His writing captures the vivid way in which Luke's work draws us all into the story while leaving the ending open and challenging, inviting Christians today to pick up and carry on the story as we in turn live our lives in the service of Jesus. Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text. Daughters of the King Jack Vogt, 2024-05-02 In this inspiring and thought-provoking study of women in the Bible, Jack Vogt unpacks the influence of the cultural context on the writers of scripture and uses this to present both genders as critical and equal members of the body of Christ. Beginning with the first three chapters of Genesis, Mr. Vogt demonstrates how the ideal harmonious situation God designed was upset by the fall, ushering in centuries of patriarchal societies in which men ruled over women. He then explores characters of the Old and New Testaments, comparing their stories to the Genesis model. Through these women, God seeks to advance his kingdom in which male and female live in unity. Rich in research and established on a foundation of scripture, *Daughters of the King* is a Bible study that challenges traditional thinking and opens the door to a new understanding of the role of women in church work and leadership, as it trumpets a return to God's original ideal plan.
