*Raising Them Up* Israel Wayne, 2020-04-16 Most parents want a book that will fix their child in three easy steps in 30 days or less While understandable this expectation will never work The problem lies far more with us the parents than it does with our child If we don't understand that truth we will only remain frustrated and disappointed with our child The far greater need is to fundamentally change our own hearts and minds as parents As a principle that simply MUST happen before any change will come for our youth Christian parents may know a lot of Bible verses yet don't have a Biblical theology of parenting Here's the big picture parenting is discipleship Your child is learning from you You are the teacher Far more is caught than taught in parenting Children listen to what you say but they watch how you live When you are slack in dealing with character issues in your own life it short circuits your ability to effectively reach your child's heart In *Raising Them Up* you will discover A heart check for parents The world of techno parenting How to teach purity Helping the difficult child Parenting by grace Home based apologetics and more It's not about gimmicks it's about God His inspired inerrant infallible timeless truths There are lots of other books out there that will teach you how to count to three hold your breath snap your wrist with a rubber band and hand out stickers as a way to change your rebellious child With enough tips tricks and methods perhaps you can learn the perfect approach to timeouts or some magic cure that will solve bickering sibling rivalry laziness back talking media

addiction lying stealing bad attitudes apathy angry outbursts rebellion inattention or any other number of fruits that annoy inconvenience and embarrass us But if you care enough to risk having to make changes in your own way of thinking and living then let's walk together on this path of learning to powerfully and prayerfully parent our children after the ways of God
