliance he longs for nothing less than our entire passionate self something most of us have yet to glimpse God s desire is that people lean in listen and wrestle with him so that they can respond to him without fear Can this God be trusted Absolutely Will the journey be easy Not a chance But once you learn to listen to love you ll find that there s only one way you can adore this unmanageable unpredictable wild and unruly God with your whole heart **Reclaiming**

Your Heart Denise Hildreth Jones, 2013-02-18 Have you ever wondered where the abundant life Scripture promises is and how you seem to have missed it Do you ever catch yourself saying Those were the best years of my life A failed relationship a health crisis a job loss the death of a loved one all can cause us to hide out go numb give up Before we even know it we re simply coping with life instead of living it to the fullest It happens to most of us at one point or another For author and Bible study teacher Denise Hildreth Jones it happened in the wake of her devastating divorce But she fought desperately to reclaim her God designed heart and now in her transparent authentic style Denise challenges you to do the same Sharing stories from her own journey and others she s walked alongside Denise will help you identify ways you ve given your heart to lesser gods like performance people pleasing and control and how to find your way back to God s design for your life to laughing loving and living life to the fullest *American Book Publishing Record* ,2005 **The Treasure** Becca Gunyon

which she identified as the mystery of Christ's cross. The original manuscript was faithfully written down as a direct record of this experience. It takes the form of a dialogue or interaction between God as the Lover of the soul and Maria as His Beloved. A major theme is the struggle of the Beloved to overcome the Yes-buts of human nature in order to be able to say a perfect Yes to her Maker. Each dialogue moves through suffering and miscomprehension towards final happiness and liberation, prefiguring the change from death to resurrection. The manuscript remained a puzzle to its writer for eighteen years at which point she gained an insight into the moment of self-yielding which transforms the suffering into bliss. It was then whilst staying in an Austrian farmhouse on a mountain side that she wrote the poetry which re-interprets the text as a hymn to the Star Love of ecstatic intensity. Over thirty years after the original event, realising the experience may also have meaning for others, the writer worked on the manuscripts. During a period of deep reflection at her home in Scotland, she then wrote the commentaries. She hopes that this book, a lifetime's endeavour, may prove enlightening to others as to the nature of God's love.
