This site, Mobile Learning Handbook, is a compilation of mobile learning resources. It is geared towards instructional designers, developers, project managers, and administrators to help them better understand the issues, opportunities, and best practices in mobile learning. It is not intended to be a comprehensive reference, but a high-level guidebook. The handbook information on any of the topics covered, and any of the issues identified in the handbook, is not intended to be a comprehensive reference.

Like any other field of learning technology, mobile learning is in constant state of flux. The site's Mobile Learning Team will do its best to maintain this as a living document and regularly update it, but we need your help. Please send any suggestions, for additions or changes to admin@mlh.org.

Note: All other trademarks and products mentioned in this handbook, specific content and applications are provided for informational purposes only to help introduce the concepts related to learning development for learning or human performance support.
