Kindling Desire For God Preaching As Spiritual Direction:

Kindling Desire for God Kay Bessler Northcutt, Kay L. Northcutt, 2009 While searching for a model of preaching that is apt for our postmodern moment Kay Northcutt respectfully eschews earlier models and suggests the what of preaching should consist in spiritual formation or the practice of spiritual direction Taking an evocative rather than how to approach Northcutt notes the gaps created by earlier models and makes a case not only for framing preaching as an attractive art but also for understanding the preachers authority as religious in nature The author provides readers with a new paradigm for developing their own homiletical discipline Kindling Our Desire for God Kay Lynn Bessler Northcutt, 2005

When Leadership and Spiritual Direction Meet Gil W. Stafford, 2014-06-11 Modern church leaders need to cultivate innovative and creative leadership skills as they navigate today's post Christian world and as their congregations look to them for insight and guidance Gil Stafford takes a fresh look at this vital need drawing upon his experience as a college coach university president and parish priest and interweaving them with ancient spiritual practices found within the discipline of spiritual direction Personal anecdotes help the reader envision their own life transforming pilgrimage as they develop into the type of adaptive leader that churches need in today's rapidly changing world This book challenges church leaders to foster sacred safe space holy listening silence and wisdom storytelling in order to create a discerning church community These techniques of spiritual direction can be applied to every aspect of the church from small group studies to conducting parish business Gradually the leader will be able to delegate some of his responsibilities to the congregation liberating them to be leaders and rescuing him from trying to be all things to all people **The Priority of Making Disciples** Danny Clymer, 2020-08-18 Those in the church and ministry are familiar with the Great Commission the call to go forth and make disciples However for many it isn't that easy in a world increasingly influenced by doubters and distractions Many Christian leaders may talk about it but few really do it Making disciples isn't a complicated program but a simple plan that comes only from Jesus Now a diverse group of pastors representing urban and rural communities secular and Christian areas as well as diverse multicultural backgrounds and all known for successfully making new disciples have gathered these sermons to encourage others to be disciple makers too Discover How Jesus practiced the Great Commission before He ever preached it Why discipleship begins with a whole life understanding of worship When disciple making gets confused with church growth efforts These and countless other insights will help guide you in a faithful deliberate effort to fulfill the Great Commission no matter where you live or what communities in which you minister Included in the book are The sermon texts and their outline formats 12 study guides one for each sermon that can be used in small group or one on one settings in the week following the preaching of the sermon A final appendix providing a self evaluation tool that helps each person being discipled to evaluate the progress they are making in their walk with Christ **Igniting the Heart** Kate Bruce, 2015-09-30 It has been said that the day of the sermon is over Kate Bruce argues that the day of the poorly conceived ill prepared dull disconnected boring

irrelevant authoritarian yawn inducing patronizing pontificating pointless and badly delivered sermon is indeed over Imagination can help to engage the hearer in a sermon which seeks to evoke rather than to inform Imagination frames how we see the world and ourselves in it As such it has a vital role in how preachers see the preaching task itself which in turn affects how we go about the task A theology of imagination is presented to demonstrate the central importance of imagination in the life of faith Allied to this is an analysis of the sacramental nature of preaching and the role of imagination in enabling the aha now I get it moment of sacramental seeing as Connected to enabling new seeing preaching in the lyrical voice is defined and discussed along with the importance of preachers shaping sermons for the ear **Preaching After**

God Phil Snider,2012-08-01 Even though the postmodern return of religion is dramatically shaping the future of twenty first century theology its riches for preaching are rarely mined Preaching After God highlights the trajectories of the postmodern return of religion by introducing readers to the positive theological themes stirring in the work of influential philosophers like Jacques Derrida John Caputo and Slavoj i ek Phil Snider shows how engaging their thought provides possibilities for preaching that highly resonate with postmodern listeners Preachers familiar with the postmodern return of religion will appreciate its homiletical appropriation while those introduced to it for the first time will discover just how much it is helpful for the preaching task Six lectionary based sermons are included as examples **Divine Therapeia and the Sermon** Neil

Pembroke,2013-09-19 Therapeutic preaching is badly in need of rehabilitation Administering mini doses of psychological self help from the pulpit simply will not do Therapeutic preaching that is theocentric draws listeners more deeply into God s healing love It involves setting up a creative conversation between divine and human therapy In a novel and deeply insightful way Neil Pembroke shows how metaphors and analogues drawn from psychotherapy can be employed to draw out the power in divine therapeia **Shepherding God's People** Siang-Yang Tan,2019-07-16 This comprehensive textbook on pastoral

Ways of the Word Sally A. Brown, Luke A. Powery, 2016-05-19 Preaching and the discipline of preaching is at a crossroads The changing realities of church and theological education the diversity of our classrooms and our increasingly complex community contexts leave us in search of tools to help train a rising generation of preachers for a future whose contours are far from clear The questions are immense How to support preachers in contexts that are diverse religiously culturally and ethnically both inside and outside the church How to help students take varied contexts seriously as they are formed as leaders In Ways of the Word a dynamic team of master preachers brings much needed help Different in race gender age and tradition both Sally A Brown and Luke A Powery speak with one voice their belief that preaching is Spirit empowered event an embodied vocalized actively received here and now witness to the ongoing work of God in the world They aspire to help students and preachers alike to reflect on a journey of learning by doing They aim to help preachers to become more attuned to the Spirit more adept in preaching's component skills and more self aware about all that is at stake in proclaiming the redemptive work of God in specific contexts Imaginative Preaching Geoff New, 2015-10-14 From generation to generation there has been an anguished cry from preachers about preaching there is no imagination The Scriptures present the wondrous hope and vision of Kingdom Come and yet contemporary preaching can often be mute and blind by comparison This book explores what is possible when the Scripture to be preached is prayed through the agency of two ancient prayer disciplines lectio divina and Ignatian Gospel Contemplation Through the experiences of eight vocational pastor preachers this study tracks the difficulties discoveries and delights as they commit to utilizing these prayer disciplines as part of their regular sermon preparation The reader will be orientated to what a biblical imagination entails and how

praying the Scriptures affects the preacher sermon and listener Careful explanation of how to pray using lectio divina and Ignatian Gospel Contemplation is included This work is in places a raw examination of the forces that regularly conspire against the preacher as they endeavour to faithfully expound the Scriptures The study is a rousing exclamation of the joy experienced when a preacher s imagination and their preparation is formed by the Spirit bringing the Scriptures to bear on all who speak and hear it *Conversations with Benjamin* Martha Brune Rapp,2021-03-31 Have you ever felt that the tools and techniques you mastered in preaching class are failing you Disheartened by the boredom and scowls of people in the pews whenever you preach Convinced that God does not want you to preach Wondered whether you have any business in a ministry centered around preaching If so you are invited to eavesdrop on eight conversations between Benjamin a priest who is considering leaving ministry because of the weight of preaching and Sophia a wisdom figure who helps him develop the one missing component an overarching spirituality of preaching that offers God s healing love to a wounded and suffering world Written in an easy to read novella format and drawing from interviews with dozens of preachers *Conversations* brings together preaching best practices the Gospels human anthropology spirituality communication and more **Wrestling with the Word** Jamie Harrison,2016-11-17 Many biblical texts seem almost impossible to preach They may be violent or terrifying or strange or abrasive They may deal with matters simply beyond human experience The preacher could well be tempted to choose an easier text on offer But leaving taxing passages untouched means the Bible is effectively silenced In *Wrestling with the Word* well known and accomplished preachers grapple with a range of notoriously difficult biblical Old and New Testament texts As well as providing sample sermons in an exhilarating variety of structural styles and voices they offer ideas to help in the planning process of interpreting and applying such passages A well constructed and delivered sermon has the potential to inspire people as few other experiences can The Rt Revd John Pritchard from the Foreword Holy Conversation Jonathan Linman,2010-03-15 Linking the themes of spirituality and worship and giving each needed focus in ways that are biblically and theologically rich and consistent with ecumenical traditions this book specifically explores the relationship of sacred reading lectio divina to worship Linman sees this practice as one element in the larger liturgical action of Gathering Word Meal and Sending Our spiritual worship of Rom 12 1 he argues is the holy conversation between worshipers and the triune God who leads us to greater participation in Christ and to transformation through Christ s presence **Chalice Introduction to Disciples Theology** Peter Heltzel,2008 **Before Belief** Bruce A. Stevens,2020-01-15 First things are spiritually and theologically important Before Belief explores the precognitive human experience of transcendence illuminating how such foundational experiences are formative of attachment relationships with people and ultimately with God The book proposes an implicit learning model rather than rely on Freud s or Jung s understanding of the unconscious with a goal of recovering unconscious spiritual learning Once discovered and put into language early learning needs to be tested and integrated into life experience and expressed in committed living The theories

examined and advanced in the work are also carried through in practical case studies that demonstrate the pastoral and clinical salience of understanding and connecting people to those grounding experiences **Connections: Year B, Volume 2** Joel B. Green, Thomas G. Long, Luke A. Powery, Cynthia L. Rigby, Carolyn J. Sharp, 2020-11-24 Designed to empower preachers as they lead their congregations to connect their lives to Scripture Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary This nine volume series offers creative commentary on each reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture film fiction ethics and other aspects of contemporary life Commentaries on the Psalms make connections to other readings and to the congregation s experience of worship Connections is published in partnership with Austin Presbyterian Theological Seminary
