Cataloging Correctly for Kids Michele Zwierski, Marilyn McCroskey, Joanna F. Fountain, 2021-05-24 Cataloging library materials for children in the internet age has never been as challenging or as important RDA Resource Description and Access is now the descriptive standard there are new ways to find materials using classifications and subject heading access has been greatly enhanced by the keyword capabilities of today's online catalogs It's the perfect moment to present a completely overhauled edition of this acclaimed bestseller The new sixth edition guides catalogers children's librarians and LIS students in taking an effective approach towards materials intended for children and young adults Informed by recent studies of how children search this handbook's top to bottom revisions address areas such as how RDA applies to a variety of children's materials with examples provided authority control bibliographic description subject access and linked data electronic resources and other non book materials and cataloging for non English speaking and preliterate children

Cataloging Correctly for Kids Sheila S. Intner, Joanna F. Fountain, Jean Weihs, 2011 This text is based on guidelines issued by the ALCTS It is a one stop handbook for librarians who organize information for children **Make Your Kids Smarter** Erika V. Shearin Karres, 2001 Make Your Kids Smarter is chock full of drills tips and exercises to enhance children's learning The skill builders encompass areas ranging from general school smarts to library use computer literacy to study skills writing and verbal skills to strategic thinking Devoted parents will use this book to give their kids the advantage that will make all the difference Dr Karres both a parent and an educator understands the busy and often stressful lifestyles of today's parents Parent pointers FYI explanations and guided minilessons are all included to make the parents job a little bit easier and a little less time consuming Parents will be able to thumb through this manual isolate the exercises that will benefit their child the most and get right to it Ready read action It's that simple This is a must have manual for all parents who believe their children deserve the very best **Parent-Child Interaction Therapy** Cheryl Bodiford McNeil, Toni L. Hembree-Kigin, 2010-03-10 Over the past two decades Parent Child Interaction Therapy PCIT emerged as a leading edge method for helping parents improve their children's disruptive and oppositional behavior Today PCIT has a robust evidence base is used across the country in settings as diverse as hospitals mental health centers schools and mobile clinics and is rapidly gaining popularity in other parts of the world In keeping with this increasing recognition of PCIT's effectiveness the authors of Parent Child Interaction Therapy present this expanded clinical edition to keep readers up to date on new practice developments current treatment protocols and the latest research findings This update retains the fundamentals as detailed by PCIT's founder Dr Sheila Eyberg including an overview of the therapy detailed description of the course of treatment and handout materials The text goes further to explore the evolution of PCIT outside the original target ages of three to six including preventive PCIT for very young children at risk and examines the use of PCIT with special child populations such as abuse victims and those with ADHD Contributing experts discuss uses of the therapy in school at home with minorities and

with highly stressed families But regardless of the population setting or topic covered interventions remain faithful to basic PCIT principles and methods New features of the expanded second edition include Adaptations of PCIT for babies toddlers preteens and siblings Applications for abuse survivors children with developmental disabilities ADHD and severe aggression problems Uses of PCIT with separating or divorced parents Culturally relevant PCIT for ethnic minority and international families Teacher child staff child and home based applications PCIT training guidelines A brand new chapter summarizing current research supporting PCIT As PCIT broadens its scope Parent Child Interaction Therapy Second Edition brings innovative ideas and proven techniques to clinical child psychologists school psychologists and other mental health providers working to enhance the lives of children and their families

The Dewey Decimal System Nathan Larson, 2018-08-01 This tale of a book loving tough guy in a decimated Manhattan is like Motherless Brooklyn dosed with Charlie Huston Delirious and haunting Megan Abbott author of Give Me Your Hand After a flu pandemic a large scale terrorist attack and the total collapse of Wall Street New York City is reduced to a shadow of its former self As the city struggles to dig itself out of the wreckage a nameless obsessive compulsive veteran with a spotty memory a love for literature and a strong if complex moral code that doesn't preclude acts of extreme violence has taken up residence at the main branch of the New York Public Library on Forty second Street Dubbed Dewey Decimal for his desire to reorganize the library's stock he gets by as bagman and muscle for New York City's unscrupulous district attorney He takes no pleasure in this kind of civic dirty work He'd be perfectly content alone amongst his books But this is not in the cards as the DA calls on Dewey for a seemingly straightforward union busting job What unfolds throws Dewey into a mess of danger shifting allegiances and old vendettas forcing him to face the darkness of his own past and the question of his buried identity The Dewey Decimal System is proof positive that the private detective will remain a serious and seriously enjoyable literary archetype PopMatters

Making ALL Kids Smarter John DeLandtsheer, 2011 This book helps teachers plan a challenging program for students particularly gifted students within a regular education classroom It addresses brain compatible learning which makes it appropriate for a much wider group of students than just the very brightest Approaches and strategies are explained in a unique and personal style and include the following use of inter disciplinary themes analytical thinking exercises teaching moral dilemmas Socratic questioning techniques increasing depth and complexity through interactive games activities to promote creative thinking using graphic organizers and teaching research skills and methods The author demonstrates how all these strategies and approaches work together to help teachers create a more meaningful learning experience for all students An added benefit of the author's training as reflected in this book is to help put the creativity and search for knowledge back into the learning process

The Big Book of Dyslexia Activities for Kids and Teens Gavin Reid, Nick Guise, Jennie Guise, 2018-10-18 Full of interesting and creative activities for children and young people aged 5-19 with dyslexia this book is an essential guide for teachers and parents Focusing on practical and accessible projects the guide will cover key skills such

as listening memory talking and writing Children & Libraries Virginia A. Walter,2001 A call to action for libraries serving children Honouring the accomplishments of children s services pioneers of the past Virginia Walter evaluates the current situation and envisions futures where children technology and libraries intersect Studying Children's Questions Melissa Gross,2006 This book reports on a study examining Imposed Queries in the School Library Media Center and is a follow up to a pilot study on the same topic The analysis is presented in a way that provides a clear road map for researchers students and practitioners who wish to undertake a study of this type or to advance thinking about the place of imposed queries in information seeking Particular attention is given to the special nature of the investigative processes undertaken and the concerns researchers have when approaching the study of children in information providing environments The research process is described in detail and highlights research questions methodological issues and data gathering techniques The literature on children as a user group and as information seekers is reviewed and the research findings and conclusions are discussed Also advice is offered for readers interested in undertaking their own study of imposed and self generated queries

Elementary Teachers Guide to Free Curriculum Materials 2005-06 Educators Progress Service,2005-05 **From the Garden Club** Charlotte Hogg,2006-11-01 A multidisciplinary study of rural women specifically how literary practices of older rural women lead to powerful work in their community *Thank You, Teacher* Holly and Bruce Holbert,2016-04-03 What do rock stars Nobel laureates bestselling novelists astronauts and attorneys have in common A teacher changed their lives Like them most of us can name a teacher who gave us not only good instruction but also confidence and drive But in the face of teachers being blamed for a variety of social and economic woes teachers themselves can easily wonder whether they are making a difference in students lives When veteran teacher Bruce Holbert asked himself this question his wife Holly responded by sending letters to hundreds of people she had never met and had no reason to believe would respond asking about teachers who mattered to them She was overwhelmed by answers Thank You Teacher presents more than eighty of these up close and personal stories By a delightfully diverse range of contributors these essays are wise and witty testaments to the teachers who do what they do every day without expecting recognition but who so richly deserve it **Damage Control** David Eddie,Pat Lynch,2010-03-16 A straight shooting hilarious and off beat guide from the author of the Globe s most highly trafficked column in the Life section This is Ann Landers with tattoos beer shooters and just a bit of swearing David Eddie is so infamous for sticking his foot in his mouth that he s dubbed himself Faux Pas Varotti Every social outing seems to result in some form of mortification for all concerned Having screwed up countless times and come through it all with dignity intact a loving family a lovely wife and an excellent career he s the perfect guy to give advice on learning from and making the best of a seemingly devastating screw up Building on his enormously popular advice column in the Globe and Mail s Life section Eddie provides simple rules for recovery applicable to your latest office gaffe or party blunder Reading Damage Control is like meeting a good old friend for a drink when you have a problem a friend you sought out because in all

likelihood he has screwed up worse than you and has a great story about it and because he ll give you honest feedback and practical suggestions And because he makes you laugh harder than anyone else you know *Frenchtown, New Jersey* Robert Rando,Caroline Scutt,2015-06-15 Frenchtown is a picturesque community on the banks of the Delaware River In the late 1700s a series of land sales to French speaking Swiss gave the town its name The river fostered the town s growth throughout the nineteenth century bringing railroads and successful businesses like Frenchtown Porcelain Works Remnants of this industrial past are still visible in places like the Delaware and Raritan Canal State Park Visitors and locals admire historic landmarks along Bridge Street including the Frenchtown Inn and the Hummer Building Annual celebrations like Bastille Day and RiverFest celebrate the town s home and heritage Local authors Robert Rando and Caroline Scutt commemorate the unique history of this bucolic New Jersey community [Net-Mom's Internet Kids and Family Yellow Pages](#) Jean Armour Polly,2001-10 Lists and reviews Web sites covering art science pets recreation codes and ciphers dinosaurs games history careers math pen pals religion education sports toys and weather **Harley Hahn's Internet & Web Yellow Pages** Harley Hahn,2000-09 Lists and describes Internet resources on subjects ranging from agriculture to zoology pointing out those that are useful bizarre or otherwise noteworthy *Viking Devil (The Devil Series)* S.C Lark,2024-07-07 Ragnar made a trip to his homeland to find out that he s married His father lost a porker game and married Ragnar off to the winner young daughter His father put the young lady in an orphanage when her parents died She s been there ever since When Ragnar finds out he goes and get her only to find out that she s already in love When Ragnar takes her away she ll do anything to go back to her love including driving Ragnar crazy with childish pranks What Rory don t know is that she s married to a global arms dealer and with a temper to boot Now more than ever Rory wants to get away from him She plans and plots with her boyfriend to take revenge on Ragnar and run away from him Ragnar hold a grudge and can t get past his anger at all she has done to him Will they work it out or will Ragnar kill Rory because he feels like he can t trust her **ATTENTION** This book has explicit scene Strong language violence and abuse If any of this offends you please skip this book I will try to but warnings before each chapter but I can t promise it Also this book is a work of fiction My work and has been copyright by copyright gov Steal it and I will report you FYI This is the second book in the Devil s Series This is Ragnar s story He was in Devils Psycho which is Thayer s book You can read it as a stand alone **Bad to the Bone** Michael Prescott, Small town private eye and part time assassin Bonnie Parker is back in another high voltage adventure set on the Jersey Shore Bonnie thought she d put her troubles behind her when she killed mob boss Frank Lazzaro and got away clean But nothing s that easy Russian mafia kingpin Anton Streinikov has taken a personal interest in the killing and in Bonnie herself He wants her delivered to his greenhouse where very bad things happen It doesn t help that Bonnie s latest client has set the cops on her tail giving the local chief of police his best chance to put her behind bars All in all she s had better weekends As night falls she finds herself hunted by bad guys and cops outmaneuvered outgunned and in the fight of her life

Luckily only the good die young and Bonnie is bad to the bone *Bad to the Bone* is the latest thriller from New York Times and USA Today bestseller Michael Prescott author of *Cold Around the Heart* *Blood in the Water* and *Final Sins* With over three million copies sold in both print and digital editions Prescott is one of today's leading writers of crime fiction and psychological suspense Library Literature ,1934 An index to library and information science *The Breakaway* Jennifer Weiner,2023-08-29 Abby can't escape the feeling that something isn't right or the memories of one thrilling night she spent with a man named Sebastian two years previously When Abby gets a last minute invitation to lead a cycling trip from NYC to Niagara Falls she's happy to have time away from Mark a chance to reflect and make up her mind But things get complicated fast
