Lucifer Father Of Cain Paperback August 5 2014:

Lucifer - Father of Cain Zen Garcia, 2014-03-18 The esoteric knowledge presented here represents what are in my belief some of the most carefully guarded heavily veiled and least understood secrets of biblical wisdom traditions Many have stumbled upon this knowledge without necessarily grasping just what the full implications this knowledge means for unlocking and deciphering the riddles of our Holy Bible as bestowed upon us by our Father Yahweh through the line of prophets and even His only begotten Son Yahushuah Savior Messiah The secret that unlocks all things biblical is knowledge that Cain was a child of Eve and Lucifer and not the first born son of Adam Understanding that there are two blood lines upon the planet and that these two bloodlines have been warring with one another since the inception and dawning of humanity upon this world will help one to decipher this critical theme as it plays out through the totality of all available scripture from the fall to soon coming judgment

Sons of God Zen Garcia, 2013 Have you ever heard or read about the Nephilim of Genesis 6 Did you know that the Bible explains the mystery of all of the megalithic structures found worldwide when humanity supposedly possessed mere stone implements and the most basic agriculture and agrarian techniques Did you further know that the breeding of angels with the daughters of humanity led to the unnatural birth of this hybrid race of beings responsible for constructing the aforementioned structures and that their appetites were so voracious that they began to feed on the flesh and blood of humanity This sequence of events in fact inspired the great flood In *Sons of God* Garcia seeks to help readers recognize the realities of our ancient past so that in remembering the story they can realize who they are and why they are they here

Satan the Prodigal Son? Kirsten Nielsen, 1998 Once upon a time there was a man who had two sons This is how many stories begin among them the story we call the Parable of the Prodigal Son Relationships between two brothers are often fraught with difficulties Brothers are different but alike in their desire to become their father's favourite Brothers like Cain and Abel Esau and Jacob Satan and Job Satan and Jesus Kirsten Nielsen in her new book argues that the book of Job the temptation story in Matthew and the Parable of the Prodigal Son can be read as stories of rivalry among brothers She suggests that there is a network of biblical texts where the image of the father and his sons has been employed to interpret the relationship between good and evil between God and Satan

So Shall It Forever Be Chris Pagano, 2019-04-23 All the citizens of heaven were excited about the upcoming ceremony One of their own members Lucifer was going to be anointed as chief over them all Why wouldn't he be chosen All others agreed After all as a messenger stated Lucifer was the most glorious being in all of creation except of course for God But when God began to speak everything changed In a creative study that reinterprets the great battle between God and Lucifer and imagines the actions of factions supporting each and the resulting fallout in the heavenly kingdom Chris Pagano offers his unique perspective while attempting to answer common questions about the devil Who created him Why is there a constant struggle in our lives between good and evil And is God actively involved in the world's affairs and in our lives Throughout his examination Pagano

helps us understand how to live with these issues to find peace within a deeper relationship with God and to ponder the lasting consequences of these storied events So Shall It Forever Be shares one man s perspective on the beginning when good and evil first met while encouraging believers to return to the Bible to search for the hidden truths *The Father of All Lies* Robert Seger,2009-11 In a fascinating change of view the histories of the world Christianity and humanity are viewed through the eyes of Lucifer God and Lucifer are fighting for control over the fate of humankind and through the re creation of poignant narratives from the Bible the story of Lucifer is given a context that rivals his long portrayed negative persona This eye opening portrayal of the other side is a treat for anyone who ever questioned the untold story of Lucifer For those who enjoy religious studies or reading a juicy historical fiction novel get ready for an eye opening experience *Lucifer, God's Beloved Son* Shipei Chong,2019-05-30 Satan is the father of lies but Lucifer is and always will be God s beloved son Satan began to question himself and the evil that he had always be doing when he met a child who challenged him to repent from his wickedness Quoting from a book in the bible the child told Satan not to continue on in his evilness and that made Satan wondered about what he had been doing He began to ponder over his past when he was STILL the light bearer of God Most High
