Asian Spiritualities and Social Transformation Simon Shui-Man KWAN,Wai-Yin CHOW,2023-10-17 This book offers a cross cultural and inter religious understanding of the ways social transformation in Asia is related to Asian spiritualities Bringing together scholars and practitioners from different cultures and fields of study it collates cutting edge research and applies it to the role of Asian spiritualities in social transformation Spirituality has garnered increasing attention in recent years across diverse fields of research and practice from psychology and healthcare to anthropology education sociology

political sciences social work feminist studies cultural studies religious studies theology philosophy and so on However the term means different things within these different disciplines Spirituality can be understood to be private and personal but also public and societal not only as a force that brings about change but also one that helps maintain the status quo not only as a core element in religion but also as something disconnected from it This book poses that to gain a firm grasp of spirituality one needs to traverse these different terrains Disbarring the orientalist understanding of spirituality that is often found embedded in stereotypes of the East as mystical esoteric and spiritual in contrast to the West as scientific and rational this book deconstructs this binarism to enable a sophisticated understanding of the diversity within Eastern and Western spiritualities It presents Asian spirituality as a misnomer focusing on the plurality of spiritualties and the region s multifaceted religiosity and it also excavates interfaith terrains It is of interest to social scientists theologians and religious scholars and students and researchers interested in Asian spiritualties and social movements **From Success to Significance** Lloyd Reeb,2009-05-26 Success Is Great But Significance Is Lasting You ve achieved a measure of success in the first half of life and it s been a thrill But deep in your heart you want your second half to count for something far more Something bigger than you Significance You re not alone you re in Halftime You want to discover where your deepest passions intersect with your greatest abilities and harness them to help change the world But what does significance look like How do you attain it What will it cost you What if you are not yet financially independent Who can help you make sense out of this stage of life Lloyd Reeb knows how it is He s wrestled with the same questions and found answers In From Success to Significance he unfolds a blueprint that has helped thousands of men and women redefine success and infuse their lives with eternal significance Adapt Reeb s approach to your circumstances and with God s help put it in motion It works and it will work for you Discover God s unique purpose for your life Your talents your drives and everything you are will make sense in a new way and have an impact you ve never dreamed of Go ahead start dreaming Because significance is within your reach and it starts by finding the freedom to dream Many people measure their success by wealth recognition power and status There s nothing wrong with those but if that s all you re focused on you re missing the boat Lloyd Reeb shows that if you focus on significance using your time and talent to serve others that s when truly meaningful success can come your way

Baptizing Business Bradley C. Smith,2020-07-27 Baptizing Business sifts through popular perceptions regarding the relationship between business and religion and the agenda of conservative Christian business leaders drawing on personal interviews with the most diverse group of evangelical executives yet studied While stereotypes and previous research both emphasize the perceived incompatibility of religious mandates and business objectives Bradley C Smith argues that evangelical executives experience tension not because business and religion are inherently opposed but because they are made to feel like second class citizens by members of their own faith communities Indeed in cases of apparent conflict between faith and business evangelical executives insist that it is faith not business that must be reconceived Smith reveals that evangelical business leaders are as inclined to export business concepts into other domains as to import religious objectives into business contexts prompting us to reconsider the direction of influence between religious and economic life Baptizing Business is filled with compelling stories that paint a nuanced unbiased picture of the increasing influence of intensely religious business leaders The spirit of capitalism defined by Max Weber as a positive attitude toward work and wealth finds ongoing embrace and new expression in evangelical executives and their accounts with implications for our understanding of the faith at work movement evangelicalism and the role of religion among elites *Halftime for Couples* Lloyd Reeb,Linda Reeb,2022-07-20 GET ALIGNED WITH YOUR SPOUSE PLAN YOUR SECOND HALF TOGETHER Halftime for Couples is a roadmap for creating an intimate adventure together Halftime is the season when couples look back and take stock look forward and dream then chart a new course together as a couple It s about moving beyond success to pursue significance With author Lloyd Reeb s guided reflection in this book your halftime as a couple can be packed with fun growth and deep fulfillment But living a life of significance always involves risk and sacrifice and it s not for the faint of heart When you face real fears and obstacles on your path of God s calling you are drawn closer together As you look back on those steps of faith you see where God has worked allowing you to partner with Him together Lloyd Reeb Founding Partner at the Halftime Institute has spent more than 10 000 hours helping leaders wrestle with powerful questions dream beyond their limits and craft roadmaps to live out those dreams But he did it alongside his wife Linda supporting her calling too Out of their experience of journeying together during their own halftime season Lloyd and Linda Reeb have created a practical guide for couples who want to plan their second half together The richest component of a significance filled second half is sharing the journey with those you love Resist the temptation to head into your second half alone by excluding your spouse
