Lisa Rapp-Paglicci

Handbook Of Juvenile Justice Theory And Practice Public Administration And Public Policy:

Handbook of Juvenile Justice Barbara Sims, Pamela Preston, 2006-05-05 Too often professionals in public policy or criminal justice must scramble to find additional reading on juvenile law and justice or on juvenile delinquency topics because most references and textbooks provide inadequate coverage of many issues of importance The Handbook of Juvenile Justice Theory and Practice responds to this need by providing

Handbook of Public Policy Analysis Frank Fischer, Gerald J. Miller, 2017-09-25 The study of public policy and the methods of policy analysis are among the most rapidly developing areas in the social sciences Policy analysis has emerged to provide a better understanding of the policymaking process and to supply decision makers with reliable policy relevant knowledge about pressing economic and social problems Presenting a broad comprehensive perspective the Handbook of Public Policy Analysis Theory Politics and Methods covers the historical development of policy analysis its role in the policy process and empirical methods The handbook considers the theory generated by these methods and the normative and ethical issues surrounding their practice Written by leading experts in the field this book Deals with the basic origins and evolution of public policy Examines the stages of the policy making process Identifies political advocacy and expertise in the policy process Focuses on rationality in policy decision making and the role of policy networks and learning Details argumentation rhetoric and narratives Explores the comparative cultural and ethical aspects of public policy Explains primary quantitative oriented analytical methods employed in policy research Addresses the qualitative sides of policy analysis Discusses tools used to refine policy choices Traces the development of policy analysis in selected national contexts The Handbook of Public Policy Analysis Theory Politics and Methods describes the theoretical debates that have recently defined the field including the work of postpositivist interpretivist and social constructionist scholars This book also explores the interplay between empirical and normative analysis a crucial issue running through contemporary debates

Handbook of Research Methods in Public Administration Sondra Brandler, Camille P. Roman, 2007-11-14 Describing new techniques and novel applications Handbook of Research Methods in Public Administration Second Edition demonstrates the use of tools designed to meet the increased complexity of problems in government and non profit organizations with ever more rigorous and systematic research It presents detailed information on conceptual

Handbook of Public Administration, Third Edition W. Bartley Hildreth, Gerald J. Miller, Jack Rabin, 2006-11-14 Since the publication of the previous edition the best selling Handbook of Public Administration enters its third edition with substantially revised updated and expanded coverage of public administration history theory and practice Edited by preeminent authorities in the field this work is unparalleled in its thorough coverage and comprehensive references This handbook examines the major areas in public administration including public budgeting and financial management human resource management decision making public law and regulation and political economy Providing a strong platform for further research and advancement in the field this book is a necessity for anyone involved in public

administration policy and management This edition includes entirely new chapters on information technology and conduct of inquiry In each area of public administration there are two bibliographic treatises written from different perspectives The first examines the developments in the field The second analyzes theories concepts or ideas in the field s literature

Juvenile Justice: Oxford Bibliographies Online Research Guide Lisa Rapp-Paglicci,2010-05 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com

Handbook of Globalization, Governance, and Public Administration Ali Farazmand,Jack Pinkowski,2006-07-25 Globalization transcends borders and cultures as it develops both from the natural flow of information and communication technologies and as a directed and driven quest for global hegemony by self serving corporations and world political heavyweights It bears a multifaceted web of influence that manifests in inequalities in growth prosperity and *Government Budget Forecasting* Jinping Sun,Thomas D. Lynch,2017-09-25 Revenue and expenditure forecasting plays an important role in public budgeting and financial management particularly during times of financial constraint when citizens impose greater accountability upon government to use taxpayer dollars more efficiently Despite its significance revenue and expenditure forecasting is often overlooked in the budget process and there is an imbalance between practice and research in this area Based on the collaboration of budget scholars and practitioners *Government Budget Forecasting* fulfills two purposes Enhances the understanding of revenue and expenditure estimation both theoretically and practically Stimulates dialogue and debate among practitioners and academicians to identify good forecast practices as well as areas for improvement Divided into four parts this comprehensive reference first examines forecast practices at the federal state and local levels drawing on case studies that include California Texas and Louisiana It then explores consensus systems and risk assessment considering political factors and the costs of forecast errors The text concludes with a call to transparency and guidance from a code of ethics and a look at forecasting practices in emerging

countries Personnel Management in Government Katherine C. Naff, Norma M. Riccucci, 2012-02-27 Human resources represents one of the largest shares of government budgets at every level The management of people who carry out the government's work is therefore a critical issue to politicians and government managers and leaders as well as citizens Regardless of which administration is in office or which reforms are being touted as necessary personnel are always at the heart of government and governing Personnel Management in Government Politics and Process highlights the rapid developments in public personnel administration and management As one of the bestselling texts in the field this sixth edition reflects the major changes that have occurred recently in government personnel administration including the authorization given to the new Department of Homeland Security and the Department of Defense to develop their own personnel management systems Addressing reforms in federal and state governments to illustrate the employment scene in public sector workforces this book continues to provide updated information on the political legal and managerial aspects of public personnel systems and policies Features Reflects the changing nature of public personnel administration Provides up to date knowledge on the political legal and managerial aspects of public personnel management Addresses developments in the Department of Homeland Security and in the Department of Defense Presents major reforms in personnel policy and administration across federal state and local governments Handbook of Public Information Systems Judith Graham, Alison Kelly, 2010-03-10 Delivering IT projects on time and within budget while maintaining privacy security and accountability remains one of the major public challenges of our time In the four short years since the publication of the second edition of the Handbook of Public Information Systems the field of public information systems has continued to evolve This ev

Health Capital and Sustainable Socioeconomic Development Patricia A. Cholewka, Mitra M. Motlagh, 2008-03-10 Given ongoing worldwide calamities such as famine natural disasters and drug abuse international attention has increasingly focused upon disease detection prevention containment and treatment Ill health hampers a country's social and economic development by triggering a vicious cycle of unsustainable resource use Given the recent outbreaks of worldwide calamities such as famine and natural disasters international attention has increasingly focused upon disease detection prevention and treatment Serving an unmet need in the marketplace this text highlights mounting evidence of the relationship between human capital and socioeconomic development and poses management strategies from international and interdisciplinary sources Scholars and practitioners in the health and sustainable development fields address such issues as healthcare and education funding for healthcare services and the impact of legal and political policies State and Local Pension Fund Management Jun Peng, 2008-08-21 Intense media coverage of the public pension funding crisis continues to fuel heightened awareness in and debate over public pension benefits With over 3 trillion in assets currently under management the ramifications of poor oversight are severe It is important that practitioners researchers and taxpayers be well advised regarding any concern **Performance-Based Management Systems** Patricia de Lancer Julnes, 2017-09-29 Expectations for

performance management systems continue to grow in the public sector Yet few administrators know how to effectively implement and sustain these systems Performance Based Management Systems Effective Implementation and Maintenance supports practical efforts to build and maintain performance management systems in public organizations explaining obstacles to measurement efforts and providing guidance on how to overcome them The book begins by exploring performance measurement as a key element of performance based management systems It discusses its legacy and its limitations and offers competing explanations of the factors that constrain its effective use Next it focuses on building theory in support of practice through a mixed methods approach It examines research reconciling the conflicting explanations for the lack of proper use of performance measurement information Then it offers new insights for developing a context sensitive model of performance measurement that can lead to effective practices The third part develops these insights into a pragmatic model of performance based management It provides a realistic explanation of the contributions of performance measurement and gives advice derived from current practice The author concludes by highlighting the rationale methods and findings of two studies that served as the foundation for this book She also provides final suggestions of how to move practice and theory forward This volume explains why performance measurement is not more widely used in the public sector and explores how implementation of performance measurement can be improved with insights gained from extant literature on public policy organizational politics and culture and knowledge utilization Mastery of this material will enable practitioners to understand how to effectively implement policies that will positively impact their organizations and their employees

Business Improvement Districts Goktug Morcol,Lorlene Hoyt,Jack W. Meek,Ulf Zimmermann,2017-09-29 Initiated and governed by property or business owners under the authorization of state and local governments business improvement districts BIDs have received a very mixed reception To some they are innovative examples of self governance and public private partnerships to others they are yet another example of the movement toward the privatization of what should be inherent government responsibilities Among the first books to present a collection of scholarly work on the subject Business Improvement Districts Research Theories and Controversies brings together renowned leaders in the field to compile the highest quality theoretical legal and empirical studies into one comprehensive volume Investigating fundamental concerns at the core of the debate as well as potential solutions this groundbreaking resource Tackles the need for improved problem solving and efficiency in service delivery Examines new and innovative policy tools for both the public and private sectors Evaluates whether BIDs do ignore the needs and voices of residential property owners Discusses the challenge created by social segregation in cities Addresses lack of accountability by BIDs to the public and elected representatives From different perspectives leading practitioners and academics analyze the pros and cons of BIDs both in the United States and around the world They look at their impact on urban planning and retail revitalization consider their legal implications and explore ways to measure BID performance Filled with case studies of urban centers including San Diego Atlanta New York Toronto and

Capetown and state models such as New Jersey and Pennsylvania this examination bring together essential information for researchers as well as those leaders and policy makers looking to adopt a BID model or improve one already in place

American Public Service James S. Bowman, Jonathan P. West, 2017-09-25 Understanding the effects of radical change on public personnel systems is critically important both now and in the future to all those interested in the quality of American democracy Civil service reform is occurring at all levels of government both in the United States and abroad American Public Service Radical Reform and the Merit System is a collection of papers that examine the innovations strategies and issues found in the contemporary civil service reform debate Offering diverse perspectives from expert contributors this book presents matters concerning radical reform and the merit system at the federal state and local levels of government This volume offers fresh insight into the effects of merit system changes on employees Divided into four sections this book Examines a portrait of contemporary reforms from across the country and concepts to interpret those data Addresses whether the relaxation of civil service protections against partisan intrusion will result in corruption Provides examples of ongoing changes and analyzes survey data from state managers Discusses a variety of key issues such as the impact on racial inequality of moving from a protected class employment status to an unprotected at will relationship The book provides a baseline of data on reforms as well as an account of their current promises and pitfalls Covering topics ripped from the headlines this text also identifies pressing issues and makes suggestions for the future Offering a variety of methodological approaches it is ideal for all those interested in effective governance

Governance Networks in Public Administration and Public Policy Christopher J. Koliba, Jack W. Meek, Asim Zia, Russell W. Mills, 2017-09-25 What do public administrators and policy analysts have in common Their work is undertaken within networks formed when different organizations align to accomplish some kind of policy function To be effective they must find ways to navigate complexity and generate effective results Governance Networks in Public Administration and Public Policy describes a variety of trends and movements that have contributed to the complexity of these systems and the challenges that must be faced as a result Providing a theoretical and empirical foundation in governance networks the book offers a conceptual framework for describing governance networks and provides a holistic way to conceive their construction The text details the skills and functions of public administrators in the context of networked relationships and presents the theoretical foundations to analyze governance networks It identifies the reforms and trends in governing that led to governance networks explains the roles that various actors take on through networked relationships highlights the challenges involved in the failure of networked activities and illustrates how policy tools are mobilized by these relationships Be a part of building governance networks 20 The author's website contains support materials such as PowerPoint presentations writable case study templates and other useful items related to building the field's capacity to describe evaluate and design governance networks using the framework of this book You can post case studies of governance networks draw on other's case study materials and

learn about research and educational opportunities Based on research and real life experience the book highlights the interplay between public actors and policy tools The authors demystify this complex topic of governance networks and explore the practical applications of the conceptual framework Practical and accessible the book presents concepts in such a way that readers can engage in these ideas apply them and deepen their understanding of the dynamics unfolding around them

Social and Economic Control of Alcohol Carole L. Jurkiewicz, Murphy J. Painter, 2007-11-14 As a toast to success a drowning of sorrows a rite of passage and the fuel for most social activities alcohol plays a central role in our culture Alcohol generates nearly 160 billion in US revenues annually and is a major source of tax revenue making the stakes in the modern debate over its use misuse and regulation staggeringly high Fact

Disaster Management Handbook Jack Pinkowski, 2008-01-22 Record breaking hurricane seasons tornados tsunamis earthquakes and intentional acts of mass casualty violence give lie to the delusion that disasters are the anomaly and not the norm Disaster management is rooted in the fundamental belief that we can protect ourselves Even if we cannot control all the causes we can prepare and respond We

Elements of Effective Governance Kathe Callahan, 2006-09-29 Elements of Effective Governance Measurement Accountability and Participation is one of the first books to explore the relationship between accountability government performance and public participation It discusses two main assumptions greater accountability leads to better performance and the more the public is involved in the measu

Handbook of Decision Making Goktug Morcol, 2006-11-01 Handbook of Decision Making includes the wisdom of the long theological and philosophical traditions of human society as well as a systematic exploration of the implications of contemporary evolutionary theories Common patterns in decision making styles are identified as well as the common variations that different contexts may generate The text covers the multiplicity of mainstream decision making styles such as cost benefit analysis and linear programming It also explains alternative and emerging methods such as geographic information systems Q methodology and narrative policy analysis Practical applications are discussed using decision making practices in budgeting public administration and governance drug trafficking and information systems

Handbook of Governmental Accounting Frederic Bogui, 2008-12-19 Demystifying a growing and dynamic field Handbook of Governmental Accounting reflects the increasing complexity of this area enabling readers to grasp the intricate accounting that is involved as government expenditures multiply and governments engage in progressively complex transactions Drawing on the expertise of a distinguished group of cont
