

EMPLOYEE HANDBOOK

SICK DAYS

We will no longer accept a doctor's statement as proof of sickness. If you are able to go to the doctor, you are able to come to work.

PERSONAL DAYS

Each employee will receive 104 personal days a year. They are called Saturday & Sunday.

LUNCH BREAK

Skinny people get 30 minutes for lunch as they need to eat more, so that they can look healthy. Normal size people get 15 minutes for lunch to get a balanced meal to maintain their average figure. Fat people get 5 minutes for lunch, because that's all the time needed to drink a Slim Fast.

DRESS CODE

It is advised you come to work dressed according to your salary. If we see you wearing \$350 Prada sneakers, and carrying a \$600 Gucci bag, we assume you are doing well financially and therefore you do not need a raise.

If you dress poorly, you need to learn to manage your money better, so that you may buy nicer clothes, and therefore you do not need a raise.

If you dress in-between, you are right where you need to be and therefore you do not need a raise.

BEREAVEMENT LEAVE

There is no excuse for missing work. There is nothing you can do for dead friends, relatives, or co-workers. Every effort should be made to have non-employees attend to the arrangements. In rare cases where employee involvement is necessary, the funeral should be scheduled in the late afternoon. We will be glad to allow you to work through your lunch hour and subsequently leave one hour early.

RESTROOM USE

Entirely too much time is being spent in the restroom. There is now a strict 3 minute time limit in the stalls. At the end of three minutes, an alarm will sound, the toilet paper roll will retract, the stall door will open and a picture will be taken. After your second offense, your picture will be posted on the company bulletin board under the "Chronic Offenders" category.

Thank you for your loyalty to our great company.
We are here to provide a positive employment experience.

The Cambridge International Handbook of Lean Production Thomas Janoski, Darina Lepadatu, 2021-03-11 This handbook focuses on two sides of the lean production debate that rarely interact On the one hand management and industrial engineering scholars have presented a positive view of lean production as the epitome of efficiency and quality On the other hand sociology industrial relations and labor relations scholars focus on work speedups management by stress trade union positions and self exploitation in lean teams The editors of this volume understand the merits of both views and present them accordingly bridging the gaps among five disciplines and presenting the best of each perspective Chapters by internationally acclaimed authors examine the positive negative and neutral possible effects of lean providing a global view of lean production while adjusting lean to the cultural and political contexts of different nation states As the first multi lens view of lean production from academic and consultant perspectives this volume charts a way forward in the world of work and management in our global economy

Sourcing and Recruitment Handbook Jay Tarimala, 2020-11-10 The sourcing and recruitment community has come a long way from what it used to be 20 years back and as recently as 5 years back and the amount of technology changes has kept everyone on the tenterhooks The methods that you would adopt or Boolean strings that used to work today may not work tomorrow and there is a constant learning curve to keep oneself updated and also brings a healthy level of competition among individuals eager to show their wares The volume based on niche skills hiring has become a race to the finish The individuals with the super sourcing as well as relationship management skills tend to be more often than not the winners in the end The recruitment community looks to find the needle in the haystack every day to find the right candidate to fulfill the hiring manager mandate The ever bulging stock of search strings productivity tricks and their ways of thinking they implement are a stuff of legend The tools do not make a Sourcer or recruiter but they should always be seen as an assistant to free up their time for more productive conversations with prospective candidates This exercise is an attempt to equip the Talent Acquisition community with the various ways and methods to optimize their time and find the relevant information trends movers and shakers etc to be better prepared to find relevant candidates for their clients internal or external It is by no means an exhaustive list but a start nonetheless

The Oxford Handbook of American Islam Yvonne Y. Haddad, Jane I. Smith, 2014-11-03 Islam has been part of the increasingly complex American religious scene for well over a century and was brought into more dramatic focus by the attacks of September 11 2001 American Islam is practiced by a unique blend of immigrants and American born Muslims The immigrants have come from all corners of the world they include rich and poor well educated and illiterate those from upper and lower classes as well as economic and political refugees The community's diversity has been enhanced by the conversion of African Americans Latinos and others making it the most heterogeneous Muslim community in the world With an up to the minute analysis by thirty of the top scholars in the field this handbook covers the growth of Islam in America from the earliest Muslims to set foot on American

soil to the current wave of Islamophobia Topics covered include the development of African American Islam pre and post WWII immigrants Sunni Shi ite sectarian and Sufi movements in America the role and status of women marriage and family and the Americanization of Islamic culture Throughout these chapters the contributors explore the meaning of religious identity in the context of race ethnicity gender and politics both within the American Islamic community and in relation to international Islam
