Hair Brained Unauthorized Interview Donald Trump:

Hair-Brained Peet Nourjian, 2015-12-15 HAIRBRAINED The Unauthorized Interview with Donald Trump may not make America great again but it will make America laugh again This Q A spoof captures all the ridicule and insults all the blasphemy and bravado of The Donald but with the timing and creative pizzazz that we expect from a seasoned comedy writer HAIRBRAINED is literary theater that probes deep into the billionaire s psyche but it s the reader who gets poked in the funny bone At 120 pages it s the perfect companion for the Democrat Republican or Independent who needs an unlimited source of one liners around the water cooler or political zingers to cut through the bipartisan tension at the dinner table We ve felt the BERN now feel the BRAINED

Where Tyranny Begins David Rohde, 2024-08-27 A thoroughly researched carefully balanced new book Laurence Tribe New York Review of Books How Donald Trump used threats co option and conspiracy theories to bend DOJ and FBI officials to his will to a greater extent than publicly known and how Merrick Garland other prosecutors and judges failed to hold him accountable before the 2024 election Over the course of his presidency Donald Trump intimidated silenced and bent to his will Justice Department and FBI officials from Attorneys General Jeff Sessions and William Barr to career public servants He sowed public doubt in both agencies so successfully that when he tried to overturn the results of the 2020 election he paid little political cost and despite an unprecedented array of criminal indictments easily won the Republican nomination for the 2024 presidential election In *Where Tyranny Begins* Pulitzer Prize winning journalist David Rohde investigates the strategies Trump systematically used to turn the country s two most powerful law enforcement agencies into his personal political weapons Rohde also reveals how during the Biden years Justice Department non partisan 1970s norms that Attorney General Merrick Garland reinforced inadvertently helped Trump and could fail to deliver a trial and legal accountability by Election Day 2024 *Where Tyranny Begins* exposes how ill suited both the DOJ and FBI are to serve as checks on abuses of presidential power The rise of hyper partisanship and the Trump and Biden presidencies have uncovered core flaws in American constitutional democracy that Trump would exploit in a second term A round of historic reforms equivalent to the post Watergate reforms that stabilized American democracy in the 1970s are immediately needed A five word warning coined by the English philosopher John Locke in 1689 captures the stakes in 2024 Where ever law ends tyranny begins *Congressional Record* United States. Chronicle of the Year ,1987 *Things People Tell Me* Anon Moose,2019-11-29 Go deep inside Donald Trump's very very large brain for a tongue in cheek look at the events that shaped his Presidency from his bromance with Kim Jong Un to Trump single handedly saving the U S Armed Forces from ruin by ordering more bullets This humorous and fictional unauthorized autobiography sheds behind the scenes light on these and other seminal events from his chaotic term as Dotard in Chief as his BFF Kim calls him in the love letters they share Read about Trump's views on KellyAnne Conway I like KellyAnne She's got long blonde hair and a trim body and from a distance she looks really hot Then when she gets close it's like the disappointment you felt after waiting three years for The Empire Strikes Back You're glad you saw it but it's not worth seeing again When Kellyanne starts talking I have a bad habit of tuning her out and imagining her standing sixty feet away from me walking in the other direction You never get a second chance to make a first impression Although with KellyAnne it's the second impression that hurts more On Winning After my unbelievable landslide victory the Democrats comforted themselves with the knowledge that Hillary Clinton had won the popular vote That's what you call a moral victory Moral victories are for losers Give me an immoral victory any day of the week I cheated on all of my wives Each time they dumped me I married someone hotter and younger Win I cheated to get out of going to Viet Nam and now I'm Commander in Chief Win I cheat at golf so much the caddies call me Pele because I love to kick my ball out of the rough Win I cheat on my taxes over and over Only losers pay taxes And I'm not a loser Just ask Hillary On evangelicals I lie cheat steal bully threaten curse call women terrible names and make fun of their looks rip babies from the arms of their mothers lock up children make racist statements demonize all Muslims cozy up to dictators and undermine our national security on a daily basis and those people couldn't care less As long as I rail against abortion and brown skinned foreigners and appoint conservative judges they'll support anything I do regardless of how many porn stars I bang or women I assault I've turned the Moral Majority into the Moral Equivalency On lying My goal is to get to 20 000 lies before the end of my first term As I told those Boy Scouts that day you can achieve anything when you put your mind to it I'm going to set the record so big no one will ever top it Future presidents won't even try to break my record because they'll know it's impossible It will be the signature achievement of my administration I want it etched on my tombstone Here lies Donald Trump the lyingest President in United States history Then I'll have them bury my body in an unmarked grave somewhere else so even my headstone will be a lie On his relationship with Kim Jong Un I had never received a love letter from a man before But Kim Jong Un is not just any man He's a round mound of repression A not so lean killing machine The dictator you love to hate The contestant I could never fire He gets me The first letter arrived on Valentine's Day It came in a big pink envelope with beautiful writing on the outside addressed to Dotard in Chief I knew right away who sent it Kim My BFF On natural disasters As President one of my most difficult jobs is

comforting victims of natural disasters These poor saps have lived through devastating tornadoes or wildfires or hurricanes and lost their homes cars and boats all the things we need They re vulnerable and frightened and need comfort compassion empathy love all the things I m good at They also need paper towels Read about Trump s takes on other topics including the media how to ask foreign leaders for favors church and the different phases of the President s annual physical exam s

The World According to Trump Donald Trump, Ken Lawrence, 2005-03 Donald Trump truly is the definition of an American success story Ken Lawrence profiles Donald Trump using actual and often controversial quotes from the Donald himself You re fired Those two words increased Donald Trump s popularity in this country a thousandfold in the spring of 2004 Trump is the dealmaker s dealmaker His forays into real estate golf casinos and now television have made him one of the most successful people in the world Often considered brash arrogant and outrageous Trump s views on succeeding and failing in life as well as in business are depicted in The World According to Trump Author Ken Lawrence uses Trump s actual words on the art of making the deal Some quotes may surprise others may offend but certainly all are entertaining I ve had bright people ask me why I talk to porters and maids Those are the people who make it all work If they like me they will work harder and I pay well It was a little bit by accident that the term You re fired came about But when you think about it it s a very precise very beautiful two words If someone screws you screw them back harder The reason my hair looks so neat all the time is because I don t have to deal with the elements very often Every successful person has a very large ego My life is an open book I am a good son I am a good parent I ve got four wonderful kids I ve been married twice I don t smoke I ve never had a glass of alcohol I ve never taken illegal drugs of any kind I ve never even had a cup of coffee
