Hand Fu Manchu Sax Rohmer:

The Hand of Fu-Manchu Sax Rohmer, 2014-05-27 From beyond the grave Fu Manchu reaches out to destroy the world When Dr Petrie saw a bullet enter the skull of the fiendish mastermind Fu Manchu he assumed England had nothing more to fear from the evil genius But Nayland Smith knows that whatever became of the devil doctor the sinister organization he served will go on trying to conquer the world Sir Gregory Hale erstwhile attach to the British Embassy in Peking might be the key to foiling the Si Fan Just back from a six month expedition to the Gobi Desert Hale is holed up in a London hotel and refuses to see anyone but Smith Ten minutes before the Burmese commissioner reaches him Hale is struck dumb by a deadly poison In his final seconds he manages to scratch out a warning Guard my diary Tibetan frontier Key of India Beware man with the limp Those last words and the brass box Hale brought back with him from Mongolia are the only ammunition Smith and Petrie have in their fight against an army more powerful than any the world has ever known This ebook features a new introduction by Otto Penzler and has been professionally proofread to ensure accuracy and readability on all devices The Hand of Fu-Manchu (□□□□□) Sax Rohmer, 2011-12-15 This historic book may have numerous typos and missing text Purchasers can download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1917 edition Excerpt of a gaunt and prowling cat Bestowing a suspicious glance upward in my direction the animal slunk away toward the path bordering the cutting By a devious route amid ghostly gasometers I had crept to my post in the early dusk before the moon was risen and already I was heartily weary of my passive part in the affair of the night I had never before appreciated the multitudinous sounds all of them weird and many of them horrible which are within the compass of those great black rats who find their way to England with cargoes from Russia and elsewhere From the rafters above my head from the wall recesses about me from the floor beneath my feet proceeded a continuous and nerve shattering concert an unholy symphony which seemingly accompanied the eternal dance of the rats Sometimes a faint splash from below would tell of one of the revelers taking the water but save for the more distant throbbing of riverside industry and rarer note of shipping the mad discords of this rat saturnalia alone claimed the ear The hour was nigh now when matters should begin to develop I followed the chimes from the clock of some church nearby I have never learnt its name and was conscious of a thrill of excitement when they warned me that the hour was actually arrived A strange figure appeared noiselessly from I knew not where and stood fully within view upon the bridge crossing the cutting peering to right and left in an attitude of listening It was the figure of a bedraggled old woman gray haired and carrying a large bundle tied up in what appeared to be a red shawl Of her face I could see little since it was shaded by the brim of her black bonnet but she rested her bundle upon the low wall of the bridge and to my intense surprise The Hand of Fu-Manchu Sax Rohmer, 1917 Sir Gregory Hale returns to London from Mongolia with a mysterious Tulun Nur chest that holds the key to India a vital secret of the Fu Manchu s notorious Si Fan organization Unfortunately Hale is murdered before he is able to disclose the secret to

Nayland Smith The Burmese police commissioner and Dr Petrie launch a mission to affront the brilliant but deadly master criminal before he succeeds in his malignant and fantastic plot to take over the world *The Hand of Fu-Manchu* Sax Rohmer,2019-11-25 In *The Hand of Fu Manchu* Sax Rohmer weaves a gripping tapestry of gothic horror and exoticism that combines adventure with elements of detective fiction Set against the backdrop of early 20th century Britain the narrative follows the enigmatic and sinister figure of Dr Fu Manchu as he orchestrates a series of machinations to undermine the West through his diabolical intellect and mastery of ancient Eastern arts Rohmer s prose is charged with atmospheric tension utilizing vivid descriptions and sensationalism to immerse the reader in a world that straddles the line between myth and reality reflecting contemporary fears of the foreign and the unknown in a colonial context Sax Rohmer born Arthur Henry Sarsfield Ward found inspiration in the socio political landscape of his time particularly concerning Western perceptions of the East His fascination with the occult mixed with his experiences as a British traveler led him to create the character of Fu Manchu blending Orientalist tropes with Western adventure narratives This duality of fascination and fear gave rise to a complex antagonist who embodies the anxieties of an era gripped by imperialism and globalization I highly recommend *The Hand of Fu Manchu* to readers intrigued by early 20th century literature those who appreciate finely crafted suspense and fans of detective fiction seeking a cultural exploration of villainy Rohmer s work not only offers a thrilling narrative but also serves as a commentary on colonial attitudes making it a rich text for both literary analysis and entertainment **Sax Rohmer - the Hand of Fu-Manchu** Sax Rohmer,2016-11-07 Third book in the Fu Manchu series a collection of short stories about the adventures of Commissioner Sir Denis Nayland Smith and Dr Petrie in stopping Dr Fu Manchu from becoming the ruler of the civilized world **The Hand of Fu-Manchu** Sax Rohmer,2018-05-02 Sir Gregory Hale returns to London from Mongolia with a mysterious Tulun Nur chest that holds the key to India a vital secret of the Fu Manchu s notorious Si Fan organization Unfortunately Hale is murdered before he is able to disclose the secret to Nayland Smith The Burmese police commissioner and Dr Petrie launch a mission to affront the brilliant but deadly master criminal before he succeeds in his malignant and fantastic plot to take over the world We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *The Hand of Fu-Manchu Illustrated* Sax Rohmer,2020-11-30 Dr Fu Manchu is back once again His very existence seemingly proves him immune from natural
