Loyalty And Disloyalty:

Loyalty and Disloyalty Dag Heward-Mills,2008-07-30 Dag Heward Mills uses his practical experience in the ministry and writes about the huge impact loyalty and disloyalty have in churches He uses the Lighthouse churches which he founded as an example because many people wonder how it is possible to sustain churches that are all over the world with him being in Ghana He says that much of the system depends on loyalty The ministers are loyal to the Lord to him and to the Lighthouse vision and that is why it works Find everything about loyalty and disloyalty in this book and how to recognize a loyal or disloyal assistant but also about the good fruit of loyalty Surely it is God s desire that a pastor become a leader who has a purpose and is consistent in his personal life and ministry With this book leaders will have the needed tools to achieve victory and confidence This book has been praised by many pastors and church leaders and words such as life changing book tremendous impact and apostolic foundation have been used to describe **Loyalty and Disloyalty** **A Leader's Manual on Loyalty and Disloyalty** Dag Heward-Mills,2016-06 Proven Principles and strategies thoroughly discussed and the underlying logic behind them made transparent A valuable resource for any minister An excellent reference and practical guide An authoritative handbook to establish churches Invaluable tips for training laity to perform priestly functions Helpful hints on how to prevent church splits **Loyalty and Disloyalty** D. thing at the same derivative of Disloyalty I put it to you that this same thing is nothing other than the basis of human morality all of it in every society everywhere
