portable and inspiring daytime companion for those interested in the joys of living a simple and lucid life From The Author
Lucid is not just another lucid dreaming guidebook In writing Lucid I wanted to create something different a book that acts
as an explorative inspirational and creative work that sits within a wider lucidity training ecosystem Lucid blends education
art and technique and has been designed to complement and balance my previous work Are You Dreaming I would highly
recommend that it is read afterwards Where Are You Dreaming acts as a comprehensive and detailed guide by contrast Lucid
is a lighter philosophical work and is purposefully minimalistic comprising of 104 pages and 81 verses Its objective is to
inspire personal investigation into the deeper realities of lucidity allowing the reader through private exploration to forge
their own journey make their own discoveries and draw their own conclusions The style reflects the 81 verse structure of the
Tao Te Ching This allows for it to be both a portable work that may be dipped into for regular inspiration and a means to
condense key aspects of lucidity that prime and arouse the imagination
